MND Charter Motion

The Council Notes

1. That Motor Neurone Disease (MND) is a rapidly progressing disease that affects the brain and spinal cord. It can leave people locked in a failing body, unable to move, talk and eventually breathe.
2. A person's lifetime risk of developing MND is up to 1 in 300. It can affect people from all communities and backgrounds.
3. This disease kills around 30% of people within 12 months of diagnosis, more than 50% within two years.
It affects people from all communities
4. Currently there is no cure to Motor Neurone Disease.

The Council Believes

1. People with MND have the right to an early diagnoses and information.
2. People with MND have the right to access quality care and treatments.
3. People with MND have the right to be treated as individuals and with dignity and respect.
4. People with MND have the right to maximise their quality of life.
5. Carers of people with MND have the right to be valued, respected, listened to and well-supported.

Notice of Motion - Integrated Impact Assessment Screening Form

Q5 What is the potential risk of the initiative? (*Consider the following impacts – equality, socio-economic, environmental, cultural, legal, financial, political, media, public perception etc...*)

High risk

Medium risk

Low risk

Q6 Will this initiative have an impact (however minor) on any other Council service?

Yes

No

If yes, please provide details below

Q7 What is the cumulative impact of this proposal on people and/or communities when considering all the impacts identified within the screening and any other key decisions affecting similar groups/ service users made by the organisation?

(You may need to discuss this with your Service Head or Cabinet Member to consider more widely if this proposal will affect certain groups/ communities more adversely because of other decisions the organisation is making. For example, financial impact/poverty, withdrawal of multiple services and whether this is disadvantaging the same groups, e.g., disabled people, older people, single parents (who are mainly women), etc.)

The outcomes of signing the charter will be positive in raising awareness and support for those with MND

Outcome of Screening

Q8 Please describe the outcome of your screening below:

- Summary of impacts identified and mitigation needed (Q2)
- Summary of involvement (Q3)
- WFG considerations (Q4)
- Any risks identified (Q5)
- Cumulative impact (Q7)

If this motion is agreed the Council will sign the up to the MND charter. The impacts of this will be positive in terms of raising awareness and support to those who suffer with MND. Any changes to service delivery as a result of this will be subject to its own IIA.

(NB: This summary paragraph should be used in the relevant section of corporate report)
