Notice of Motion: Illegal Immigration Bill

This Council is appalled by the UK government's illegal immigration bill which proposes to detain and later remove anyone who arrives in the UK on a small boat. Meaning the Home Office will not consider any of their Asylum claims regardless if they have fled war or persecution for being a minority.

These people seeking sanctuary will then be deported back to the country they have fled from or a 'safe' third country. This third country could be Rwanda or another country deemed safe by UK govt but with a questionable record on human rights.

This ill-thought out and inhumane legislation will punish the most vulnerable people from across the world. Questions have been raised surrounding the legality of the Bill and whether it is compliant with the European Convention on Human Rights (ECHR) and consistent with the 1951 Refugees Convention. The Prime Minister has also

stated in writing that if you come to the UK illegally “You can’t benefit from our modern slavery protections”.

This Council also notes and condemns the dangerous and dehumanising language which has been used to support this Bill. This rhetoric cultivates and provides a platform for a culture of abuse, racism and even violence against refugees and minorities.

As a city of Sanctuary, this Council and the people of Swansea have welcomed and accepted refugees and asylum seekers. This has made the city a more interesting, diverse and tolerant city because of this.

This Council condemns the action of the UK Government in bringing forward this legislation, and calls upon the prime minister and his ministers to withdraw these egregious proposals.

We call upon the Leader of Council to write to the prime minister in the strongest possible terms to outline our concerns.

We would also request the Leader of the council to write to Swansea City of Sanctuary to reaffirm the Council’s support for the work they do.

The Brexit Risk to our Rights - The Retained EU Law Bill

So far, leaving the European Union has harmed our national standing in the world, cost our economy billions in lost trade and created uncertainty and paperwork for citizens and businesses across the UK. 65% of the British public think that the Conservative Government is handling Brexit badly.

The Retained EU Law Bill will give Government Ministers the ability to pick and choose which EU rules they will keep and which to scrap. This includes basic, but hard-fought, protections such as health and safety at work, disability protections and maternity rights. This risks causing further harm at a time of economic difficulty for many by ripping up 4,000 basic rights and protections with minimal parliamentary scrutiny and locking into the UK statute books the Conservative obsession with deregulation at all costs. It is particularly concerning to see attempts to sideline the sovereignty of Parliament at a time when there seems to be a new scandal involving UK Government Ministers every week, undermining public trust and confidence in our leaders to do what is in their best interests.

Like communities across the UK, Swansea is deeply affected by the cost of living crisis, with people living evermore precariously. The Government's priority at this time must be to secure economic prosperity, and prevent any further harm being done by those who wish to use Brexit as an opportunity to weaken hard fought rights and protections.

Therefore, this Council:

- urges the Government to rethink sunseting EU laws through the Retained EU Law Bill.
- calls on the UK Government to make a commitment to uphold all existing rights and protections afforded to us in EU legislation.
- asks the Leader to write to the Prime Minister outlining this Council's steadfast opposition to his Government's regular attacks on fundamental human rights.
- asks the Leader to also write to the Leader of the Opposition in Westminster, seeking assurance that as the Bill makes its way through Parliament, every step will be taken to fight this outright attack on Parliamentary democracy, including through focusing public scrutiny on the rights and protections we stand to lose.
