15. Entitlement to work/immigration status for individual applicants and applications from partnerships which are not limited liability partnerships:

A licence may not be held by an individual or an individual in a partnership who is resident in the UK who:

- does not have the right to live and work in the UK; or
- is subject to a condition preventing him or her from doing work relating to the carrying on of a licensable activity.

Any premises licence issued in respect of an application made on or after 6 April 2017 will become invalid if the holder ceases to be entitled to work in the UK.

Applicants must demonstrate that they have an entitlement to work in the UK and are not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity. They do this in one of two ways: 1) by providing with this application copies or scanned copies of the documents listed below (which do not need to be certified), or 2) by providing their 'share code' to enable the licensing authority to carry out a check using the Home Office online right to work checking service (see below).

Documents which demonstrate entitlement to work in the UK

- A Certificate of Application, **less than 6 months old**, issued by the Home Office under regulation 18(3) or 20(2) of the Immigration (European Economic Area) Regulations 2016, to a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence.
- Reasonable evidence that the person has an outstanding application to vary their permission to be in the UK with the Home Office such as the Home Office acknowledgement letter or proof of postage evidence, or reasonable evidence that the person has an appeal or administrative review pending on an immigration decision, such as an appeal or administrative review reference number.

- Reasonable evidence that a person who is not a national of a European Economic Area state or Switzerland but who is a family member of such a national or who has derivative rights of residence in exercising treaty rights in the UK including:
 - evidence of the applicant’s own identity – such as a passport,

Family members of European Economic Area nationals who are studying or financially independent must also provide evidence that the European Economic Area national and any family members hold comprehensive sickness insurance in the UK. This can include a private medical insurance policy, an EHIC card or an S1, S2 or S3 form.

Original documents must not be sent to licensing authorities. If the document copied is a passport, a copy of the following pages should be provided:

- (i) any page containing the holder’s personal details including nationality;
- (ii) any page containing the holder’s photograph;
- (iii) any page containing the holder’s signature;
- (iv) any page containing the date of expiry; and
- (v) any page containing information indicating the holder has permission to enter or remain in the UK and is permitted to work.

If the document is not a passport, a copy of the whole document should be provided.

Your right to work will be checked as part of your licensing application and this could involve us checking your immigration status with the Home Office. We may otherwise share information with the Home Office. Your licence application will not be determined until you have complied with this guidance.

Home Office online right to work checking service

As an alternative to providing a copy of the documents listed above, applicants may demonstrate their right to work by allowing the licensing authority to carry out a check with the Home Office online right to work checking service.

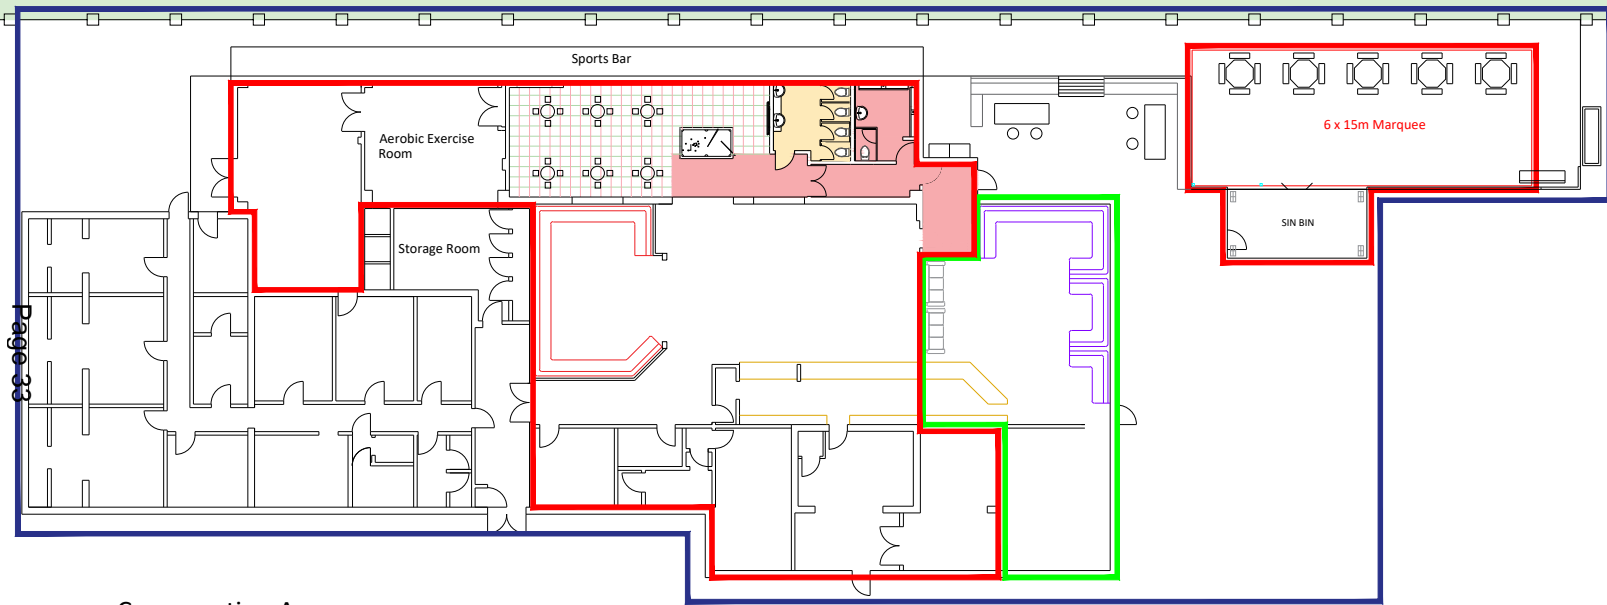

To demonstrate their right to work via the Home Office online right to work checking service, applicants should include in this application their 9-digit share code (provided to them upon accessing the service at <https://www.gov.uk/prove-right-to-work>) which, along with the applicant’s date of birth (provided within this application), will allow the licensing authority to carry out the check.

In order to establish the applicant’s right to work, the check will need to indicate that the applicant is allowed to work in the United Kingdom and is not subject to a condition preventing them from doing work relating to the carrying on of a licensable activity.

An online check will not be possible in all circumstances because not all applicants will have an immigration status that can be checked online. The Home Office online right to work

checking service sets out what information and/or documentation applicants will need in order to access the service. Applicants who are unable to obtain a share code from the service should submit copy documents as set out above.

Subject: Duvant RFC OBJECTION

I would like to submit our objection, I live in a small cul-de-sac just off broadacre the approach road to the club, on event nights at the club, we are kept awake late due to noise of music, shouting over the music, raucous behaviour when people leave the club, glasses and rubbish thrown into the gardens, the approach lane to the club is full of rubbish as you go down the hill, club never clean up, now not so visible as weeds growing over, but I can assure the mess is visible all through the winter, the club often have fires burning in the day to burn rubbish, to keep their waste costs down, often burning material that smell toxic, I have copd so this affects my breathing, also not good for our numerous wild life, we have quite a few elderly residents in the area, additional noise would affect their quality of life, parking is an issue in local roads, I have had someone park across my drive in the past, cars park on verges, where residents work hard for them to look nice, and lastly cars are often keyed or damaged in the roads leaving the club which is not acceptable.

Subject: Duvant RFC - change in premises license

We object to the new license request by Duvant RFC as we live at Broadacre & believe the licensing times at present are quite sufficient, for where the club is situated. From exiting the club, you have to either walk/drive up Broadacre, which is normally a quiet, narrow, residential street with houses, which include young families with young children, working residents ie. teachers etc and elderly residents. We hear enough noise now when there is an event on.

We know a later drinking license will allow more people to attend the club from other pubs in the Killay/Duvant area when they close at around 11pm. They will then be leaving Duvant RFC club weeknights after 12am & weekends around 1 - 1.30am. This will only cause anti-social behaviour. How are we supposed to sleep and get up for work in the morning??

There is enough noise now with loud music, loud voices whilst waiting on the corner waiting for lifts/taxis, car doors slamming & people walking up the middle of the road when there is an event on now.

When there is music playing outside at present, we cannot have a window open when we watch TV, as we cannot hear it! We don't want this to be a regular occurrence!!

Subject: Dunvant RFC, Broadacre, Killay, Swansea, SA2 7RU. Application for licence

Dear Sir/Madam,

We wish to object to the application by Dunvant RFC to extend their licensing hours based on the following concerns:

As residents of Broadacre we already experience regular displays of anti-social behaviour including noise from loud patrons with frequent shouting and swearing as they leave the premises as well as public urination in the street and bushes. There is currently littering of the street and surrounding woodland areas including broken and discarded glasses and cans and there have been reports of the vandalism of a neighbour's vehicle recently.

We also already have noise issues emanating from the Club with their current arrangements for music and an extension of these hours this will simply become an elongated noise nuisance causing forcing residents to stay indoors and sleeping difficulties.

There are already a large number of vehicles that travel to and from the Club and many of these leave the premises late at night and seem to treat the travel between the traffic calming measures in our street as an exercise in speeding up and engine revving causing further noise issues.

We would also like to say that as residents were not aware of the application and there has been no notices to indicate that the Club have applied for extended licensing hours. It was only by chance we were told of these current plans a few days ago.

Yours sincerely,

I wanted to strongly oppose the application the Dunvant RFC has submitted. They wish to have loud music and serve alcohol until 1am! This is a quiet, residential street full of families and working parents. The extra noise and disruption that will be created if these plans were to go ahead would have a huge negative effect on all of the residents of Broadacre and the surrounding roads.

Subject: Dunvant Rugby Club, Swansea SA2 7RU

To whom it may concern,

As a resident of Broadacre, I would like to state my objection to the application by Dunvant Rugby Club to extend licensing hours. My reasons are:

To prevent crime and disorder:

We already have late night disturbance, drunk people screaming and shouting in the street upon leaving the club. I think 11 pm is late enough for that at the weekend. The rugby club cannot mitigate against this happening, so it will happen and get worse since people will be even more inebriated.

To prevent public nuisance and protect children from harm:

The street is the home to people who work; I leave for work at 7.30 AM, and I don't want my sleep disturbed on a work night. I wouldn't accept that from any neighbour and THE RUGBY CLUB IS OUR NEIGHBOUR. There are 7 children under the age of 5 in the cul-de sac, and those children are entitled to a good night's sleep. If the club is open later than local pubs at the weekend, we will have people arriving and leaving after 11pm and the notion that we have very inebriated people screaming, laughing, and shouting at 2AM is completely unreasonable.

The club sits in a valley and is a natural amphitheatre. We hear everything that goes on because the sound rolls up the valley sides. People will migrate outside on warm evenings, and we will DEFINITELY be able to hear music played late into the night. I am, also, staggered to see they want to start serving alcohol at 8am. We live in a country with massive health issues related to alcohol abuse and surely, in the 21st century, a sport's club should be promoting a healthy lifestyle! The people who are making this application will in no way be inconvenienced by the disruption, since they don't live in our street. I would ask them to consider how they would feel if one of their neighbours made such an application. It really is not reasonable.

Until now, I think the relationship with between the residents of the street and the rugby club have been amicable. We don't complain about listening to the tannoy on match days and all-day during tournaments. We don't object to the fact that we can't access our homes by road when they do firework displays. We don't object to the litter, mostly bottles and cans, dropped along their driveway and in fact I occasionally pick it up. However, this application is inconsiderate, unreasonable, and un-neighbourly and I hope it is rejected.

Best regards,

Sian Thomas (resident of Broadacre)

Re Notice of application for a premises licence under section 17 of the licensing act 2003
Premises Dunvant RFC, Broadacre, Killay, SWANSEA, SA2 7RU
Applicant Dunvant RFC

I am writing to oppose the proposed extension of licensing hours at Dunvant RFC. We have been residents at the above address for nearly 40 years and have been happy living near the rugby club. We believe that the extension of the hours after 2300 hours would be inappropriate for the nearby large residential estate, due to the noise levels when people are trying to sleep. The noise from the club would be due to music and loud voices, and the noise of traffic and people talking after leaving the club. Since there is only one road in and out, everyone travels along Broadacre and Broadmead after closing time, which could be up to 2 am. The sounds from the rugby club also carry a long way since it is on the valley floor, and the hillside housing estate acts like an amphitheatre.

Yours Sincerely

Representation against the licensing application by Dunvant RFC

I have read the redacted application form submitted by Anthony Paul Parker, to change the status of the club from that of a membership club certificate to that of a general licensed premises.

I will comment on the four licensing objectives but would initially just like to outline the area the club operates in. Broadacre is a cul de sac, with the rugby club at the dead end of the road. The only other way into the premises is via the cycle path running from Gowerton to Phwill Ddu. It is highly unlikely that anyone will be exiting the club at 1am via the cycle path and so all the patrons will be leaving via Broadacre. This will mean increased vehicular traffic up until 1.30am, either private cars or taxis, causing sleep disruption as will people leaving the premises on foot. I would think the majority of licensed premises in the Swansea area sited in purely residential areas do not have only one exit route along a residential route.

Application Form Box E – the applicant has left the boxes indoor/outdoor/both unticked although they have ticked both in boxes F,G and I. I do note that in boxes E,F,G,and I they have asked for an hours extension on set days. Whilst I accept New Years Eve and Boxing Day are recognised late night drinking periods I question Xmas Eve, which in certain circumstances patrons could be drinking lawfully until 2.30am. In the above mentioned boxes the application states finishing at midnight. At the moment they are expected to finish outdoor music at 10pm. With the clubs history of not caring about local residents, I cannot see them stopping at 10pm if they don't have to, which would cause a public nuisance.

Box I...why is there any need to extend their hours into late night refreshment hours, isn't 8am to 1am long enough?

Box J...where they talk about glass drink containers being used in certain areas and not taken into other areas seems a little "pie in the sky" as glasses are often found on walls and grassed areas in Broadacre, dumped by persons leaving the club.

Box K...the rugby club has age group teams, the idea that they will send their youth team players home at 9pm is laughable, it is often youths in these age groups who cause most disturbance as they leave the club, anytime from 10pm onwards. Some evenings, they don't even make their way to the club until after 8pm!

Box M – the response to that part of the form is misleading. My neighbour had his van damaged last year, the previous year he'd had his car damaged by youths running over it across the bonnet and roof and so had installed CCTV cameras to cover the road outside his home and last year he captured the incident where an exceedingly drunk person jumped onto the bonnet of his van causing over £1500 worth of damage. The police were called and took the CCTV footage away. They went and viewed the CCTV footage in the rugby club and identified the person on the footage but the club stated they didn't know who it was, it must have been a visitor, but there were no entries in the visitors book. However, it turned out that the perpetrator was one of their star players, a Welsh U.20 international player. If the council believe that is the club engaging with the police then I will have to disagree with you. My wife and I have had minor damage caused to our vehicles in the past, but without CCTV we didn't even bother to report it to the police, as all they would do is issue a crime number and not investigate anything. The club I feel relies on the fact that because it is out of the way it never gets checked or visited but the police or licensing dept.

The statement of no unsupervised U.18s after 9pm is such a ridiculous offering, who will they count as supervision, club members? 18 year olds supervising 15-17 year olds? They rely on no-one checking. How many times have the licensing dept checked on the club in the last 3 years, and was it checked by an independent person or someone who has a connection to the club?

Do you really think drunk persons pay any attention to notices near exits asking them to leave in an orderly fashion? We don't have problems with people who are not drunk, but we regularly find glasses, cans and other rubbish in our garden, on the grass verges along Broadacre, so the statement regarding not giving glasses outside in certain areas is again unworkable, they just don't have persons monitoring the situation. I would be very surprised if there has ever been a situation where the club has refused to sell alcohol, as every weekend I see drunken people walking up the street from the club. (And before you say how do I know, for 30 years I was treated as an expert on drunkenness, I would give evidence in court on a persons' drunken state, as I was a serving police officer.)

Their statement regarding challenge 21, the club's youth players are often seen leaving the club, the worse the wear from drink, not all the youth players are 18 yrs old. It is those players who are the noisiest leaving the club in groups who go up the road shouting and on some occasions partially clothed.

Lastly, in relation to crime/disorder and abiding to their certificate. I contacted the council during the COVID 19 pandemic, questioning the action of the club. They had been identified as a hotspot for COVID following a funeral when the mourners went back to the rugby club and drank. I walked through the club on route to the cycle path on that day and there was no social spacing being practiced whatsoever. I also queried how they were able to open an outside bar – the "Sin Bin" and put advertising boards on the cycle path inviting members of the public to call in for a drink. I felt this was not complying with the terms of their certificate, the person I spoke to in the licensing dept agreed with me but the club was not told to shut it down (or if they were they certainly didn't), showing a disregard for the licensing regulations.

The chairman of the club, when approached about certain behaviours of persons leaving the club responded by saying, "It's your fault for buying a house close to a rugby club!"

It is this attitude, which worries me most about this application, the club are not resident friendly, they can't control their membership, so how on earth will they control strangers. They have a money making strategy (all rugby clubs need to generate funds) so I fully expect if this application is successful they will try to fill the club with events 52 weeks of the year to generate the maximum amount of money they can, regardless of the impact to the local community.

To that end I would respectfully ask that you refuse this application as it stands and put more limitations on the hours and events they can run, if you chose to accept the application in principle.

Subject: Fw: Objection to variation of licence Dunvant RFC

Please find our objections to the application of variation of licence to Dunvant RFC. Over the years residents have had to put up with late night noise, rubbish, and general anti-social behaviour. We have recently had to have the speed bumps heightened to stop cars speeding up Broadacre, indiscriminate parking causing residents being unable to access their properties. Cars not stopping coming out of the club onto Broadacre causing concern for children. We have had to arrange to have Stop signage painted on the road.

As this is a cul de sac the effect on residents is greater than a normal road. Noise coming from people leaving the club late at night causing working residents and children disturbed nights.

We hope this suffices.

Thanks

Good morning,

I wanted to email to express approval for this. Dunvant rugby club has become an integral part of my children's lives. It's such a great place for families where children are always at the forefront of everything they do. The kids have parties there regularly and they all love it. The kids have a safe space to congregate which I'm sure local residents would rather them be than hanging around the streets Kind regards.

Having been brought up living on Broadmead as child to now living on Broadmead with my own family I can't stress enough how much the rugby club helps the local community and brings everyone together. The club has always been a massive part of Killay/Dunvant but in recent years after covid, events such as the rugby festival and DFest give all of us local people something to enjoy and look forward to. These events are brilliantly run and are always advertised online/social media and locally. Traffic can be an issue, but this is normally down to lack of common sense by a few irresponsible drivers.

Therefor this license change will help future events be just as or even more successful
