Amended Plan 4SPC/003Rev B has been received 2 June 2014 which shows an obscurely glazed bathroom window to the rear in place of a bedroom window within the 2 storey side extension. This has removed the unacceptable overlooking impact and as such the reason for refusal No 2, has been overcome and can be deleted.

The revised plan also shows a small set down of the 2 storey extension by 0.5m, however, this is not sufficient to overcome the reason for refusal No 1 and as such the reason for refusal still stands
