Amendment 1

Councillor C A Holley proposed an amendment. The amendment was seconded by Councillor E W Fitzgerald. The amendment being:

- "i) Increase the amount of money saved from 3rd Party spend from £3,000,000 to £8,000,000. This addition means less than a 5% cut in budget of over £130 million.
- ii) Cut Council Tax to 3.5% at a cost of £1.3 million.
- iii) As you see from above we could then put a net £3.7 million back into school delegated budgets negating almost all of the proposed reductions (about 75% of the reduction)."

The Leader of the Council asked the Section 151 Officer whether the proposed budget amendment by the Leader of the Largest Opposition Political Group Leader was valid. The Section 151 Officer stated that whilst he supported that the amendment be debated at Council, he was not in a position to recommend its adoption to Council on the basis that it would produce a significant element of risk to the Revenue Budget 2015-2016. The risk being that the savings suggested, when added to the proposals recommended by Cabinet, would result in an overall unallocated savings target of £8m within the Revenue Budget 2015-2016.

In accordance with Council Procedure Rule 30 "Voting" a recorded vote was requested. The voting on the amendment was recorded as follows:

190. ANNOUNCEMENTS OF THE PRESIDING MEMBER.

1) Condolences

a) Former Councillor John Fredrick Kingdom (CBE / JP)

The Presiding Member referred with sadness to the recent death of former Councillor Fred Kingdom. Fred Kingdom was a former Leader of the West Glamorgan County Council.

b) Former Councillor John Martin

The Presiding Member referred with sadness to the recent death of former Councillor John Martin. John Martin was a former Mayor of the Lliw Valley Borough Council.

c) Brian Burford aka 'Tea Cosy Pete'

The Presiding Member referred with sadness to the recent death of Brian Burford. Brian Burford was a homeless man in Swansea affectionately known as 'Tea Cosy Pete'. Brian Burford, died of a stroke in January, and was a familiar face to many of us having lived on our city centre streets.

Brian Burford, once a school friend of former Archbishop of Canterbury Dr Rowan Williams, became well-known in Swansea after walking 12 miles to Kittle, Gower in the rain to return a lost wallet containing hundreds of pounds. Not a single penny was missing and the "gentleman of the road" refused any reward from its stunned owner. That act of kindness was never forgotten; prompting saddened locals to dig deep and ensure the popular tramp did not have a pauper's funeral.

d) Tragedy at Lansdown Lane, Bath

The Presiding Member referred with sadness to the recent tragic deaths at Lansdown Lane, Bath last month. Four people Phil Allen (Loughor), Stephen Vaughan (Penyrheol), Robert Parker (Cwmbran) and four year old Mitzi Rosanna Steady (Bath) died following a tragic accident.

e) Angela Carruthers, Wife of Former Councillor Gordon Carruthers

The Presiding Member referred with sadness to the recent death of Angela Carruthers, wife of former Councillor Gordon Carruthers.

All present were asked to stand as a mark of respect and sympathy.

2) Purple Flag

The Presiding Member stated that Swansea had been awarded the prestigious Purple Flag. The Purple Flag represents accreditation by the Association of Town Centre Managers to a nationally recognised standard of

excellence in the management of city centres at night. It is similar to the Blue Flag for Beaches and Green Flag for parks, and is backed by UK Government, police and businesses.

Swansea is the only city in Wales to hold the Purple Flag, and one of very few places in the UK to hold all three flags. The flag will be flown proudly by this Authority.

The award comes as a result of a long period of effective collaboration between agencies and individuals, and is clear evidence of the high standards achieved. It is clear confirmation of Swansea's status as vibrant, safe and well managed place to visit at night, with a diversity of cultural and leisure attractions, good transport links and customer care.

Councillor Mark Child, Sarah Crawley, Head of Poverty and Prevention (Chair of the Purple Flag Group), Lisa Wells (City Centre Manager), Bruno Nunez (Night Time Economy Licensee) and Jeff Davison, Strategic Manager, Community Safety (Purple Flag Co-ordinator) were present to receive the award.

3) Retirements

The Presiding Member stated that five well-known members of staff were retiring from the Authority in the coming weeks. Jane Tinker (Democratic Services), Nigel Havard, Janet Hooper and Mike Workman (Legal) along with Gerald Morris (Grand Theatre). Between them they've given over 150 years of service to the City. He thanked them for their commitment and wished them well for the years ahead.

191. ANNOUNCEMENTS OF THE LEADER OF THE COUNCIL.

1) Relocation to the Guildhall

The Leader of the Council thanked all involved in the arrangements for the successful relocation to the Guildhall.

2) Signing of Pledge with University of Wales Trinity Saint David

The Leader of the Council stated that the Authority had recently signed a pledge with the University of Wales Trinity Saint David in order to demonstrate a commitment to a future vision of the Swansea Bay City Region as a centre of enterprise and innovation.

It is hoped that the pledge will strengthen the partnership for the benefit of the city and the region as a whole. The agreement to work together in key areas aims to boost the prosperity of the region by attracting jobs to the county, by encouraging economic growth, and by developing skills and ideas among the area's workforce as well as its future generations.

Swansea is an academic hub with two exceptional higher education institutions, which are key to fuelling the development of a vision we all share of Swansea and the Swansea Bay City Region as a science, technology and creative capital. This kind of knowledge-based economy will both bring in investment and talent, as well as nurturing home-grown talent and kick-starting the careers of future generations.

3) Clocks across the City

The Leader of the Council stated that the Authority was nearing agreement for a new contract relating to the winding and maintenance of the City's clocks.

4) Leader of the Largest Opposition Political Groups Letter to Head Teachers

The Leader of the Council referred to a letter which the Leader of the Largest Opposition Political Group had sent to all Head Teachers in Swansea. The letter referred to the amendment proposed at the Extraordinary Council held on 24 February 2015 by the Opposition Leader in relation to the Revenue Budget 2015-2016. He stated that the letter omitted the fact that the Section 151 Officer had stated that he could not recommend the amendment for adoption due to the significant element of risk associated with it; which would result in an overall unallocated savings target of £8m within the Revenue Budget 2015-2016.

He stated that he would be writing out to all Head Teachers correcting this omission.

The Head of Economic Regeneration and Planning submitted a report which sought to determine Planning Application 2014/1067, Construction of 4 Retail Units at Cross Marble and Stone Ltd., Gorseinon Road, Gorseinon.

He stated that the Planning Application was initially reported to Planning Committee on 20 January 2015 with a recommendation for refusal; however the Committee voted against the Officers recommendations and that the application be referred to Council with the recommendation that it be approved on grounds that it would result in the redevelopment of an unsightly brown field site and that it would not have a detrimental impact upon the Gorseinon District Shopping Centre.

Council - 31 March 2015

PAY POLICY 2015/2016

1. INTRODUCTION

- 1.1 The Localism Act 2011 required the Authority to prepare a Pay Policy Statement which articulates its Policy towards a range of issues relating to the pay of its workforce, particularly senior staff and the lowest paid employees.
- 1.2 The statement must be;
 - a) Prepared each year
 - b) Approved by full Council
 - c) Published on the Authority's website
- 1.3 The Pay Policy 2015/16 is attached as Appendix 1. The content is broadly in line with previous years with the addition of the issues outlined in paragraphs 2 and 3 of this report.

2. NJC PAY AWARD

2.1 The National Joint Council agreed a pay award with the National Trade Unions for the period 1st January 2015 to 31st March 2016 which consisted of the following:

2.2% increase payable from 1st January 2015 which covers the pay years 2014/15 and 2015/2016

Non-consolidated payments to be paid in December 2014 (SCPs 5 to 49 only) and in April 2015 (SCPs 26 to 49 only). Both of these payments were paid in December 2014 and on a pro rata basis for part time staff.

that Spinal Column Point 5 (SCP5) be deleted with effect from 1st October 2015. Therefore, employees on SCP5 would progress to SCP6 on 1 October 2015. (This did not affect Swansea employees as we pay above SCP 5.)

- 2.2 The majority of Council employees are employed under NJC terms and conditions with the exception of Chief Officers, Teachers and Soulbury employees.
- 2.3 Cabinet at their meeting on 16th December 2014 approved the pay award for NJC staff which has now been implemented.

3. JNC FOR CHIEF OFFICERS

3.1 Recent Welsh Government amendments to the Local Authorities (Standing Orders) (Wales) Regulations 2006 effective from 1st July 2014 introduced a new requirement that:

"The relevant Authority must determine the level, and any change in the level, of the remuneration to be paid to a chief officer"

- 3.2 The impact of this amendment is that *all* changes to Chief Officers' pay must be voted on by Full Council, not just those which are determined locally. This includes any pay rises which have been nationally negotiated by the JNC for Chief Officers and these now cannot be paid, unless and until, they have been agreed by Full Council.
- 3.3 As the Chief Officers of this authority are employed under JNC terms and conditions which are incorporated into their contracts of employment, they will be contractually entitled to any JNC pay rises and a decision to withhold payment (unless preceded by action to effect appropriate changes to contracts) could result in claims against the authority of 'unlawful deduction from wages' or 'breach of contract'.
- 3.4 Clearly seeking Full Council's determination to pay JNC nationally agreed pay rises at the time they agreed is likely to cause delay in their payment. The WLGA has therefore pursued this matter with Welsh Government on behalf of Councils in order to seek a pragmatic solution. As a result it has been agreed that the requirement that Full Council must determine nationally agreed contractually entitled pay rises for Chief Officers can be met by Full Council voting to on an appropriate resolution to insert a suitable clause in their Pay Policy Statements to cover this issue.
- 3.5 This report is therefore presented to enable this Authority to meet this new requirement as outlined.
- 3.6 Should the Council at any time decide that it does not wish to implement nationally negotiated JNC pay increases then that would need to be a decision of Full Council, and the Pay Policy Statement would need to be amended again to reflect that decision.
- 3.7 In light of the issues outlined in above, the recommendation is that Council resolves to amend the Authority's Pay Policy Statement to include the following paragraph:

'The Council employs Chief Officers under JNC terms and conditions which are incorporated in their contracts. The JNC for Chief Officers negotiates on national (UK) annual cost of living pay increases for this group, and any award of same is determined on this basis. Chief Officers employed under JNC terms and conditions are contractually entitled to any national JNC determined pay rises and this council will therefore pay these as and when determined in accordance with current contractual requirements.'

- 3.8 Whilst the above is advice from the WLGA in respect of the pay award for JNC officers, it is also recommended that Council take the same position in respect of NJC employees and those employed under Soulbury terms and similar paragraphs have been included in the Pay Policy.
- 3.9 Agreement has been reached on rates of pay for Chief Officers, i.e. two per cent on guaranteed FTE basic salary of £99,999 or less [as at 31st December 2014] with effect from 1st January 2015. The offer covers the period to 31st March 2016.
- 3.10 The guaranteed FTE basic salary should exclude other separately identified payments such as Returning Officer fees etc.
- 3.11 The offer applies only to those employees whose guaranteed FTE basic salary is £99,999 or less at 31st December 2014. The offer does not apply to the first £99,999 of salaries of £100,000 or more.

4. SOULBURY

4.1 The Soulbury Union's Pay Claim has been agreed and is 2.2% increase payable from 1st March 2015 until 31st August 2016.

5. PROCESS

- 5.1 The Policy has been placed on the agenda for Council on 31st March 2015.
- 5.2 In previous years, the Head of HR & OD of the City & County of Swansea has presented the Pay Policy at Council. However, in view of the proposed changes outlined in Paragraph 3 above, it could be perceived that there is a conflict of interest. Therefore, I have been asked to present the Policy on behalf of the City & County of Swansea. It should be noted that other Authorities in Wales are also doing this.

6. INDEPENDENT ADVICE

- 6.1 I have reviewed the contents of the enclosed Pay Policy Statement 2015 /2016 and I am satisfied that the contents of this statement comply with the requirements of the Localism Act 2011.
- 6.2 I am satisfied that the proposal to amend the Pay Policy Statement to enable the implementation of nationally negotiated JNC, NJC for Chief Officers and Soulbury pay awards as and when determined is appropriate, taking into account contractual entitlements.

7. FINANCIAL IMPLICATIONS

7.1 The costs arising from the Council's Pay Policy Statement are reflected in the 2015/2016 Budget.

8. LEGAL IMPLICATIONS

8.1 All of the Legal implications have been set out in the Policy.

9. EQUALITIES AND ENGAGEMENT IMPLICATIONS

- 9.1 Equalities and engagement considerations have been made in accordance with the Authority's Equality Impact Assessment process (and the undertakings of Northgate in respect of the proposed pay model).
- 9.2 There are no adverse equality implications arising from the changes outlined.

10. RECOMMENDATION

- 10.1 That Council approve
 - a) the Pay Policy 2015/2016
 - b) the pay offer for Chief Officers as outlined in paragraph 3.9 above.
 - c) that any future pay increases for JNC, NJC and Soulbury Staff be implemented as and when they arise.

1. INTRODUCTION AND PURPOSE

- 1.1 Under Section 112 of the Local Government Act 1972 the Council has 'the power to appoint officers on such reasonable terms and conditions as the Authority thinks fit'. This Pay Policy statement sets out the Council's approach to Pay Policy in accordance with the requirements of 38 (1) of the Localism Act 2011 which requires English and Welsh Local Authorities to produce and publish a Pay Policy Statement for each financial year, detailing:
 - a) The Authority's Policies towards all aspects and elements of the remuneration of Chief Officers
 - b) Their approach to the publication of and access to information relating to all aspects of the remuneration of Chief Officers
 - c) The Authority's Policies towards the remuneration of its lowest paid employees (including the definition adopted and reasons for it)
 - d) The relationship between the remuneration of its Chief Officers and other employees.
- 1.2 Local Authorities are large complex organisations with multi-million pound budgets. They have a very wide range of functions and provide and/or commission a wide range of essential services. The general approach to remuneration levels may therefore differ from one group of employees to another to reflect specific circumstances at a local, Welsh or UK national level. It will also need to be flexible when required to address a variety of changing circumstances whether foreseeable or not.
- 1.3 The global economic crisis and the reduction in budgets during the current Comprehensive Spending Review (CSR) period has necessitated councils going through unprecedented and painful cuts in jobs and services in response. This process has avoided some of the potential financial difficulties for councils but has been essentially reactive, and will require ongoing strategic review going forward.
- 1.4 As required by legislation, full Council approved the Pay Policy in 2012 and this policy statement came into immediate effect. The Policy is subject to review on a minimum of an annual basis in accordance with the relevant legislation prevailing at that time and this was last undertaken in March 2014.

2. LEGISLATIVE FRAMEWORK

- 2.1 In determining the pay and remuneration of all of its employees, the Council will comply with all relevant employment legislation. This includes the
 - a) Equality Act 2010
 - b) Part Time Employment (Prevention of Less Favourable Treatment) Regulations 2000
 - c) Agency Workers Regulations 2010 and where relevant, the
 - d) Transfer of Undertakings (Protection of Earnings) Regulations

3. SCOPE OF THE PAY POLICY

- 3.1 The Localism Act 2011 required Authorities to develop and make public their Pay Policy on all aspects of Chief Officer Remuneration (including on ceasing to hold office), and that pertaining to the 'lowest paid' in the Authority, explaining their Policy on the relationship between remuneration for Chief Officers and other groups. However, in the interests of transparency and accountability the Council has chosen to take a broader approach and produce a Policy covering all employee groups with the exception of School Teachers (as the remuneration for this latter group is set by the Secretary of State and therefore not in Local Authority control).
- 3.2 Nothing within the provisions of the Localism Act 2011 detract from the Council's autonomy in making decisions on pay that are appropriate to local circumstances and which deliver value for money for local tax payers. However, this Policy will be complied with in setting remuneration levels for all groups within its scope.

4. BROAD PRINCIPLES OF OUR PAY STRATEGY

4.1 Transparency, accountability and value for money

- 4.1.1 The Council is committed to an open and transparent approach to pay policy which will enable the tax payer to access, understand and assess information on remuneration levels across all groups of council employees. To this end the following are provided as Appendices to this policy:
 - i) City & County of Swansea Employee Pay Scales, Local Government Services Employees (Annex A)
 - ii) City & County of Swansea Chief Officer Pay Scales (Annex B)
 - iii) National Pay Grades Soulbury (Annex C)
 - iv) JNC Chief Officer Terms and Conditions (available upon request from Human Resources)
 - v) JNC Chief Officer Employment Rules (as per Council Constitution) (http://www.swansea.gov.uk/index.cfm?articleid=1758?Lang=eng)
 - iii) Policy on Redundancy and Severance Payments (including additional pension payments) http://staffnet/index.cfm?articleid=36477

4.2 Development of Pay and Reward Strategy

- 4.2.1 The primary aim of a reward strategy is to attract, retain and motivate suitably skilled staff so that the Authority can perform at its best. The biggest challenge for the Council in the current circumstances is to maximise productivity and efficiency within current resources. Pay Policy then is a matter of striking a sometimes difficult balance between setting remuneration levels at appropriate levels to facilitate a sufficient supply of appropriately skilled individuals to fill the Authority's very wide range of posts, and ensuring that the burden on the taxpayer does not become greater than can be fully and objectively justified.
- 4.2.2 In this context it does need to be recognised that at the more senior grades in particular remuneration levels need to enable the attraction of a suitably wide pool of talent (which will ideally include people from the private as well as public sector and from outside as well as within Wales), and the retention of suitably skilled and qualified individuals once in post. It must be recognised that the Council will often be seeking to recruit in competition with other good public and private sector employers.
- 4.2.3 In addition, the Council is the major employer in the area. As such we must have regard to our role in improving the economic well-being of the people of the City & County. The availability of good quality employment on reasonable terms and conditions and fair rates of pay has a beneficial impact on the quality of life in the community as well as on the local economy. The Council also has a role in setting a benchmark example on pay and conditions to other employers in the area for the same reasons.
- 4.2.4 In designing, developing and reviewing its Pay and Reward Strategy, the Council will seek to balance these factors appropriately to maximise outcomes for the organisation and the community it serves, while managing pay costs appropriately and maintaining sufficient flexibility to meet future needs. This Pay Policy will be reviewed on an annual basis in line with our strategy for pay and approved annually by the Full Council.

4.3 NJC Pay Structure

- 4.3.1 The Council uses the nationally negotiated pay spine as the basis for its grading structure. This determines the salaries of the larger majority of the non-teaching workforce, together with the use of other nationally defined rates where relevant.
- 4.3.2 The National Joint Council agreed a pay award with the National Trade Unions for the period 1st January 2015 to 31st March 2016 which consisted of the following:
 - 2.2% increase payable from 1st January 2015 which covers the pay years 2014/15 and 2015/2016 (See **Annex A**).

Non-consolidated payments to be paid in December 2014 (SCPs 5 to 49 only) and in April 2015 (SCPs 26 to 49 only) (See **Annex B**). These payments were paid on a pro rata basis for part time staff.

that Spinal Column Point 5 (SCP5) be deleted with effect from 1st October 2015. Therefore, employees on SCP5 would progress to SCP6 on 1 October 2015. (This did not affect Swansea employees as we pay above SCP 5.)

- 4.3.3 Cabinet at its meeting held on 16th December 2014 considered and accepted the pay award.
- 4.3.5 Cabinet also in agreed to apply the pay increase to the living wage increasing it from £7.45 per hour to £7.61 per year.
- 4.3.6 Since the introduction of the Living Wage, see Paragraph 4.5, spinal column points 6 to 10 are only utilised to calculate pay for hours worked over 37 per week.
- 4.3.7 All other pay related allowances are the subject of either nationally or locally negotiated rates, having been determined from time to time in accordance with collective bargaining machinery and/or as determined by Council Policy.
- 4.3.8 New appointments will normally be made at the minimum of the relevant grade, although this can be varied where necessary to secure the best candidate.
- 4.3.9 All future pay nationally negotiated pay increases for NJC staff will follow the same process as for Chief Officers; see Paragraph 5.5.1 below. The Authority will therefore pay future pay rises as and when determined in accordance with contractual requirements.

4.4 National Pay Grades - Soulbury Committee

- 4.4.1 The Soulbury Committee has its own pay scales and includes the following groups of staff:-
 - Educational Inspectors and Advisers
 - Educational Psychologists
 - Youth and Community Service Officers
- 4.4.2 In addition to the annual pay increase, the Soulbury Committee determines the national salary framework. On other conditions of service issues, the Soulbury agreement ensures that Soulbury officers have conditions which are not less favourable than other local government staff employed in the authority they work in.
- 4.4.3 All future pay nationally negotiated pay increases for Soulbury staff will follow the same process as for Chief Officers; see Paragraph 5.5.1 below. The Authority will therefore pay future pay rises as and when determined in accordance with contractual requirements.
- 4.4.4 The recent pay award for this group of staff has been confirmed as a 2.2% increase payable from 1st March 2015 and until 31st August 2016, attached at **Annex C**.

4.5 Job Evaluation

- 4.5.1 Job evaluation is a systematic way of determining the value/worth of a job in relation to other jobs within an organisation. It aims to make a systematic comparison between jobs to assess their relative worth for the purpose of establishing a rational pay structure and pay equity between jobs.
- 4.5.2 The Council implemented Single Status for all staff in terms of Pay & Grading and Terms & Conditions on 1st April 2014. The concept of equality was central to this work and our Equality Impact Assessment (EIA) process has been utilised throughout. It has already informed the Council's negotiating position in relation to a number of Terms and Conditions. The Council engaged Northgate to assist us to carry out an EIA in respect of our new pay model.

4.6 Living Wage

- 4.6.1 The concept of a Living Wage is used to describe an acceptable hourly rate deemed 'fair' for the work done which is enough to allow the individual or household to live an acceptable life.
- 4.6.2 The Council implemented the Living Wage for employees in April 2013 at £7.45 per hour. This resulted in us amending our Pay Model so that Spinal Column Point 10 was increased to £14,374 p.a. (£7.45 per hour) from the nationally agreed rate of £14,013 p.a.
- 4.6.3 Whilst the Council is not an 'Accredited Living Wage Employer' a commitment was made to review this on an annual basis.
- 4.6.4 The Living Wage rate increased nationally in November 2013 to £7.65 and in November 2014 to £7.85; however there was no subsequent increase within the Council.
- 4.6.5 Cabinet at its meeting approved the recommendation that the award of 2.2% should also be applied to Swansea's Living Wage rate taking the annual salary to £14,689 (£7.61 per hour).
- 4.6.6 Living Wage enhancements only apply to normal working hours (up to 37 hours) and are not applied to premium payments, such as overtime, weekend working. An example would be where an employee is on Grade 1 (Living Wage), they would receive £7.61 for all basic hours up to 37 hours per week. However, if they work overtime, they will be paid at the appropriate enhanced rate on spinal column point 6. An employee on Grade 2 would be paid at the appropriate enhanced rate on spinal column point 10.
- 4.6.7 Whilst Swansea is not formally a Living Wage Employer, its minimum hourly rate of £7.61 per hour is significantly above the minimum local government hourly rate of £7.06.

4.7 Market Supplements

- 4.7.1 Job evaluation has enabled the Council to set appropriate remuneration levels based on internal job size relativities within the council. However, from time to time it may be necessary to take account of the external pay market in order to attract and retain employees with particular experience, skills and capacity.
- 4.7.2 The Council has a Market Supplement Policy to ensure that the requirement for such is objectively justified by reference to clear and transparent evidence of relevant market comparators, using appropriate data sources available from within and outside the local government sector. It is the Council's policy that any such additional payments be kept to a minimum and be reviewed on a regular basis so that they can be withdrawn where no longer considered necessary.

4.8 Honoraria

4.8.1 There may be occasions when an employee is asked to carry out additional duties to those of their substantive post for a period of time. In such circumstances an additional payment may be made in line with the Council's policy on Payment of Honoraria.

4.9 Pay and Performance

- 4.9.1 The Council expects high levels of performance from all employees and has an Annual Appraisal Scheme in place to monitor, evaluate and manage performance on an ongoing basis.
- 4.9.2 For Chief Officers, the annual increment (if not already at top of scale) is only awarded once the Annual Appraisal has been deemed as satisfactory.

5. CHIEF OFFICER REMUNERATION

5.1 Definitions of Chief Officer & Pay Levels

- 5.1.1 For the purposes of this statement, 'Chief Officers' are as defined within S43 of the Localism Act. The posts falling within the statutory definition of S43 of the Localism Act are set out below: (details of the salary of each are included at Appendix C).
 - a) Chief Executive
 - b) Corporate Directors
 - c) Chief Officers
 - d) Heads of Service
- 5.1.2 No bonus or performance related pay mechanism is applicable to Chief Officers' pay; although the annual increment (if not already at top of scale) is only awarded once the Annual Appraisal has been deemed as satisfactory. The Chief Executive is on a spot salary, with no incremental progression.

5.1.3 In respect of the nationally agreed JNC Pay Award for the Chief Executive's salary, half is afforded automatically with the other half subject to the performance rating at the Annual Performance Appraisal. It should be noted that there has been no JNC national Pay Award since 2008 and that the current Chief Executive has been appointed on a spot salary of £140,000 p.a. with no incremental progression.

5.2 Chief Officer Job Evaluation

5.2.1 Director and Head of Service level posts were job evaluated in 2009 using the GLEA Job Evaluation Scheme for Chief Officers in Local Government (1993).

5.3 Recruitment of Chief Officers

- 5.3.1 The Council's Policy and Procedures with regard to recruitment of Chief Officers is contained within the Officer Employment Procedure Rules as set out in Part 4 of the Constitution. The determination of the remuneration to be offered to any newly appointed Chief Officer will be in accordance with the pay structure and relevant policies in place at the time of recruitment.
- 5.3.2 There is a requirement under the Welsh Government Regulations that all vacant posts with a salary of over £100,000 are publicly advertised. The only exception to this new rule is where the appointment is for 12 months or less. It is also possible to divide up the duties from one deleted Chief Officer posts between other existing postholders.
- 5.3.3 Where the Council remains unable to recruit Chief Officers under a contract of service, or there is a need for interim support to provide cover for a vacant substantive Chief Officer post, the Council will, where necessary, consider and utilise engaging individuals under 'contracts for service'. These will be sourced through a relevant procurement process ensuring the Council is able to demonstrate the maximum value for money benefits from competition in securing the relevant service. The Council does not currently have any Chief Officers engaged under such arrangements.

5.4 Additions to Salary of Chief Officers

- 5.4.1. The Council does not apply any bonuses or performance related pay to its Chief Officers. However, the annual increment (if not already at top of scale) is only awarded once the annual appraisal has been deemed as satisfactory.
- 5.4.2 The Council does pay all reasonable travel and subsistence expenses on production of receipts and in accordance with JNC conditions and other local conditions.
- 5.4.3. The cost of membership of one professional body is met by the Authority if it is deemed an essential requirement of the post.
- 5.4.4. The Chief Executive's salary and Job Description include his role as Returning Officer for Local Government Elections. All other Elections and referenda are not included and are covered by the JNC Terms and Conditions of Employment.

5.5 Pay Increases - Chief Officers

- 5.5.1 The Council employs Chief Officers under JNC terms and conditions which are incorporated in their contracts. The JNC for Chief Officers negotiates on national (UK) annual cost of living pay increases for this group, and any award of same is determined on this basis. Chief Officers employed under JNC terms and conditions are contractually entitled to any national JNC determined pay rises and this Council will therefore pay these as and when determined in accordance with current contractual requirements.
- 5.5.2 The Chief Officers' Pay Award was agreed on the basis of 2% per cent on guaranteed FTE basic salary of £99,000 or less as at 31st December 2014 with effect from 1st January 2015. The offer covers the period to 31st March 2016.
- 5.5.3 The offer applies only to those employees whose guaranteed FTE basic salary is £99,999 or less at 31st December 2014. The offer does not apply to the first £99,999 of salaries of £100,000 or more.
- 5.5.4 The guaranteed FTE basic salary excludes other separately identified payments such as Returning Officer fees etc.
- 5.5.5 The current Pay Scale for this group of staff is attached at **Annex D**.
- 5.5.6 Cabinet at its meeting on 17th March 2015 were asked to consider and accept the pay proposed pay award.

5.5 Payments on Termination

- 5.5.1 The Council's approach to statutory and discretionary payments on termination of employment of Chief Officers (and all other employees), prior to reaching normal retirement age, is set out within its Early Retirement & Redundancy Policy in accordance with Regulations 5 and 6 of the Local Government (Early Termination of Employment) Compensation) Regulations 2006. This is in respect of a redundancy payment being based on actual weekly earnings (Regulation 5) and when an enhanced redundancy payment of up to 45 weeks pay would be granted (Regulation 6). Regulations 12 and 13 of the Local Government Pension Scheme (Benefits, Membership and Contribution) Regulations 2007 do not apply as the Authority does not increase the total membership of active members (Regulation 12) or award additional pension (Regulation 13).
- 5.5.2 Any other payments falling outside the provisions or the relevant periods of contractual notice shall be subject to a formal decision made by the Chief Executive and Leader of the Council or relevant Elected Members, Committee or Panel of Elected Members with delegated authority to approve such payments.
- 5.5.3 The Authority will comply with the Welsh Government's guidance that full Council should be given the opportunity to vote before large severance packages beyond a particular threshold are approved for staff leaving the

organisation. The guidance states that "as with salaries on appointment, the Welsh Ministers consider £100,000 is the right level for that threshold to be set. Members must be made aware of any statutory or contractual entitlements due to the employee and the consequences of a non-approval by Council, in which failure to fulfill the statutory or contractual obligations may enable the employee to claim damages for breach of contract".

- 5.5.4. When calculating the value of a severance package, the following payments should include the following items:
 - a) salary paid in lieu of notice
 - b) lump sum redundancy/severance payment
 - c) cost to the Authority of any pension enhancements (i.e. additional years or receives an unabated pension on early retirement)

6. TEACHERS' PAY POLICY

- 6.1.1 The Teachers Pay Policy provides a framework for making decisions on Teachers' pay. It has been developed to comply with the requirements of the School Teachers' Pay and Conditions Document (STPCD) and has been the subject of consultation with ASCL, ATL, NAHT, NASUWT, NUT AND UCAC.
- 6.1.2 A revised Policy will be provided to all schools within the Authority with a recommendation that the Governing Body adopt it.

7. PUBLICATION

- 7.1 Upon approval by the full Council, this statement will be published on the Council's Website. In addition, for posts where the full time equivalent salary is at least £60,000, as required under the Accounts and Audit (Wales) (Amendment) Regulations 2010, the Councils Annual Statement of Accounts will include a note setting out the total amount of:
 - a) salary, fees or allowances paid to or receivable by the person in the current and previous year;
 - b) any bonuses so paid or receivable by the person in the current and previous year;
 - c) any sums payable by way of expenses allowance that are chargeable to UK income tax:
 - d) any compensation for loss of employment and any other payments connected with termination:
 - e) any benefits received that do not fall within the above

8. PAY RELATIVITIES WITHIN THE AUTHORITY

- 8.1 The lowest paid persons employed under a Contract of Employment with the Council are employed on full time [37 hours] equivalent salaries in accordance with the minimum spinal column point currently in use within the Council's grading structure. As at 1st January 2015, this is £14,689 per annum, i.e. Swansea's Living Wage rate. The Council employs Apprentices [and other such Trainees] who are not included within the definition of 'lowest paid employees' as they are not employed under Contracts of Employment.
- 8.2 The relationship between the rate of pay for the lowest paid and Chief Officers is determined by the processes used for determining pay and grading structures as set out earlier in this Policy Statement.
- 8.3 The statutory guidance under the Localism Act recommends the use of pay multiples as a means of measuring the relationship between pay rates across the workforce and that of senior managers, as included within the Hutton 'Review of Fair Pay in the Public Sector' (2010). The Hutton Report was asked by Government to explore the case for a fixed limit on dispersion of pay through a requirement that no public sector manager can earn more than 20 times the lowest paid person in the organisation. The report concluded that the relationship to median earnings was a more relevant measure and the Government's Code of Recommended Practice on Data Transparency recommends the publication of the ratio between highest paid salary and the median average salary of the whole of the Authority's workforce.
- 8.4 The current pay levels within the Council define the multiple between the lowest paid (full time equivalent) employee and the Chief Executive as 1.10 and between the lowest paid employee and average Chief Officer as 1:5.
- 8.5 The multiple between the median (average) full time equivalent earnings and the Chief Executive is 1:5 and between the median (average) full time equivalent earnings and average Chief Officer is 1:3.
- 8.6 As part of its overall and ongoing monitoring of alignment with external pay markets, both within and outside the sector, the Council will use available benchmark information as appropriate.

9. ACCOUNTABILITY AND DECISION MAKING

9.1 In accordance with the Constitution of the Council, the Cabinet is responsible for decision making in relation to the recruitment, pay, terms and conditions and severance arrangements in relation to employees of the Council.

10. RE-EMPLOYMENT

- 10.1 No Chief Officer who was previously made redundant or granted early retirement from the Council will be later re-employed or re-engaged either as an employee (Contract of Service), as a Consultant (Contract for Service) or through an external contractor commissioned to work on behalf of the Council.
- 10.2 The Authority will inform Chief Officers on appointment who are in receipt of a pension under the LGPS from a previous employer that they must inform their Pension Fund Provider of their re-employment in Local Government. The appropriate abatement rules can then be applied.

11. REVIEWING THE POLICY

11.1 This Policy outlines the current position in respect of pay and reward within the Council and it will be reviewed over the next year to ensure that it meets the principles of fairness, equality, accountability and value for money for citizens of Swansea. The Policy will be reviewed annually and reported to Council.

1.0 Introduction

- 1.1 By virtue of Section 89 of the School Standards & Framework Act (1998) the Authority is responsible for determining the admission arrangements for County maintained schools. In accordance with the Education (Determinations of Admission Arrangements) (Wales) Regulations 2006 the Council has a duty to review the Admissions to Schools Policy and to consult Governing Bodies of voluntary aided schools on their admission arrangements.
- 1.2 The Welsh Government in July 2013 issued the School Admissions Code and the School Admission Appeals Code in December 2013. The School Admissions Code applies to arrangements made for the 2016/2017 academic year and covers admissions to primary and secondary schools.
- 1.3 Copies of the proposed Admission Arrangements for Nursery Classes are attached at Appendix A.
- 1.4 Copies of the proposed Admission Arrangements for Primary and Secondary Schools are attached at Appendix B.
- 1.5 Copies of the proposed Admission Arrangements for Secondary Schools are attached at Appendix B
- 1.6 Copies of the proposed Admission Arrangements and criteria for entry for Sixth Forms are attached at Appendix B.
- 1.7 The proposed Schedule of Events for the admission process is shown at Appendix C.
- 1.8 The Admission Numbers (ANs) for Primary and Secondary schools are shown at Appendix D.

2.0 Admission Limits

Primary

- 2.1 The capacity of each Primary school including its nursery classes has been calculated using the Welsh Government formula and from this an Admission Number (AN) has been set. The Admission Numbers for primary schools are shown in Appendix D.
 - All schools must admit up to their AN in the year of entry i.e. Reception in Primary schools. In the year of entry, and in all other year groups, a child will be refused a place by the LA once the AN is reached.
- 2.2 The School Standards and Framework Act 1998, Education (Infant Class Size) (Wales) Regulations 1998 and Education (Infant Class

Size) (Wales) (Amendment) Regulations 2009, restricts infant class sizes to a maximum of 30 ie, Reception, Year 1 and Year 2. Welsh Government has also introduced a recommended limit of 30 for KS2 class sizes.

Secondary

- 2.3 The Admission Numbers (ANs) shown at Appendix D are the limits for each year group.
- 2.4 Schools must not exceed their AN in the year of entry i.e. Year 7 for secondary admissions or in any other year group.

Nursery, Primary and Secondary

2.5 Even if parents living within the catchment area of a school apply for a place before the parental deadline, there is no guarantee of a catchment place if the AN has been reached.

Sixth Forms

2.6 Criteria for entry and admission arrangements for Sixth Forms, including admission limits, are outlined in Appendix B.

For schools with a Sixth Form, Admission Numbers will be the same for Years 12 and 13 as they are for Years 7 to 11.

3.0 Admissions Criteria

- 3.1 The Education (Admission of Looked After Children) (Wales) Regulations 2009 places a duty on admission authorities in Wales to admit children looked after by a local authority in Wales where an application for admission is made even if the AN has been reached. Should an admission authority wish to refuse an admission application then they must refer the matter to the Welsh Ministers within 7 days of receiving the application for decision. The decision of the Welsh Ministers is binding. Previously looked after children (looked after children who cease to be so because they were adopted or became subject to a residence order, or special guardianship order immediately following having been looked after), are also included in this criteria under the Welsh Government's School Admissions Code.
- 3.2 Pupils with a statement of Special Educational Needs do need to be included and accounted for when places are allocated and schools are informed of this

3.3 Oversubscription

Where more applications are received for a particular school than places available, places will be awarded using the admissions criteria set out in the Admission Arrangements (see Appendix B).

3.4 Results of the Consultation

Response 1

 The Headteacher wished to highlight that if schools are to have severe budget reductions then there is a possibility that ANs may need to be revised.

LA Response:

The Admission Number is determined by a Welsh Government formula and is based on the available class/teaching areas at each individual school. Therefore, there will not be opportunity to revise these numbers as a response to the financial projections and anticipated knock on effect of increased class sizes.

The School and Governor Unit is aware of the plight facing schools in relation to financial projections and we will do all we can to work with schools regarding admissions etc. However, we are governed by the Welsh Government Admissions Code and have to adhere to the criteria within the Guidance document. The Local Authority will be raising these concerns with colleagues at the Welsh Government at every opportunity as we anticipate that class sizes will increase as numbers of staff are anticipated to reduce overall given the funding constraints.

Response 2

 The Chair of Governors believed it was a fair way to proceed with admissions.

Response 3

• The Head Teacher confirmed the Governors had been consulted and had no further comments to make.

Response 4

• In the current version (Appendix A) no mention is made to Flying Start children who already attend sessions within the school. Flying Start staff work extremely closely with school staff to ensure smooth transition into nursery and I feel that this needs to be addressed. The admission criteria should take into account children who access Flying Start, and I feel these children should be given priority for a nursery place. It would not make sense for a child to attend Flying Start to attend weekly transition visits into Nursery, and then be refused a place at that Nursery. This has been discussed with the head teacher and the Governing Body

who all agree that this could impact on children moving from Flying Start into Nursery provision. With the ongoing expansion of Flying Start, this will become an issue for more primary schools over the next few years and an addition now would prevent gaps in services that could affect our most vulnerable families.

LA Response:

The Local Authority is the Admissions Authority for all Swansea schools. The Admissions Criteria are drawn up in accordance with Guidance from Welsh Government. The Welsh Government Admissions Code requires Admission Authorities to draw up Admissions Criteria in accordance with the Code. The Code does not permit the Admission Authority to prioritise children who have attended a Flying Start setting for admission to the school at the time each individual pupil will apply for a place at a Nursery or Reception class.

Whilst the points are considered valid, it will not be possible to prioritise pupils who have attended a Flying Start setting to be admitted to a nursery or reception class at the appropriate time of application. Children are prioritised on the basis of catchment location and pupils who live within a specified catchment area for a school are prioritised for admission to that school. The admission criteria outlining the priorities for admissions are included in the published consultation.

Where a pupil attends a Flying Start setting who does not live within the specified catchment area, if the admission number has not been reached for the year group it is possible to admit the pupil to the school. However, where an admission number has been reached pupils will be offered an alternative place at another Swansea school which will usually be relative to the catchment area for their home address.

The Welsh Government Guidance on Admissions does not permit Local Authorities as the Admission Authority to prioritise admissions to a school on the basis of the pre-school setting the child has attended.

Response 5

- The Chair of Governors raised that Welsh-medium schools are full to capacity and there are more pupils than the official admission numbers. When a pupil requests a place in a Welsh-medium school, the Welsh-medium school often has to admit more pupils than the admission number.
- In the case of nursery classes, curtailing the numbers a Welshmedium school can admit means that a parent cannot give his/her child an education in the language of his/her choice. Children are then refused a Welsh-medium education, or parents choose not to give their child a Welsh-medium education as they become aware that Welsh-medium schools are full.

• With reception classes, it has been become a common experience that some schools have to admit more pupils that the admission number because neighbouring Welsh-medium schools are full. As a result of this, specific and different consideration needs to be given to Welsh-medium schools. It needs to be made clear that no child will be refused a Welsh-medium nursery, primary or secondary education, and that the county should have appropriate arrangements in place to ensure this. This would free schools and parents from experiencing the painful process of being refused/having to refuse a place and then having to admit on appeal, a process that can have a negative effect on a parent's wish to give their child a Welsh-medium education.

LA Response:

The Local Authority is aware of the current situation regarding demand for Welsh medium places at Swansea Welsh medium schools and is working towards increasing school places accordingly. As you are aware, the current financial situation is having serious impact upon the level and timeframe of support the Local Authority is able to devote to address these concerns.

You have indicated that nursery classes have to curtail the numbers of pupils they admit and this has impact upon parental choice in relation to Welsh medium education options. Nursery places are for part time provision only and on this basis many schools — both English and Welsh medium, offer morning and afternoon sessions. The Authority is not aware that any Swansea school is therefore in a position of having to refuse a nursery class place for a child.

You have also stated that schools have to admit more pupils in reception classes above their Admission Number due to the fact that neighbouring Welsh medium schools are also full. The Local Authority is aware of this difficulty and is working to ensure that the longer term planning for Welsh medium places is increased in line with demand. As indicated above, current financial constraints are having an impact and have delayed the planned approach of the Local Authority to secure additional provision.

The Local Authority policy is to offer an alternative place at a Welsh medium school if a place is unavailable at the school of choice. The only exception to this policy is where parents/carers have indicated on the application form that the second choice school is an English medium school. There are occasions when a pupil cannot be admitted to the school of choice, however, an alternative Welsh medium place is offered along with an opportunity to meet with an Independent Appeal Panel to hear the case. (This situation also applies to applications for English medium school places.) Where any child is refused a place at a Welsh medium school of choice they are always offered an

alternative place at another Swansea Welsh medium school. No pupil is refused a Welsh medium place at a Swansea school.

Response 6

• The Governor raised that the Admission to Nursery section is confusing – 'All schools must admit up to their Admission Number in the year of entry. In the year of entry a child will normally be refused a place once the Admission Number has been reached. There is no right of appeal following the refusal of an application for a place in a nursery class." Then it goes on to say, "The number of nursery places available may differ to the Admission Number for the rest of the year groups within a school (Reception – Year 6)." There is no separate Admission Number in the document. Should the Admission Number for Reception be used?

LA Response:

The Local Authority will recommend that schools use the Admission Number as a guide for admissions to nursery classes.

Response 7

• The Clerk to Governors confirmed that the Governing body found the arrangements acceptable.

Response 8

The Chair of Governors wished to highlight:

• 'The LA will not provide transport or make any contribution towards transport costs for children admitted from outside the school's defined catchment area. However, if the catchment area is full in the year group, transport will be provided to the next nearest school with room if that school is more than 3 miles walking distance from home' - Whilst we recognise that this point appears to be incontestable we feel the need to point out that we draw children in from some of the most disadvantaged areas of Swansea for whom the cost of transport is yet another disincentive for parents, for whom, maybe, education is not top of their list of priorities. Every pound to them is precious, a recent case from such an area highlighted that it was costing £22 a week to get the children to school. If we, as a school are to meet the increasing attendance levels demanded by the Welsh Assembly and also to "close the gap" between FSM and non FSM results then we need to clear the barriers to attending school. Foremost amongst these, for the affected pupils, is the prohibitive cost of transport. Without the children in school we cannot educate them.

LA Response:

The Local Authority Home to School Transport Policy advises that free transport will only be provided for secondary aged pupils if they live more than 3 miles from their catchment school or as you have pointed

out 'if the catchment area is full in the year group, transport will be provided to the next nearest school with room if that school is more than 3 miles walking distance from home'. This Policy is based on Welsh Government guidelines.

The Transport Policy does not make provision for pupils who live in deprived and disadvantaged areas to be allocated free transport if they live under the 3 mile stipulated distance. The Local Authority is aware of the difficulties that schools face in trying to improve educational outcomes for pupils – particularly pupils who are on free school meals and live in the more deprived and disadvantaged areas. In light of the current financial situation and proposed cuts and restrictions, a review of the Transport Policy to reduce the stipulated distance for eligibility for free transport, is not something the Local Authority anticipates being in a position to pursue at any time in the future

Response 9

 The Head Teacher confirmed the Governing body had accepted the arrangements. It also noted that any proposed changes to catchment areas would be strongly opposed.

Response 10

• The Chair of Governors confirmed that the Governing body found the arrangements acceptable.

Response 11

The Clerk to Governors confirmed the Governing body had made the following observations:

- The deadline of 27th November 2015 would leave a lengthy period of time until 1st March 2016, when parents were informed of whether they had a place or not, at the school of their choice. This timescale was thought to be too long and unnecessary.
- There appears to be confusion regarding parents having to provide proof of address. It was thought the LEA could refer to its own Council Tax records held electronically to ascertain or verify proof of address with parents who have been raising queries or providing evidence direct to the school.

LA Response:

The dates outlined comply with Welsh Government requirements. Welsh Government have recently changed this and previously Local Authorities were able to set their own dates but 2016-17 will be the first time that we will all have to comply with Welsh Government notification date of 1st March. The reason for the delay is that we will have to run two separate admissions – one for Year 7 and one for Reception both having the same notification day which will apply across Wales.

Council Tax – the Local Authority is now utilising the Electoral Role for these checking purposes but where there is a discrepancy with

information on the ER we will be asking parents to provide alternative proof. These could be perfectly valid reasons – eg moved house after the electoral role form submitted or could lead to further investigation because a false address e.g. family, has been used.

Admission Forum

Following due consideration the Forum agreed that their recommendation would be that the Admission Arrangements 2016/17 be approved in their current format. The decision was made for the following reasons:

- The number of responses are low in relation to the number of pupils being educated in Swansea, and there is no common theme, therefore any change would not be wholly representative of the majority of parents who could respond.
- In accordance with the School Admissions Code the LA is responsible for deciding admissions to nursery classes in community schools and as a result will continue to implement the arrangements which relate to nursery admissions.

Correspondence will be sent to all governing bodies and headteachers who responded to the consultation advising them of the recommendations made by the Admissions Forum.

4.0 Equality and Engagement Implications

A full EIA Report was completed for Admission Arrangements in 2014, with no adverse impacts identified. The EIA has been reviewed for the 2016/2017 Arrangements, with no further changes required.

5.0 Financial Implications

Whilst there are no immediate financial implications arising from this report, acceptance of this policy could result in additional expenditure at a future time. Acceptance of the policy does not mean that additional resources will be made available and it should be assumed that future spending needs will need to be contained within existing budget provision and have full and due regard to the budget principles set out in 'Sustainable Swansea – Fit for the Future' and the likely levels of future budgets having due regard to the budget and medium term financial plan.

6.0 Legal Implications

Section 89 of the School Standards and Framework Act 1998 and Regulation 4 of the Education (Determination of Admission Arrangements) (Wales) Regulations 2006 require Admission Authorities to consult and determine school admission arrangements annually. The Regulations set requirements for consultation and

determinations of admission arrangements. The Welsh Government has issued a guidance circular 'Measuring the Capacity of Schools in Wales', which sets out methodology for Local Authorities to follow when determining their admission arrangements. There is also a requirement to consider the guidelines contained in the Welsh Government School Admissions Code.

Admission Arrangements 2016/2017 (Nursery classes based at Local Authority schools)

Initial Placement, Parental Preference and Transfer Requests The Local Authority, the LA, is the admitting authority for all community schools in the area.

Admission to Nursery classes

Each child about to commence part time education at a nursery class based at a LA school will be invited to apply for a place at the catchment school maintained by the LA.

Parents can either apply in writing for a place at the catchment school or express a preference for a placement at an alternative school. Requests for a preferred placement will be granted unless to do so would prejudice the provision of efficient education or the efficient use of resources.

Those parents who express a preference in writing by 4th March 2016 for a place at any school will be given priority over those who have not.

(a) Admission Limits - Community Schools

All schools must admit up to their Admission Number in the year of entry. In the year of entry a child will normally be refused a place once the Admission Number has been reached. There is **no right of appeal** following the refusal of an application for a place in a nursery class.

The number of nursery places available may differ to the Admission Number for the rest of the year groups within a school (Reception – Year 6)

(b) Admission Criteria – Community Schools

If more applications have been received for any school than there are places available, the following order of priority will apply:

- **1.** Children who are in the care of the Local Authority (LA) i.e. Looked After Children (LAC), or previously looked after*.
- **2.** Children who live within the school's defined catchment area. If there are more applications than places, the places will be allocated in distance order with those living nearest (shortest available walking route) receiving priority**.
- **3.** Children who have a brother or sister of statutory school age attending the school at the date of their admission***. If there are more applications than places, the places will be allocated in distance order with those living nearest (shortest available walking route) receiving priority**.
- **4.** Other children for whom a place has been requested for whom criteria 1 to 3 above do not apply. If there are more applications than places, the places will be allocated in distance order with those living nearest (shortest available walking route) receiving priority**.

- *Previously looked after children: looked after children who cease to be so because they were adopted or became subject to a residence order, or special guardianship order immediately following having been looked after.
- ** The measurements will be taken from outside the entrance to the property (house or flat) to the nearest official school entrance. A computer programme is used when undertaking the measurement.
- *** A brother or sister will be defined as a natural or legally adopted child of either parent living at the same address. In any circumstances in which there is one place available and the next eligible children are twins/triplets then the LA will admit both/all children.

Note that schools have a duty to admit children with a Statement of Special Educational Needs who have been placed in a school by the LA and these pupils are counted towards the number admitted up to the Admission Number unless they are placed in a Special Teaching Facility with planned places.

Requests for admission to voluntary aided schools will be determined by reference to admission criteria set by the governing body. The governing bodies of voluntary aided schools are responsible for determining their own admission arrangements.

Requests for children to transfer between schools at periods other than the normal transfer age will be determined by applying the above admission criteria.

(c) Admission Procedures – Nursery places in Community Schools Parents will be asked to apply in writing, for a place for their child at the catchment school or to state a preference for an alternative placement using the admissions form.

Requests for admission will be granted provided there are places available. Where admission requests exceed the number of places available, places will be allocated in accordance with the LA's admission criteria.

Children attending the nursery class of a school will not have an automatic right of admission to full time education at the same school. Parents will need to apply for a place along with other applicants at the appropriate time.

Requests for admission to the relevant age group i.e. the age group at which children are normally admitted to the school submitted on or before the administrative closing date 4th March 2016 will be processed collectively and places allocated according to the above admission criteria. In this respect, no advantage shall be gained from the early submission of an admission request. Requests submitted after the closing date will be processed upon receipt.

Admissions will not be determined on the basis of selection criteria involving the sitting of tests, viewing of school reports, or interviewing pupils with or without parents for the purpose of assessing ability or aptitude.

Parents who have applied by the 4th March 2016 will be advised where they have been allocated a place by the 23rd April 2016.

Waiting Lists

For all admissions, where parents/carers are refused a place for their child/children they are automatically placed on the waiting list. Pupils names will remain on the waiting list for the whole academic year and will only be removed if a parent confirms in writing that they no longer wish their child/rens' name to remain on the waiting list. If a place becomes available it will be allocated by the LA in accordance with the admissions criteria.

The LA will be under no duty to comply with preference expressed otherwise than in accordance with its arrangements.

NB: The admissions criteria do not apply to pupils for whom the LA holds a Statement of Special Educational Needs although the rights of parents to be involved in the placement of their child are protected in law. The LA in consultation with parents and schools will determine the school at which education is to be provided. The LA reserves the right to name a school which is not the catchment area school.

Note: During this period the Local Authority (LA) may undertake a consultation to propose changes to a number of catchment areas.

ADMISSION ARRANGEMENTS 2016/2017 (Primary)

Initial Placement, Parental Preference and Transfer Requests

The Local Authority, the LA, is the admitting authority for all community schools in the area.

Admission to Primary Community Schools

Each child about to commence full time education will be invited to apply for a place at the catchment school maintained by the LA.

Parents can either apply on line or in writing for a place at the catchment school or express a preference for a placement at an alternative school. Requests for a preferred placement will be granted unless to do so would:

- prejudice the provision of efficient education or the efficient use of resources, and
- for voluntary aided schools, be incompatible with the admission arrangement agreed between the Governing Body and the LA.

Those parents who express a preference on line or in writing for a place at any school will be given priority over those who have not.

(a) Admission Limits – Community Schools

All schools must admit up to their Admission Number in the year of entry (ie. Reception in Primary schools). In the year of entry a child will be refused a place once the Admission Number has been reached. Parents who are refused a place at the school must be given right of appeal.

The Admission Number applies to all year groups.

(b) Admission Criteria – Community Schools

If more applications have been received for any school than there are places available, the following order of priority will apply:

- 1. Children who are in the care of the Local Authority i.e. Looked After Children (LAC), or are previously looked after*.
- 2. Children who live within the school's defined catchment area. If there are more applications than places, the places will be allocated in distance order with those living nearest (shortest available walking route) receiving priority**.
- 3. Children who have a brother or sister of statutory school age attending the school at the date of their admission.*** If there are more applications than places, the places will be allocated in

- distance order with those living nearest (shortest available walking route) receiving priority**.
- 4. Other children for whom a place has been requested for whom criteria 1 to 4 above do not apply. If there are more applications than places, the places will be allocated in distance order with those living nearest (shortest available walking route) receiving priority**

*Previously looked after children: looked after children who cease to be so because they were adopted or became subject to a residence order, or special guardianship order immediately following having been looked after.

**The measurements will be taken from outside the entrance to the property (house or flat) to the nearest official school entrance. A computer programme is used when undertaking the measurement.

***A brother or sister will be defined as a natural or legally adopted child of either parent living at the same address. In any circumstances in which there is one place available and the next eligible children are twins/triplets then the LA will admit both/all children.

Requests for children to transfer between schools at periods other than the normal transfer age will be determined by applying the above admission criteria.

The LA **will not** provide transport or make any contribution towards transport costs for children admitted from outside the school's defined catchment area. However, if the catchment area school is full in the year group, transport will be provided to the next nearest school with room if that school is more than 2 miles from home.

Children who have a statement of Special Educational

Needs

The admissions criteria do not apply to pupils for whom the LA holds a statement of special educational needs although the rights of parents to be involved in the placement of their child are protected in law. The LA in consultation with parents and schools will determine the school at which education is to be provided. The LA reserves the right to name a school which is not the catchment area school.

Schools have a duty to admit children with a Statement of Special Educational Needs who have been placed in a school by the LA and these pupils are counted towards the number admitted up to the Admission Number unless they are placed in a Special Teaching Facility with planned places.

Voluntary Aided Schools

Requests for admission to voluntary aided schools will be determined by reference to admission criteria set by the Governing Body. (The Governing

Bodies of Voluntary Aided Schools are responsible for determining their own admission arrangements).

(c) Admission Procedures – Community Schools

Parents will be asked to apply on line or in writing, for a place for their child at the catchment school or to state a preference for an alternative placement using the Admissions form.

Requests for admission will be granted provided there are places available. Where admission requests exceed the number of places available, as determined by the published Admission Number, applications will be allocated by applying the LA's admission criteria.

Children attending the nursery class of a school will not have an automatic right of admission to full time education at the same school. Parents will need to apply for a place along with other applicants.

Although the LA permits pupils to start Reception full time at the start of the year in which they become five, the law does not require a child to start school until the start of term following the child's fifth birthday. Therefore, if the parent of a Reception child wishes to defer entry until later in the school year a place must be allocated to this child and this place is not available to be offered to another child. Entry cannot however be deferred beyond the beginning of the term after the child's fifth birthday nor beyond the academic year for which the original application was accepted.

Requests for admission to the relevant age group (i.e. the age group at which children are normally admitted to the school) submitted on or before the administrative closing date, Friday 4th March, 2016 will be processed collectively and places allocated according to the above admission criteria. In this respect, no advantage shall be gained from the early submission of an admission request. Requests submitted after the closing date will be processed upon receipt.

Admissions will not be determined on the basis of selection criteria involving the sitting of tests, viewing of school reports, or interviewing pupils with or without parents for the purpose of assessing ability or aptitude. Parents who have applied by the 4th March 2016 will be advised where they have been allocated a place by the 23rd April 2016.

Right of Appeal

Parents will be informed, in writing, as to whether their application has been successful. Where their application has been refused parents will be informed in writing that they have right of appeal to an Independent Appeal Panel. If they exercise that right, the appeal must be forwarded to the School and Governor Unit at the Civic Centre by Friday 20th May 2016. The appeal will be considered by an Independent Appeal Panel of 3 or 5 people comprising lay members, and persons with experience in education.

Please note:

Because of the statutory class size maximum of 30, there are very restricted circumstances in which an appeal for a place in an Infant class (Reception, Year 1 and Year 2) can be successful.

Waiting Lists

For all admissions, where parents/carers are refused a place for their child/children they are automatically placed on the waiting list and an opportunity to meet with an Independent Appeal Panel is offered. Pupils names will remain on the waiting list for the whole academic year and will only be removed if they are successful at appeal or if a parent confirms in writing that they no longer wish their child/rens's name to remain on the waiting list. If a place becomes available it will be allocated in by the LA in accordance with the admissions criteria.

The LA will be under no duty to comply with preference expressed otherwise than in accordance with its arrangements.

Note: During this period the Local Authority (LA) may undertake a consultation to propose changes to a number of catchment areas.

ADMISSION ARRANGEMENTS 2016/2017 (Secondary Years 7-11)

Initial Placement, Parental Preference and Transfer Requests

The Local Authority, the LA, is the admitting authority for all community schools in the area.

Each child about to transfer from primary to secondary education will be invited to apply for a place at the catchment school maintained by the LA.

Parents can either apply on line or in writing for the catchment place or express a preference for a placement at an alternative school. Requests for a preferred placement will be granted unless to do so would:

- prejudice the provision of efficient education or the efficient use of resources, and
- for voluntary aided schools, be incompatible with the admission arrangement agreed between the Governing Body and the LA.

Those parents who express a preference on line or in writing for a place at any school will be given priority over those who have not.

(a) Admission Limits – Community Schools

Availability of places is determined by reference to the school's Admission Number. Schools must admit up to the Admission Number in the year of entry and must not exceed this number.

The Admission Number applies to all year groups.

(b) Admission Criteria – Community Schools

If more applications have been received for any school than there are places available, the following order of priority will apply:

- 1. Children who are in the care of the Local Authority i.e. Looked After Children (LAC) or previously looked after.
- 2. Children who live within the school's defined catchment area. If there are more applications than places, places will be allocated in distance order with those living nearest (shortest available walking route) receiving priority**.
- 3. Children who have a brother or sister of statutory school age attending the school at the date of their admission***. If there are more applications than places, places will be allocated in distance order with those living nearest (shortest available walking route) receiving priority**.
- 4. Children attending a designated partner primary school but who live outside the catchment area of that school. If there are more applications than

places, places will be allocated in distance order with those living nearest (shortest available walking route) receiving priority**.

- 5. Other children for whom criteria 1 to 4 above do not apply. If there are more applications than places, places will be allocated in distance order with those living nearest (shortest available walking route) receiving priority**.
- *Previously looked after children: looked after children who cease to be so because they were adopted or became subject to a residence order, or special guardianship order immediately following having been looked after.
- **The measurement will be taken from outside the entrance to the property (house or flat) to the nearest official school entrance. A computer programme is used when undertaking the measurement.
- *** A brother or a sister will be defined as a natural or legally adopted child of either parent living at the same address. In any circumstances in which there is one place available and the next eligible children for that place are twins/triplets, the LA will admit both/all children.

Requests for children to transfer between schools at periods other than the normal transfer age will be determined by applying the above admission criteria.

The LA **will not** provide transport or make any contribution towards transport costs for children admitted from outside the school's defined catchment area. However, if the catchment area is full in the year group, transport will be provided to the next nearest school with room if that school is more than 3 miles walking distance from home.

Children who have a statement of Special Educational Needs

The admissions criteria do not apply to pupils for whom the LA holds a statement of special educational needs although the rights of parents to be involved in the placement of their child are protected in law. The LA in consultation with parents and schools will determine the school at which education is to be provided. The LA reserves the right to name a school which is not the catchment area school.

Schools have a duty to admit children with a Statement of Special Educational Needs who have been placed in a school by the LA and these pupils are counted towards the number admitted up to the Admission Number unless they are placed in a Special Teaching Facility with planned places.

Voluntary Aided Schools

Requests for admission to voluntary aided schools will be determined by reference to admission criteria set by the Governing Body.

(c) Admission Procedures – Community Schools

Parents will be asked to apply on line or in writing, for a place for their child at the catchment school or to state a preference for an alternative placement using the Admissions form.

For transfers at other times during the school year an admissions application form must be completed and returned either electronically or by post to the School and Governor Unit in the Civic Centre.

Requests for admission will be granted provided there are places available as determined by the published Admission Number.

Where admission requests exceed the number of places available, places will be allocated by applying the LA's admission criteria.

Applications for admission to the relevant age group (i.e. the age group at which children are normally admitted to the school) submitted on or before the administrative closing date, Friday 27th November 2015 will be processed collectively. In this respect, no advantage shall be gained from the early submission of an admission request. Requests submitted after the closing date will be processed upon receipt.

Admissions will not be determined on the basis of selection criteria involving the sitting of tests, viewing of school reports, or interviewing pupils with or without parents for the purpose of assessing ability or aptitude.

The LA will be under no duty to comply with preference expressed otherwise than in accordance with its arrangements. Parents who have applied by the 27th November 2015 will be advised where they have been allocated a place on the 1st March 2016.

Right of Appeal

Parents will be informed, in writing, as to whether their application has been successful. Where their application has been refused parents will be informed in writing that they have right of appeal to an Independent Appeal Panel. If they exercise that right, the appeal must be forwarded to the School and Governor Unit at Civic Centre by Monday 4th April 2016. The appeal will be considered by an Independent Appeal Panel of 3 or 5 people comprising lay members, and persons with experience in education.

Waiting Lists

For all admissions, where parents/carers are refused a place for their child/children they are automatically placed on the waiting list and an opportunity to meet with an Independent Appeal Panel is offered. Pupils names will remain on the waiting list for the whole academic year and will only be removed if they are successful at appeal or if a parent confirms in writing that they no longer wish their child/rens's name to remain on the waiting list. If a place becomes available it will be allocated by the LA in accordance with the admissions criteria.

The LA will be under no duty to comply with preference expressed otherwise than in accordance with its arrangements.

Note: During this period the Local Authority (LA) may undertake a consultation to propose changes to a number of catchment areas.

Admissions to Sixth Form Criteria for Entry

Application Closing Date

Candidates can apply for a place at a Sixth Form at a Swansea school in the Spring Term prior to them seeking a place for the following September. Closing dates for applications will be **DATE TO BE INSERTED HERE BY SCHOOLS**.

Provisional Offer

Candidates will be offered a provisional place. This provisional place will be subject to achieving certain specified entry qualifications as published by each individual school. The schools should be contacted regarding their specific entry qualifications.

GCSE/Equivalent Results

When GCSE grades are published ie the third Thursday in August ordinarily, it will be necessary for individual pupils to contact the School of choice to confirm grades at GCSE or equivalent examination results.

Choice of Subjects

Candidates who have achieved satisfactory grades at GCSE or equivalent will be given a firm offer of a place in the Sixth Form at the school of choice where places are available. It must be noted, however, that it may not be possible to study <u>all</u> the chosen subjects at the school of choice. It may be necessary for students to link with a Sixth Form at another school to pursue some subject choices.

Students who have achieved satisfactory grades at GCSE or equivalent but are unable to study all subject choices at the school of choice can be offered an alternative choice of subjects being taught at the particular premises. Alternatively, these students can seek a place at an alternative venue ie another Swansea school sixth form or Gower College.

Candidates will not be required to sit an entrance interview.

Admission Limits - Sixth Forms

All school sixth forms can admit up to their Admission Number subject to students achieving a schools entry requirements (which are available from individual schools), in the year of entry ie Year 12 in Sixth Form. It would be acceptable to exceed the Admission Number if demand for available courses can be met. Parents and pupils who are refused a place at the school sixth form must be given the right of appeal.

Admission Arrangements

The arrangements for admission into Year 12 and 13 for maintained community schools are delegated to the establishments directly. Details on admission arrangements for Voluntary Aided schools may be obtained directly

from the establishments concerned and will form part of their admissions policies.

Waiting List

If a school sixth form is over-subscribed and the school cannot meet the demand for courses a waiting list will be maintained. Applicants who have met the entry criteria (see above) but who have been refused a place due to the limit on places available will be offered an opportunity to put their name on a waiting list. In the event that a place/s become/s available, candidates whose name are on the waiting list will be offered a place in accordance with the admission criteria (see below).

Admission Criteria

For pupils who achieve the specified entry qualifications, where more applications have been received for any school sixth form than there are places available, the following order of priority will apply:

- 1. Pupils who are looked after by the Local Authority (LAC) or are previously looked after*.
- 2. Pupils who live within the school's defined catchment area. If there are more applications than places, the places will be allocated in distance order with those living nearest (shortest available walking route) receiving priority.**
- 3. Pupils who have a brother or sister of statutory school age *** attending the school at the date of their admission ****. If there are more applications than places, the places will be allocated in distance order with those living nearest (shortest available walking route) receiving priority **
- 4. Pupils who attended the school in year 11 but who live outside the catchment area of that school. If there are more applications than places, the places will be allocated in distance order with those living nearest (shortest available walking route) receiving priority.**
- 5. Other pupils for whom a place has been requested for whom criteria 1 to 4 above do not apply. If there are more applications than places, the places will be allocated in distance order with those living nearest (shortest available walking route) receiving priority.**

*Previously looked after children: looked after children who cease to be so because they were adopted or became subject to a residence order, or special guardianship order immediately following having been looked after.

**All distances are measured electronically taking the distance from home to school by the shortest available walking route. The measurements will be taken from outside the entrance of the property (house or flat) to the nearest official school entrance.

***Statutory school age is defined as pupils who are between age 5 and 16 ie pupils in any year group between and including Reception to Year 11.

****A brother or sister will be defined as a natural or legally adopted child of either parent living at the same address. In any circumstances in which there is one place available and the next eligible pupils are twins/triplets then the LA will admit both/all pupils.

NOTE: A small number of pupils with statements of SEN may transfer to sixth forms in Swansea schools. The decision to transfer is made by the Local Authority in consultation with the relevant school.

Note: During this period the Local Authority (LA) may undertake a consultation to propose changes to a number of catchment areas.

Trefniadau Derbyn 2016/2017 (Dosbarthiadau meithrin yn ysgolion yr awdurdod lleol)

Ceisiadau Lleoli Cychwynnol, Dewis Rhieni a Throsglwyddo Yr awdurdod lleol, yr AALI, yw'r awdurdod derbyn ar gyfer holl ysgolion cymunedol yr ardal.

Derbyn i Ddosbarthiadau Meithrin

Gwahoddir pob plentyn sydd ar fin dechrau addysg rhan-amser mewn dosbarth meithrin yn un o ysgolion yr ALI i wneud cais am le yn ysgol y dalgylch a gynhelir gan yr ALI.

Gall rhieni naill ai wneud cais am le yn ysgol y dalgylch drwy lythyr neu fynegi dewis am le mewn ysgol arall. Caniateir ceisiadau am le dewisol os na fydd gwneud hynny yn peryglu darparu addysg effeithlon neu'r defnydd effeithlon o adnoddau.

Rhoddir y flaenoriaeth i'r rhieni hynny sy'n mynegi eu dewis am le mewn unrhyw ysgol ar-lein neu drwy lythyr erbyn 4 Mawrth 2016 dros y rhai nad ydynt.

(a) Cyfyngiadau Derbyn - Ysgolion Cymunedol

Mae'n rhaid i bob ysgol dderbyn hyd at y Nifer Derbyn ym mlwyddyn y derbyn. Fel arfer, ym mlwyddyn y derbyn, gwrthodir lle i blentyn ar ôl cyrraedd y Nifer Derbyn. Nid oes gan rieni'r **hawl i apelio** yn erbyn gwrthod lle i blentyn yn y dosbarth meithrin.

Mae'n bosib y bydd nifer y lleoedd meithrin sydd ar gael yn wahanol i'r Rhif Derbyn ar gyfer gweddill y grwpiau blwyddyn mewn ysgol (Derbyn-Blwyddyn 6).

(b) Meini Prawf Derbyn – Ysgolion Cymunedol

Os cafwyd mwy o geisiadau mewn ysgol na'r lleoedd sydd ar gael, bydd y drefn flaenoriaeth ganlynol yn berthnasol:

- 1. Plant sydd yng ngofal yr Awdurdod Lleol (ALI), h.y. Plant sy'n Derbyn Gofal (PSDG) neu'r rhai a oedd yn derbyn gofal*.
- 2. Plant sy'n byw yn nalgylch penodol yr ysgol. Os bydd mwy o geisiadau na lleoedd, caiff y lleoedd eu dyrannu yn nhrefn pellter, gyda'r rhai sy'n byw agosaf at yr ysgol (y daith gerdded fyrraf) yn cael blaenoriaeth**.
- 3. Plant y mae eu brawd neu eu chwaer o oedran ysgol statudol yn mynd i'r ysgol ar adeg eu derbyn***.
- 4. Os bydd mwy o geisiadau na lleoedd, caiff y lleoedd eu dyrannu yn nhrefn pellter, gyda'r rhai sy'n byw agosaf at yr ysgol (y daith gerdded fyrraf) yn cael blaenoriaeth**.
- 5. Plant eraill y gwnaed cais am le drostynt nad yw meini prawf 1 i 3 uchod yn berthnasol iddynt. Os bydd mwy o geisiadau na lleoedd, caiff

y lleoedd eu dyrannu yn nhrefn pellter, gyda'r rhai sy'n byw agosaf at yr ysgol (y daith gerdded fyrraf) yn cael blaenoriaeth**.

- *Plant a oedd yn derbyn gofal: plant a oedd yn derbyn gofal ond mae'r gofal wedi dod i ben oherwydd eu bod wedi cael eu mabwysiadu neu y gwnaed gorchymyn preswyl, neu orchymyn gwarcheidwaeth arbennig yn eu cylch yn syth ar ôl iddynt dderbyn gofal.
- ** Defnyddir y mesuriadau a gymerir o'r tu allan i fynedfa'r eiddo (tŷ neu fflat) i fynedfa swyddogol agosaf yr ysgol. Defnyddir rhaglen gyfrifiadur i fesur y pellter.
- *** Diffinnir brawd neu chwaer fel plentyn naturiol neu blentyn sydd wedi'i fabwysiadu'n gyfreithlon gan y naill riant neu'r llall sy'n byw yn yr un cyfeiriad. Mewn unrhyw sefyllfa pan fydd un lle ar gael ac mae'r plant cymwys nesaf ar gyfer y lle hwnnw'n efeilliaid/tripledi, bydd yr AALI yn derbyn y ddau/tri phlentyn.

Sylwer bod gan ysgolion ddyletswydd i dderbyn plant â Datganiad o Anghenion Addysgol Arbennig sydd wedi'u gosod yn yr ysgol gan yr ALI a chaiff y disgyblion hyn eu cyfrif tuag at y nifer a dderbynnir hyd at y Nifer Derbyn, oni bai eu bod yn cael eu gosod mewn Cyfleuster Addysgu Arbenigol â lleoedd cynlluniedig.

Penderfynir ar geisiadau i ysgolion a gynorthwyir yn wirfoddol trwy gyfeirio at y meini prawf derbyn a osodwyd gan y corff llywodraethu. Cyrff llywodraethu ysgolion a gynorthwyir yn wirfoddol sy'n gyfrifol am bennu eu trefniadau derbyn eu hunain.

Penderfynir ar geisiadau i drosglwyddo plant o un ysgol i'r llall ar adegau ar wahân i'r oed trosglwyddo arferol trwy ddefnyddio'r meini prawf derbyn uchod

(c) Gweithdrefnau Derbyn - Ysgolion Cymunedol

Gofynnir i rieni wneud cais drwy lythyr am le i'w plentyn yn ysgol y dalgylch neu ar gyfer lleoliad drwy ddewis ar ffurflen cais am dderbyn.

Bodlonir ceisiadau am le ar yr amod bod lleoedd ar gael. Os yw nifer y ceisiadau yn fwy na'r nifer o leoedd sydd ar gael, caiff lleoedd eu dyrannu'n unol â meini prawf derbyn yr ALI.

Ni fydd hawl awtomatig gan blant sy'n mynd i ddosbarth meithrin mewn ysgol ac sy'n byw y tu allan i'r dalgylch dderbyn addysg amser llawn yn yr un ysgol. Bydd rhaid i rieni wneud cais am le gyda'r ymgeiswyr eraill.

Bydd ceisiadau am gael eu derbyn i'r grŵp oedran perthnasol (h.y. grŵp oedran y caniateir derbyn y plant i'r ysgol fel arfer) a gyflwynir ar y dyddiad cau, sef dydd Gwener 4 Mawrth 2016, neu cyn hynny, yn cael eu prosesu ar y cyd, a dyrennir lleoedd yn unol â'r meini prawf derbyn uchod. Yn hyn o beth, nid oes unrhyw fantais i gyflwyno'r cais derbyn yn gynnar. Caiff ceisiadau a gyflwynir wedi'r dyddiad cau eu prosesu wrth gael eu derbyn.

Ni cheir penderfyniadau ar geisiadau ar sail meini prawf dewis sy'n cynnwys sefyll profion, gweld adroddiadau ysgol, neu gyfweld â disgyblion gyda neu heb eu rhieni at ddibenion asesu gallu neu dueddfryd.

Bydd rhieni sydd wedi cyflwyno cais erbyn 4 Mawrth 2016 yn cael gwybod ble y dynodwyd lle iddynt erbyn 23 Ebrill 2016.

Rhestrau Aros

Yn achos pob cais, os gwrthodir lle i blentyn mewn ysgol, caiff y plentyn ei roi ar y rhestr aros yn awtomatig. Caiff enwau disgyblion eu cadw ar y rhestr aros am y flwyddyn academaidd gyfan ac ni chaiff eu dileu oni bai bod rhiant yn cadarnhau'n ysgrifenedig nad yw'n dymuno i enw ei blentyn/blant gael ei gadw ar y rhestr aros mwyach. Os daw lle ar gael, caiff ei ddyrannu gan yr ALI yn unol â'r meini prawf derbyn.

Os gwrthodir lle i blentyn mewn ysgol, caiff y plentyn ei roi ar y rhestr aros a

Ni fydd rhaid i'r ALI gydymffurfio ag unrhyw ddewis a fynegwyd fel arall ond yn unol â'i drefniadau'n unig.

DS: Nid yw'r meini prawf derbyn yn berthnasol i ddisgyblion y mae gan yr ALI Ddatganiad o Anghenion Addysgol Arbennig ar eu cyfer, ond mae hawliau'r rhieni i fod yn rhan wrth leoli eu plant wedi'u hamddiffyn gan y gyfraith. Bydd yr ALI, mewn ymgynghoriad â rhieni ac ysgolion, yn penderfynu ym mha ysgol y bydd yr addysg yn cael ei darparu. Mae'r ALI yn cadw'r hawl i enwi ysgol nad yw'n ysgol y dalgylch.

Sylwer Yn ystod y cyfnod hwn, mae'n bosib y bydd yr Awdurdod Lleol (ALI) yn cynnal ymgynghoriad er mwyn cynnig newidiadau i nifer o ddalgylchoedd.

TREFNIADAU DERBYN 2016/2017 (Cynradd)

Lleoli Cychwynnol, Dewis Rhieni a Ceisiadau Throsglwyddo

Yr Awdurdod Addysg Lleol, yr AALI, yw'r awdurdod derbyn ar gyfer holl ysgolion cymunedol yr ardal.

Derbyn i Ysgolion Cynradd Cymunedol

Bydd pob plentyn sydd ar fin dechrau addysg amser llawn yn cael ei wahodd i wneud cais am le yn ysgol y dalgylch a gynhelir gan yr ALI.

Gall rhieni naill ai gwneud cais ar-lein neu drwy lythyr am le yn ysgol y dalgylch neu fynegi dewis am le mewn ysgol arall. Caniateir lleoliad drwy ddewis os na fydd gwneud hynny yn:

- peryglu darparu addysg effeithlon neu'r defnydd effeithlon o adnoddau, ac
- ar gyfer ysgolion gwirfoddol a gynorthwyir, yn anghyson â'r trefniadau derbyn a gytunwyd rhwng y Corff Llywodraethu a'r ALI.

Rhoddir y flaenoriaeth i'r rhieni hynny sy'n mynegi eu dewis ar-lein neu drwy lythyr am le mewn unrhyw ysgol.

(d) Cyfyngiadau Derbyn - Ysgolion Cymunedol

Mae'n rhaid i bob ysgol dderbyn hyd at ei Nifer Derbyn ym mlwyddyn y derbyn (h.y. Derbyn mewn ysgolion cynradd). Ym mlwyddyn y derbyn, gwrthodir lle i blentyn ar ôl cyrraedd y Nifer Derbyn. Os gwrthodir lle yn yr ysgol, mae'n rhaid rhoi hawl apelio i'r rhieni hynny.

Mae'r Nifer Derbyn yn berthnasol i bob grŵp blwyddyn.

(e) Meini Prawf Derbyn - Ysgolion Cymunedol

Os cafwyd mwy o geisiadau mewn ysgol na'r lleoedd sydd ar gael, bydd y drefn flaenoriaeth ganlynol yn berthnasol:

- 1. Plant sydd yng ngofal yr Awdurdod Lleol, h.y. Plant sy'n Derbyn Gofal (PSDG) neu'r rhai a oedd yh derbyn gofal*.
- 2. Plant sy'n byw yn nalgylch penodol yr ysgol. Os bydd mwy o geisiadau na lleoedd, caiff y lleoedd eu dyrannu yn nhrefn pellter, gyda'r rhai sy'n byw agosaf at yr ysgol (y daith gerdded fyrraf) yn cael blaenoriaeth**.
- 3. Plant y mae eu brawd neu eu chwaer o oedran ysgol statudol yn mynd i'r ysgol ar adeg eu derbyn.*** .Os bydd mwy o geisiadau na lleoedd, caiff y lleoedd eu dyrannu yn nhrefn pellter, gyda'r rhai sy'n

byw agosaf at yr ysgol (y daith gerdded fyrraf) yn cael blaenoriaeth**.

4. Plant eraill y gwnaed cais am le drostynt nad yw meini prawf 1 i 4 uchod yn berthnasol iddynt. Os bydd mwy o geisiadau na lleoedd, caiff y lleoedd eu dyrannu yn nhrefn pellter, gyda'r rhai sy'n byw agosaf at yr ysgol (y daith gerdded fyrraf) yn cael blaenoriaeth**

*Plant a oedd yn derbyn gofal: plant a oedd yn derbyn gofal ond mae'r gofal wedi dod i ben oherwydd eu bod wedi cael eu mabwysiadu neu y gwnaed gorchymyn preswyl, neu orchymyn gwarcheidwaeth arbennig yn eu cylch yn syth ar ôl iddynt dderbyn gofal.

**Defnyddir y mesuriadau a gymerir o'r tu allan i fynedfa'r eiddo (tŷ neu fflat) i fynedfa swyddogol agosaf yr ysgol. Defnyddir rhaglen gyfrifiadur i fesur y pellter.

***Diffinnir brawd neu chwaer fel plentyn naturiol neu blentyn sydd wedi'i fabwysiadu'n gyfreithlon gan y naill riant neu'r llall sy'n byw yn yr un cyfeiriad. Mewn unrhyw amgylchiadau pan fydd un lle ar gael, ac mae'r plant cymwys nesaf yn efeilliaid/tripledi, yna bydd yr AALI yn derbyn y ddau/pob plentyn.

Penderfynir ar geisiadau i drosglwyddo plant o un ysgol i'r llall ar adegau ar wahân i'r oed trosglwyddo arferol drwy ddefnyddio'r meini prawf derbyn uchod.

Ni fydd yr ALI yn darparu cludiant nac yn cyfrannu at gostau cludiant ar gyfer y plant sy'n cael eu derbyn o'r tu allan i ddalgylch penodol yr ysgol. Serch hynny, os yw grŵp blwyddyn ysgol y dalgylch yn llawn, darperir cludiant i'r ysgol agosaf y mae lle ynddi, os yw'r ysgol honno'n fwy na 2 filltir o'r cartref.

Plant â datganiad o Anghenion Addysgol Arbennig

Nid yw'r meini prawf derbyn yn berthnasol i ddisgyblion y mae gan yr ALI ddatganiad o anghenion addysgol arbennig ar eu cyfer, ond mae hawliau'r rhieni i fod yn rhan o leoli eu plant wedi'u hamddiffyn gan y gyfraith. Bydd yr ALI, mewn ymgynghoriad â rhieni ac ysgolion, yn penderfynu ym mha ysgol y bydd yr addysg yn cael ei darparu. Mae'r ALI yn cadw'r hawl i enwi ysgol nad yw'n ysgol y dalgylch.

Sylwer bod gan ysgolion ddyletswydd i dderbyn plant â Datganiad o Anghenion Addysgol Arbennig sydd wedi'u gosod yn yr ysgol gan yr AALI a chaiff y disgyblion hyn eu cyfrif tuag at y nifer a dderbynnir hyd at y Rhif Derbyn, oni bai eu bod yn cael eu gosod mewn Cyfleuster Addysgu Arbenigol â lleoedd cynlluniedig.

Ysgolion a Gynorthwyir yn Wirfoddol

Penderfynir ar geisiadau i ysgolion gwirfoddol a gynorthwyir drwy gyfeirio at y meini prawf derbyn a osodwyd gan y Corff Llywodraethu. (Cyrff Llywodraethu Ysgolion Gwirfoddol a Gynorthwyir sy'n gyfrifol am bennu eu trefniadau derbyn hwy).

(f) Gweithdrefnau Derbyn – Ysgolion Cymunedol

Gofynnir i rieni wneud cais ar-lein neu drwy lythyr am le i'w plentyn yn ysgol y dalgylch neu ar gyfer lleoliad drwy ddewis ar ffurflen cais am dderbyn.

Rhoddir lle mewn ysgol os oes lle ar gael. Os ceir mwy o geisiadau na'r lleoedd sydd ar gael yn ôl y Rhif Derbyn cyhoeddedig, dyrennir y ceisiadau yn ôl meini prawf derbyn yr AALI.

Ni fydd gan blant sy'n mynd i ddosbarth meithrin mewn ysgol hawl awtomatig i addysg amser llawn yn yr un ysgol. Bydd yn rhaid i rieni wneud cais am le gyda'r ymgeiswyr eraill.

Er bod yr ALI yn caniatáu i ddisgyblion ddechrau yn y Derbyn amser llawn ar ddechrau'r flwyddyn y byddant yn cyrraedd eu pen-blwydd yn bump oed, nid yw'n ofynnol yn ôl y gyfraith i blentyn ddechrau yn yr ysgol tan ddechrau'r tymor wedi iddo gyrraedd pum mlwydd oed. Felly, os yw rhiant y plentyn am ohirio mynediad i'r dosbarth Derbyn tan yn ddiweddarach yn y flwyddyn ysgol, mae'n rhaid dyrannu lle i'r plentyn hwnnw, ac ni chynigir y lle hwn i unrhyw blentyn arall. Sut bynnag, ni ellir gohirio mynediad ar ôl dechrau'r tymor wedi pen-blwydd y plentyn yn bum mlwydd oed, neu y tu hwnt i'r flwyddyn academaidd y derbyniwyd y cais gwreidiol ynddi.

Prosesir ceisiadau derbyn i'r grŵp oedran perthnasol (h.y. y grŵp oedran y caiff plant eu derbyn i'r ysgol fel arfer) a gyflwynir ar, neu cyn y dyddiad cau gweinyddol, sef dydd Gwener 4 Mawrth, 2016 gyda'i gilydd, a dyrennir y lleoedd yn unol â'r meini prawf derbyn uchod. Yn hyn o beth, nid oes unrhyw fantais i gyflwyno'r cais derbyn yn gynnar. Caiff ceisiadau a gyflwynir wedi'r dyddiad cau eu prosesu wrth gael eu derbyn.

Ni cheir penderfyniadau ar geisiadau ar sail meini prawf dewis sy'n cynnwys sefyll profion, gweld adroddiadau ysgol, neu gyfweld â disgyblion gyda neu heb eu rhieni at ddibenion asesu gallu neu dueddfryd. Bydd rhieni sydd wedi cyflwyno cais erbyn 4 Mawrth 2016 yn cael gwybod ble y dynodwyd lle iddynt erbyn 23 Ebrill 2016.

Yr Hawl i Apelio

Caiff rhieni eu hysbysu drwy lythyr ynglŷn ag a fu eu cais yn llwyddiannus ai peidio. Os gwrthodwyd eu cais, hysbysir rhieni bod ganddynt hawl i apelio i Banel Apêl Annibynnol. Os byddant yn dewis defnyddio'r hawl honno, rhaid cyflwyno'r apêl i'r Uned Ysgolion a Llywodraethwyr yn Neuadd y Ddinas erbyn dydd Gwener 20 Mai 2016. Caiff yr apêl ei ystyried gan Banel Apêl Annibynnol sy'n cynnwys 3 i 5 person, sef pobl lleyg a phobl â phrofiad o faes addysg.

Sylwer:

Oherwydd uchafswm statudol maint dosbarthiadau, sef 30, mae'r amgylchiadau lle gall apêl am le mewn dosbarth Babanod (Derbyn, Blwyddyn 1 a Blwyddyn 2) lwyddo yn gyfyngedig iawn.

Rhestrau Aros

Os gwrthodir lle i blentyn mewn ysgol, caiff y plentyn ei roi ar y rhestr aros a chynigir cyfle i gwrdd â Phanel Apêl Annibynnol. Bydd enw disgybl yn parhau ar y rhestr aros am y flwyddyn academaidd gyfan a bydd yn cael ei ddileu os bydd apêl yn llwyddiannus neu os bydd rhiant yn cadarnhau'n ysgrifenedig nad yw bellach am i'w blentyn barhau ar y rhestr aros. Os bydd lle ar gael, caiff ei ddyrannu gan yr ALI yn unol â'r meini prawf derbyn.

Ni fydd dyletswydd ar yr ALI i gydymffurfio â'r dewis a fynegir oni bai ei fod yn unol â'i drefniadau.

Sylwer Yn ystod y cyfnod hwn, mae'n bosib y bydd yr Awdurdod Lleol (ALI) yn cynnal ymgynghoriad er mwyn cynnig newidiadau i nifer o ddalgylchoedd.

TREFNIADAU DERBYN 2016/2017 (Blynyddoedd Uwchradd 7-11)

Lleoli Cychwynnol, Dewis Rhieni a Cheisiadau Trosglwyddo

Yr Awdurdod Lleol, yr ALI, yw'r awdurdod derbyn ar gyfer holl ysgolion cymunedol yr ardal.

Gwahoddir pob plentyn sydd ar fin trosglwyddo o addysg gynradd i uwchradd i wneud cais am le yn ysgol y dalgylch a gynhelir gan yr ALI.

Gall rhieni wneud cais am le yn ysgol y dalgylch ar-lein neu'n ysgrifenedig neu fynegi dewis am le mewn ysgol arall. Caniateir lleoliad trwy ddewis os na fydd:

- yn peryglu darparu addysg effeithlon neu'r defnydd effeithlon o adnoddau, ac
- ar gyfer ysgolion a gynorthwyir yn wirfoddol, yn anghyson â'r trefniadau derbyn a gytunwyd rhwng y Corff Llywodraethu a'r ALI.

Rhoddir blaenoriaeth i'r rhieni sy'n mynegi dewis ar-lein neu'n ysgrifenedig am le mewn unrhyw ysgol dros y rhai sydd heb fynegi dewis.

(a) Terfynau Derbyn – Ysgolion Cymunedol

Pennir argaeledd lleoedd trwy gyfeirio at Nifer Derbyn yr ysgol. Mae'n rhaid i ysgolion dderbyn hyd at y Nifer Derbyn ym mlwyddyn y derbyn ac mae'n rhaid peidio â mynd dros y nifer hwn.

Mae'r Nifer Derbyn yn berthnasol i bob grŵp blwyddyn.

(b) Meini Prawf Derbyn – Ysgolion Cymunedol

Os cafwyd mwy o geisiadau ar gyfer ysgol na'r lleoedd sydd ar gael, bydd y drefn flaenoriaeth ganlynol yn berthnasol:

- 1. Plant sydd yng ngofal yr Awdurdod Lleol, h.y. Plant sy'n Derbyn Gofal (PDG) neu'r rhai a oedd yn derbyn gofal*.
- 2. Plant sy'n byw yn nalgylch penodol yr ysgol. Os bydd mwy o geisiadau na lleoedd, caiff lleoedd eu dyrannu yn nhrefn pellter, gyda'r rhai sy'n byw agosaf at yr ysgol (y llwybr cerdded byrraf sydd ar gael) yn cael blaenoriaeth**.
- 3. Plant y mae eu brawd neu eu chwaer o oedran ysgol statudol yn mynd i'r ysgol ar adeg eu derbyn***. Os bydd mwy o geisiadau na lleoedd, caiff lleoedd eu dyrannu yn nhrefn pellter, gyda'r rhai sy'n byw agosaf at yr ysgol (y llwybr cerdded byrraf sydd ar gael) yn cael blaenoriaeth**.
- 4. Plant sy'n mynychu ysgol gynradd bartner ddynodedig ond sy'n byw y tu allan i ddalgylch yr ysgol honno. Os bydd mwy o geisiadau na lleoedd, caiff y lleoedd eu dyrannu yn nhrefn pellter, gyda'r rhai sy'n byw agosaf at yr ysgol yn cael blaenoriaeth**.

- 5. Plant eraill nad yw meini prawf 1 i 4 uchod yn berthnasol iddynt. Os bydd mwy o geisiadau na lleoedd, caiff y lleoedd eu dyrannu yn nhrefn pellter, gyda'r rhai sy'n byw agosaf at yr ysgol yn cael blaenoriaeth**.
- *Plant a oedd yn derbyn gofal: plant a oedd yn derbyn gofal ond mae'r gofal wedi dod i ben oherwydd eu bod wedi cael eu mabwysiadu neu y gwnaed gorchymyn preswyl, neu orchymyn gwarcheidwaeth arbennig yn eu cylch yn syth ar ôl iddynt dderbyn gofal.
- **Mesurir y pellter o'r tu allan i fynedfa'r eiddo (tŷ neu fflat) i fynedfa swyddogol agosaf yr ysgol. Defnyddir rhaglen gyfrifiadur i fesur y pellter.
- *** Diffinnir brawd neu chwaer fel plentyn naturiol neu blentyn sydd wedi'i fabwysiadu'n gyfreithlon gan y naill riant neu'r llall sy'n byw yn yr un cyfeiriad. Mewn sefyllfa pan fo un lle ar gael, ac mae'r plant cymwys nesaf yn efeilliaid/dripledi, bydd yr ALI yn derbyn y ddau/tri phlentyn.

Penderfynir ar geisiadau i drosglwyddo plant o un ysgol i'r llall ar adegau heblaw am yr oedran trosglwyddo arferol trwy ddefnyddio'r meini prawf derbyn uchod.

Ni fydd yr ALI yn darparu cludiant nac yn cyfrannu at gostau cludiant ar gyfer plant sy'n cael eu derbyn o'r tu allan i ddalgylch penodol yr ysgol. Serch hynny, os yw grŵp blwyddyn ysgol y dalgylch yn llawn, darperir cludiant i'r ysgol agosaf y mae lle ynddi, os yw'r ysgol yn fwy na 3 milltir o bellter cerdded o'r cartref.

Plant â datganiad o Anghenion Addysgol Arbennig

Nid yw'r meini prawf derbyn yn berthnasol i ddisgyblion y mae gan yr ALI ddatganiad o anghenion addysgol arbennig ar eu cyfer, ond mae hawliau'r rhieni i fod yn rhan o leoli eu plant wedi'u hamddiffyn gan y gyfraith. Bydd yr ALI, mewn ymgynghoriad â rhieni ac ysgolion, yn penderfynu ym mha ysgol y bydd yr addysg yn cael ei darparu. Mae'r ALI yn cadw'r hawl i enwi ysgol nad yw'n ysgol y dalgylch.

Mae gan ysgolion ddyletswydd i dderbyn plant â Datganiad o Anghenion Addysgol Arbennig sydd wedi'u rhoi mewn ysgol gan yr ALI a chaiff y disgyblion hyn eu cyfrif tuag at y nifer a dderbynnir hyd at y Nifer Derbyn, oni bai eu bod yn cael eu rhoi mewn Cyfleuster Addysgu Arbenigol â lleoedd cynlluniedig.

Ysgolion a Gynorthwyir yn Wirfoddol

Penderfynir ar geisiadau i ysgolion a gynorthwyir yn wirfoddol trwy gyfeirio at y meini prawf derbyn a bennwyd gan y Corff Llywodraethu.

(c) Trefniadau Derbyn – Ysgolion Cymunedol

Gofynnir i rieni wneud cais ar-lein neu'n ysgrifenedig am le i'w plentyn yn ysgol y dalgylch neu ar gyfer lleoliad arall trwy ddewis ar ffurflen cais am dderbyn.

Ar gyfer trosglwyddo ar adegau eraill yn ystod y flwyddyn ysgol, mae'n rhaid llenwi ffurflen gais a'i dychwelyd i'r Uned Ysgolion a Llywodraethwyr yn y Ganolfan Ddinesig.

Rhoddir lle mewn ysgol os oes lle ar gael fel a bennir gan y Nifer Derbyn cyhoeddedig.

Lle mae'r ceisiadau am leoedd yn fwy na nifer y lleoedd sydd ar gael, dyrennir y lleoedd yn ôl meini prawf derbyn yr ALI.

Bydd ceisiadau am leoedd yn y grŵp oedran perthnasol (h.y. y grŵp oedran y caiff plant eu rhoi ynddo yn yr ysgol fel arfer) a gyflwynir ar neu cyn y dyddiad cau gweinyddol, sef dydd Gwener 27 Tachwedd 2015, yn cael eu prosesu gyda'i gilydd. Yn hyn o beth, nid oes unrhyw fantais i gyflwyno'r cais yn gynnar. Bydd ceisiadau a gyflwynir wedi'r dyddiad cau'n cael eu prosesu ar ôl eu derbyn.

Ni cheir penderfyniadau ar geisiadau ar sail meini prawf dewis sy'n cynnwys sefyll profion, gweld adroddiadau ysgol, neu gyfweld â disgyblion gyda neu heb eu rhieni at ddibenion asesu gallu neu dueddfryd.

Ni fydd dyletswydd ar yr ALI i gydymffurfio â'r dewis a fynegir oni bai ei fod yn unol â'i drefniadau. Bydd rhieni sydd wedi cyflwyno cais erbyn 27 Tachwedd 2015 yn cael gwybod ble y dynodwyd lle iddynt erbyn 1 Mawrth 2016.

Yr Hawl i Apelio

Caiff rhieni eu hysbysu trwy lythyr a fu eu cais yn llwyddiannus. Os gwrthodwyd eu cais, hysbysir rhieni bod ganddynt hawl i apelio i Banel Apêl Annibynnol. Os byddant yn dewis arfer yr hawl honno, mae'n rhaid cyflwyno'r apêl i'r Uned Ysgolion a Llywodraethwyr yn y Ganolfan Ddinesig erbyn dydd Llun 1 Ebrill 2016. Caiff yr apêl ei ystyried gan Banel Apêl Annibynnol â rhwng 3 a 5 person, sef pobl leyg a phobl â phrofiad o faes addysg.

Rhestrau Aros

Os gwrthodir lle i blentyn mewn ysgol, caiff y plentyn ei roi ar y rhestr aros a chynigir cyfle i gwrdd â Phanel Apêl Annibynnol. Bydd enw disgybl yn parhau ar y rhestr aros am y flwyddyn academaidd gyfan a bydd yn cael ei ddileu os bydd apêl yn llwyddiannus neu os bydd rhiant yn cadarnhau'n ysgrifenedig nad yw bellach am i'w blentyn barhau ar y rhestr aros. Os bydd lle ar gael, caiff ei ddyrannu gan yr ALI yn unol â'r meini prawf derbyn.

Ni fydd dyletswydd ar yr ALI i gydymffurfio â'r dewis a fynegir oni bai ei fod yn unol â'i drefniadau.

Sylwer Yn ystod y cyfnod hwn, mae'n bosib y bydd yr Awdurdod Lleol (ALI) yn cynnal ymgynghoriad er mwyn cynnig newidiadau i nifer o ddalgylchoedd.

Derbyniadau i'r Chweched Dosbarth Meini Prawf Mynediad

Dyddiad Cau ar gyfer Derbyn Ceisiadau

Gall ymgeiswyr wneud cais am le mewn chweched dosbarth yn un o ysgolion Abertawe yn nhymor y gwanwyn ar gyfer y mis Medi canlynol. Y dyddiadau cau ar gyfer derbyn ceisiadau fydd **DYDDIAD I'W ROI YMA GAN YR YSGOLION**.

Cynnig Dros Dro

Cynigir lle dros dro i ymgeiswyr. Bydd y lle dros dro hwn yn amodol ar gyflawni cymwysterau mynediad penodol fel a gyhoeddir gan bob ysgol unigol. Dylid cysylltu â'r ysgolion ynglŷn â'u cymwysterau mynediad penodol.

Canlyniadau TGAU/Cyfwerth

Pan gyhoeddir graddau TGAU, sef y trydydd dydd Iau ym mis Awst fel arfer, bydd angen i ddisgyblion unigol gysylltu â'r ysgol o'i ddewis i gadarnhau graddau TGAU neu ganlyniadau arholiad cyfwerth.

Dewis o Bynciau

Bydd ymgeiswyr sydd wedi cyflawni graddau boddhaol mewn arholiadau TGAU neu gyfwerth yn cael cynnig pendant o le yn y chweched dosbarth yn yr ysgol o'u dewis os bydd lleoedd ar gael. Fodd bynnag, dylid nodi y gallai fod yn amhosib astudio <u>pob un</u> o'r pynciau a ddewiswyd yn yr ysgol a ddewiswyd. Gallai fod angen i fyfyrwyr gysylltu â chweched dosbarth mewn ysgol arall i astudio rhai pynciau o'u dewis.

Mae'n bosib y bydd myfyrwyr sydd wedi cyflawni graddau boddhaol mewn arholiadau TGAU neu gyfwerth ond nad ydynt yn gallu astudio'r holl bynciau o'u dewis yn yr ysgol o'u dewis yn cael cynnig dewis arall o'r pynciau sy'n cael eu haddysgu yn y lleoliad hwnnw. Neu gall y myfyrwyr hyn geisio lle mewn lleoliad arall, h.y. chweched dosbarth mewn ysgol arall yn Abertawe neu yng Ngholeg Gŵyr.

Ni fydd gofyn i ymgeiswyr gael cyfweliad mynediad.

Terfynau Mynediad – Chweched Dosbarth

Gall pob chweched dosbarth mewn ysgol dderbyn hyd at eu Nifer Derbyn ar yr amod bod y myfyrwyr yn cyflawni gofynion mynediad yr ysgol (sydd ar gael gan bob ysgol unigol) yn y flwyddyn fynediad h.y. Blwyddyn 12 yn y chweched dosbarth. Byddai'n dderbyniol mynd y tu hwnt i'r Nifer Derbyn os nad oedd modd bodloni'r galw am y cyrsiau sydd ar gael. Mae'n rhaid rhoi hawl apelio i rieni a disgyblion y mae eu cais am le yn chweched dosbarth yr ysgol yn cael ei wrthod.

Trefniadau Derbyn

Rhoddir y cyfrifoldeb am y trefniadau derbyn ar gyfer blynyddoedd 12 a 13 mewn ysgolion cymunedol a gynhelir i'r sefydliadau'n uniongyrchol. Gellir gofyn am fanylion trefniadau derbyn ysgolion a gynorthwyir yn wirfoddol yn uniongyrchol gan y sefydliadau perthnasol a bydd y rhain yn rhan o'u polisïau derbyn.

Rhestr Aros

Os bydd gorysgrifio am leoedd mewn chweched dosbarth ac ni all yr ysgol fodloni'r galw am gyrsiau, caiff rhestr aros ei chynnal. Bydd ymgeiswyr sydd wedi bodloni'r meini prawf mynediad (gweler uchod) ond y mae eu cais am le wedi cael ei wrthod oherwydd prinder lle yn cael cyfle i roi eu henwau ar restr aros. Os daw lle/oedd ar gael, bydd ymgeiswyr y mae eu henwau ar y rhestr aros yn cael cynnig lle yn unol â'r meini prawf mynediad (gweler isod).

Meini Prawf Mynediad

I ddisgyblion sy'n cyflawni'r cymwysterau mynediad penodol pan fo mwy o geisiadau wedi cael eu derbyn ar gyfer unrhyw chweched dosbarth na'r lleoedd sydd ar gael, caiff y drefn flaenoriaeth ganlynol ei dilyn:

- 1. Disgyblion sy'n derbyn gofal gan yr awdurdod lleol (PDG) neu'r rhai a oedd yn derbyn gofal*.
- Disgyblion sy'n byw o fewn dalgylch diffiniedig yr ysgol. Os bydd mwy o geisiadau na lleoedd, caiff y lleoedd eu dyrannu yn ôl pellter, gyda'r rhai sy'n byw agosaf i'r ysgol (y daith gerdded fyrraf) yn cael blaenoriaeth.**
- 3. Disgyblion y mae ganddynt frawd neu chwaer o oedran ysgol statudol *** sy'n mynd i'r ysgol adeg eu derbyn****. Os bydd mwy o geisiadau na lleoedd, caiff y lleoedd eu dyrannu yn ôl pellter, gyda'r rhai sy'n byw agosaf i'r ysgol (y daith gerdded fyrraf) yn cael blaenoriaeth **
- 4. Disgyblion a aeth i'r ysgol ym Mlwyddyn 11 ond sy'n byw y tu allan i ddalgylch yr ysgol honno. Os bydd mwy o geisiadau na lleoedd, caiff y lleoedd eu dyrannu yn ôl pellter, gyda'r rhai sy'n byw agosaf i'r ysgol (y daith gerdded fyrraf) yn cael blaenoriaeth.**
- 5. Disgyblion eraill y gwnaed cais am le drostynt nad yw meini prawf 1 i 4 uchod yn berthnasol iddynt. Os bydd mwy o geisiadau na lleoedd, caiff y lleoedd eu dyrannu yn ôl pellter, gyda'r rhai sy'n byw agosaf i'r ysgol (y daith gerdded fyrraf) yn cael blaenoriaeth.**

*Plant a oedd yn derbyn gofal: plant a oedd yn derbyn gofal ond mae'r gofal wedi dod i ben oherwydd eu bod wedi cael eu mabwysiadu neu y gwnaed gorchymyn preswyl, neu orchymyn gwarcheidwaeth arbennig yn eu cylch yn syth ar ôl iddynt dderbyn gofal.

**Mesurir pob llwybr gan gyfrifiadur gan ystyried y pellter o'r cartref i'r ysgol ar hyd y llwybr cerdded byrraf sydd ar gael. Cymerir y mesuriadau o'r tu allan i fynedfa'r cartref (tŷ neu fflat) i fynedfa swyddogol agosaf yr ysgol.

***Diffinnir oedran ysgol statudol fel disgyblion sydd rhwng 5 ac 16 oed h.y. disgyblion mewn unrhyw grŵp blwyddyn rhwng ac yn cynnwys y dosbarth Derbyn a Blwyddyn 11.

****Diffinnir brawd neu chwaer fel plentyn naturiol neu blentyn sydd wedi'i fabwysiadu'n gyfreithlon gan y naill riant neu'r llall sy'n byw yn yr un cyfeiriad. SYLWER: Gall nifer bach o ddisgyblion â datganiadau AAA drosglwyddo i chweched dosbarthiadau mewn ysgolion yn Abertawe. Gwneir y penderfyniad ar drosglwyddo gan yr awdurdod lleol mewn ymgynghoriad â'r ysgol berthnasol.

Joint Report of the Presiding Member, Monitoring Officer and Head of Democratic Services

Council – 31 March 2015

AMENDMENTS TO THE COUNCIL CONSTITUTION & COUNCIL DIARY 2015-2016

Purpose: To make amendments in order to simplify, improve and /

or add to the Council Constitution and to outline the draft

Council Diary 2015-2016.

Policy Framework: None.

Reason for Decision: A decision of Council is required to change the Council

Constitution.

Consultation: Finance, Legal

Recommendation(s): It is recommended that:

1) The changes to the Council Constitution as outlined in Paragraph 3 together with any further consequential changes be adopted;

2) The Council Diary 2015-2016 be noted and be resubmitted to the Annual

Meeting of Council on 19 May 2015 for formal adoption.

Report Author: Huw Evans

Finance Officer: Carl Billingsley

Legal Officer: Tracey Meredith / Patrick Arran

Access to Services Officer: Euros Owen

1. Introduction

1.1 In compliance with the Local Government Act 2000, the City and County of Swansea has adopted a Council Constitution. A number of issues have arisen since adoption and in order to maintain the aims, principles and procedures set out in Articles 1 and 15 of the Council Constitution, it is proposed that the amendments set out below should be made to the Constitution.

2. Delegated Minor Corrections to the Council Constitution

2.1 There are no delegated minor corrections to the Council Constitution.

3. Amendments to the Council Constitution

- 3.1 This report outlines a number of suggested amendments to the Council Constitution. The amendments are within the following area of the Council Constitution:
 - a) Part 4 Council Procedure Rules:
 - b) Part 4 Access to Information Procedure Rules;
 - c) Part 4 Cabinet Procedure Rules.

3.2 Access to Council Summons and Cabinet Agendas - 5 Clear Working Days

- 3.2.1 Council at its meeting on 15 April 2014, resolved to amend the Council Constitution in order to allow a period of 7 clear working days to be given between the publication of its Council Summons and Cabinet agendas and the date of the meeting. This decision took effect during the 2014-2015 Municipal Year.
- 3.2.2 Council at its meeting on 9 September 2014 amended this requirement so as to allow that the 7 clear working day rule be waived in exceptional circumstances provided written agreement (Via e-mail) is received from the Presiding Member, Monitoring Officer and / or Head of Democratic Services
- 3.2.3 The review of the 7 clear working day rule has continued and a number of issues have arisen because of the rule. The main recurring issue being that reports are having to be finalised so far ahead of the meeting, that Officers and Cabinet Members are having to sign them off in the full knowledge that a multitude of issues may arise prior to the meeting and that the report would need to be verbally updated at Council and Cabinet. Clearly, this is could be perceived as not good governance as may not allow due careful consideration of the items which require a decision.
- 3.2.4 In light of this, it is suggested that the 7 clear working day rule be reduced. The legislative minimum is 3 clear working days. The Authority remains mindful that 3 clear working days is not always sufficient and it is therefore proposed that a 5 clear working day rule be established for the Council Summons and for Cabinet Agendas.
- 3.2.5 This proposal will require changes to be made to the Council Procedure Rules, Access to Information Procedure Rules and to the Cabinet Procedure Rules. The proposal will also require consequential amendments to areas such as the submission date for Notices of Motion, Councillor Questions and Public Presentations and Question Time.

4. Council Diary 2015-2016

- 4.1 The draft Council Diary 2015-2016 is attached as **Appendix A**. The Head of Democratic Services has attempted to make the sequence of meetings more user and public friendly for this period by attempting to put a pattern of meetings in place.
- 4.2 With the occasional exception due to Bank Holidays and Christmas, meetings will now fall on a regular pattern of cycles. An example of some of the meeting patterns are outlined below:

Council Body	Frequency
Corporate Parenting Forum	1st Monday every 2nd Month
Communities CAC	1st Tuesday each Month
Business & Administration CAC	1st Wednesday each Month
Standards Committee	1st Friday every 3rd Month
Scrutiny Programme Committee	2 nd Monday each Month

5. Equality and Engagement Implications

5.1 An Equality Impact Assessment (EIA) screening process took place prior to the consultation period. The outcome indicated that it was low priority and a full report was not required.

6. Financial Implications

6.1 There are no specific financial implications associated with this report.

7. Legal Implications

7.1 There are no specific legal implications associated with this report. The amended version of the Council Constitution will be available at www.swansea.gov.uk/constitution

Background Papers: None.

Agenda Item 12.a

Report of the Constitution Working Group

Council – 31 March 2015

LOCAL DEVELOPMENT PLAN PETITIONS

Purpose: To agree a mechanism for all petitioners to proposed

Local Development Plan (LDP) allocations to be heard.

Policy Framework: Planning and Compulsory Purchase Act 2004; The

Environmental Assessment of Plans and Programmes (Wales) Regulations 2004; Local Development Plans Wales Guidance 2005; Local Development Plan Manual 2006; The Habitats Regulations (the Conservation (Natural Habitats & Conservation) (Amendment) (England & Wales) Regulations 2007; Wales Spatial Plan 2008; Planning Policy Wales, 2010 (as amended), and related Ministerial Interim Planning

Policy Statements and Technical Advice Notes.

Reason for Decision: To progress the LDP in accordance with the Welsh

Government approved Delivery Agreement and to

guide the preparation of the Deposit Plan.

Consultation: Legal, Finance and Access to Services.

Recommendation(s): It is recommended that:

- the opportunity to present valid petitions be afforded to all petitioners objecting to proposed A and potential B-List LDP sites (including those sites subject of multiple letters of objection) and that site promoters be afforded the right to reply:
- 2) the threshold for hearing petitioners remains 30 names as specified in the Constitution unless a lower number of signatures is agreed by the Portfolio Holder for Petitions; and
- 3) all petitions be heard at a series of extraordinary meetings of full Council and considered in context with other proposed or potential LDP sites; or
- 4) the Constitution be amended to enable valid petitions to be reported to Council for final decision following consideration at:
 - (i) Planning Committee;
 - (ii) the LDP Advisory Group; or
 - (iii) a Special Petitions Committee created for that purpose

1. Background

- 1.1 In response to the LDP Candidate Site consultation process and more recent consultation on the Draft Proposals Map 35 petitions (of over 30 signatories) were received relating to 55 of the more than 550 Candidate Sites with collectively over 16,000 signatures.
- 1.2 A further 31 Candidate Sites have been subject of multiple (i.e. more than twenty) identical letters of objection. These are also classified as petition sites. Thus in total there are 86 sites which are effectively subject of 'petition'.
- 1.3 Lead petitioners have been kept informed of LDP preparation progress and advised that they would be given the opportunity to speak at the appropriate time should the site subject of their objection be put forward for inclusion in the Deposit Plan earliest anticipated date June 2015. No such commitment has been given in relation to sites subject of multiple letters of objection where there is no obvious lead petitioner.
- 1.4 Sites considered suitable for inclusion in the LDP are categorised as A-list sites. B-list sites are also potentially suitable for inclusion, but due to availability of sequentially preferable sites in policy terms, development constraints, or for locational (market) reasons, they have not been included in the plan at the present time. C-list sites are sites subject of fundamental constraint, or are not of sufficient scale to be allocated in the LDP (less than 10 units), or have been withdrawn for various reasons. The C-list sites were reported to Council in August 2014 when it was agreed that they would not feature as allocations in the LDP.
- 1.5 Details of the petition sites are set out in the **Schedule of Proposed LDP Allocations Subject of Petition** accompanying this report and summarised in Table 1 below:

Table 1: Categorisation of LDP Candidate Sites subject of petition

Categorisation	Number of sites
A-list	19
B-list	8
C-list*	50
Commitments	5
No change proposed	3
Boundary amendment	1
Total	86

^{*} Total includes those sites which failed Stages 1 & 2 of the assessment process or have been withdrawn

1.6 Almost 60% of the petitions (50) can immediately be discounted from further consideration as the C-list sites to which they refer are not being considered for inclusion in the LDP. In addition, those sites categorised as 'commitments' are sites which have the benefit of planning permission and in some cases development has already commenced on site. The LDP is not a further opportunity to object to these proposals and the five petitions in relation to these sites can be discounted as invalid. Three petitions relate to protection of land which is not being proposed for development in the LDP, again these are not valid as there are no proposals to petition against.

- 1.7 A further site (OY003) is subject of a boundary amendment to include the land within the urban settlement boundary. However no allocation is proposed for the site which will be shown as White Land in the LDP (i.e. land where existing use is expected to continue, but future development proposals may be brought forward for consideration on their individual merits). Further consultation will be carried out if an application is submitted in future, but there are no proposals to be considered at this time.
- 1.8 This leaves 19 A-list sites (out of a total 100 proposed allocations) subject of petition which collectively provide land for 2600 dwellings, i.e. around 15% of the total LDP housing requirement. There are also 8 B-list sites subject of petition which could become A-list sites if current A-list sites are rejected. The petitioners against any replacement sites should also be heard as appropriate before a decision is reached

2. Process for considering petitions

- 2.1 The Council's Constitution, which is in the process of being amended, currently states under Part 5: Petitions Procedure:
 - 3.2 From time to time the Council will engage in consultation with the public in relation to matters which have a high impact, of major public interest or of a sensitive nature. In these circumstances petitions may be referred directly to full Council as part of the consultation process. Petitioners will therefore have the ability to address all Councillors even if Council is not the decision making body. This will enable Council to consider all matters prior to making its views known to the ultimate decision making body
 - 3.3 In the situation envisaged by Paragraph 3.2, any petitions will be considered by the ultimate decision making body as part of a report and the petitioners will not address that decision making body directly
- 2.2 The formulation of Development Plan Strategy is a policy matter which must be agreed by Council and paragraph 3.2 of the Constitution makes clear that petitioners have the right to speak to Council. However it would be very difficult for Council to consider and make decisions on petition sites in isolation from and in advance of consideration of the LDP Deposit Plan.

- 2.3 Furthermore, should Council be minded to recommend exclusion of any proposed allocations after hearing petitioners, it could not do so until hearing the views of any petitioners against the alternative compensatory site(s) that would need to brought into the Plan within the same strategic housing policy zone to make up for any housing lost through exclusion.
- 2.4 A decision on which petition sites are to be included in the Deposit Plan must be made in advance of consideration of that document by Council. Therefore under current arrangements a series of extraordinary meetings of Council will need to be called to hear petitioners and decide which sites to include. A decision on these sites is urgently required as it is delaying the finalisation of the Deposit LDP and a new Delivery Agreement will need to be entered into with the Welsh Government.
- 2.5 The agreed protocol (further details set out in Appendix 1) provides for a total time of ten minutes for hearing each petition (a maximum of 5 minutes each for the objectors and the site proposers). In practice, allowing for changeovers and any overrun at the discretion of the chair this would mean that no more than 5 petitions could be heard per hour. However discussion of the merits of each site by Members will mean in practice that no more than 2 to 3 could be heard per hour
- 2.6 For multiple objection sites, there may be more than one person wishing to speak. However, the time limit remains 5 minutes and such 'petitioners' will need to be advised in advance in order to organise themselves and nominate a spokesperson.
- 2.7 When considering sites for inclusion in the LDP only matters of principle are considered in the context of the agreed Preferred Strategy. Matters of detail typically relevant to planning applications, such as loss of light or privacy, highway safety, traffic and parking, noise, amenity, design and appearance, etc. do not apply. Furthermore if a site is to be recommended for exclusion from the plan a replacement alternative needs to be identified at the same time to weigh up the merits and hear the objectors to that site before reaching a decision.
- 2.8 Details of all petitions were reported to the LDP Advisory Group in February 2015 and subsequently to the Constitution Working Group in March 2015 for further consideration. It was agreed that all valid petitions should be heard and that multiple identical letters of objection should be classified as petitions. It was confirmed that the selection of development sites for inclusion in the LDP is a policy matter and as such the final decision on site selection should be made by Council.
- 2.9 Petitioners will therefore need to be heard in a series of carefully managed whole-day meetings, suggested to be based on strategic housing policy zones. These meetings may either be extraordinary meetings of Council or, subject to Council agreement, delegated to another forum (such as the Planning Committee, LDP Advisory Group or

a specifically established Special Petitions Committee) that will report its findings to Council for final decision. A decision therefore needs to be made on which of the following options is the preferred mechanism for hearing petitions:

- i) Extraordinary Council;
- ii) Planning Committee;
- iii) LDP Advisory Group; or
- iv) Special Petitions Committee (which could be a meeting of (ii) or (iii) above).
- 2.10 Decisions on which sites to include/exclude has implications for the Deposit Plan which is the next stage of plan preparation. Any meetings to hear petitioners should therefore also consider which non-petition sites should be included in the LDP and this should form part of the final recommendation to Council. Any objections to sites included in the Deposit Plan following consultation will not be considered by Council, but are reported instead to the Planning Inspectorate for consideration at examination.

3. Equality and Engagement Implications

- 3.1 For the LDP itself, an Equality Impact Assessment scoping exercise has been undertaken in which it was highlighted that a full Assessment will have to be completed once LDP preparation reaches Deposit stage. Following discussions with the Access to Services Team, it is proposed that the Assessment will be produced as a background document to the Deposit LDP where it will be subject to a consultation period and any comments received will be taken into consideration.
- 3.2 For the purposes of this report, establishing a forum to enable petitioners to exercise their speaking rights will ensure that their concerns are heard and responded to appropriately. Once agreed, any process must take account of the relevant equality considerations, such as access and language needs.

4. Financial Implications

4.1 Whilst there are no immediate financial implications arising from preparation of the LDP, its adoption could result in additional expenditure at a future time. This does not mean that additional resources will be made available and it should be assumed that future spending needs will need to be contained within existing budget provision.

5. Legal Implications

5.1 The legal implications associated with this report are that any alternative approach to referring multiple petitioners to Council would require an amendment to the Council Constitution.

6.0 Conclusion

- 6.1 A proposed amendment to the Petitions Procedure in the Council Constitution Matters is highlighted in bold below which would enable Council to delegate the hearing of petitions as appropriate.
- 3.2 From time to time the Council will engage in consultation with the public in relation to matters which have a high impact, are of major public interest and/or of a sensitive nature. In these circumstances petitions may be referred directly to full Council as part of the consultation process. Alternatively, where a significant number of different petitions arise, for example during the preparation of a development plan or other corporate strategy, petitioners will be given an opportunity to express their views directly to a Special Petitions Committee. Petitioners will therefore have the opportunity to address all Councillors even if Council is not the decision making body, or in the event that a Special Petitions Committee is established petitioners will have the opportunity to address the Committee who shall consider all matters prior to making its views known to Council as the ultimate decision making body.
- 6.2 It should be noted that current petitions and objections are not carried forward to the LDP Examination only those made in response to the Deposit Plan. Any further such representations would be heard and considered by the Planning Inspectorate rather than the Council.

5 PETITIONS PROCEDURE

1 Petitions

- 1.1 From time to time members of the public will wish to make representations to the Council about a matter which is of general interest to a particular community.
- 1.2 In addition, where the Council is engaged in public consultation, petitions may be submitted as part of this process.

2 Receipt of Petitions

- 2.1 Petitions received by the Authority shall be passed to the Democratic Services (DS) Team.
- 2.2 Should a Petitioner wish to formally present a Petition of normally over 30 signatures (see paragraph 3.2 below) to the Authority, s/he should give notice to the DS Team.

3 Determining the Validity of Petitions

- 3.1 Petitions shall only be considered valid if they are in relation to something which falls under the remit of Council. Subject to paragraph 3.2, they will not be considered if they are in relation to:
 - a. The conduct or rights of an individual or individuals;
 - b. Staff/Trade Union matters of employment;
 - c. The same or substantially the same matter as an earlier petition received within the preceding six months;
 - d. Matters that must be decided by a separate Council body such as the Cabinet, Licensing Committee, Licensing Sub Committee, Development Management & Control Committee, or Area 1 and Area 2 Development Control Committee, in which case these petitions will be reported to the appropriate body and the petitioners invited to attend.
- 3.2 From time to time the Council will engage in consultation with the public in relation to matters which have a high impact, of major public interest or of a sensitive nature. In these circumstances petitions may be referred directly to full Council as part of the consultation process. Petitioners will therefore have the ability to address all Councillors even if Council is not the decision making body. This will enable Council to consider all matters prior to making its views known to the ultimate decision making body.
- 3.3 In the situation envisaged by Paragraph 3.2, any petitions will be considered by the ultimate decision making body as part of a report and the petitioners will not address that decision making body directly.

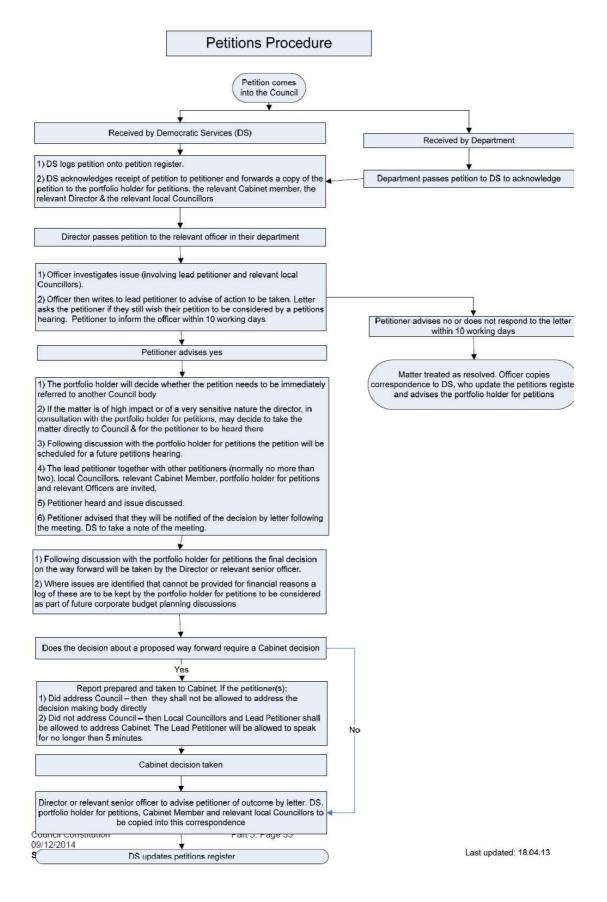

- 3.4 Petitions should normally have at least 30 signatures in order to validate them. However, the Portfolio Holder for Petitions shall have power to waive this requirement, should s/he determine that the subject of the petition affects a lesser number of people.
- 3.5 The DS Team would normally take the responsibility for determining whether a petition is valid. However, if there is uncertainty and the petition is lower than the required 30 signatures, the Portfolio Holder for Petitions shall determine the validity of the petition.
- 3.6 If the petition is deemed invalid, then the DS Team shall inform the Lead Petitioner of this and the relevant Department shall deal with it as general correspondence.

4 Petitions on related matters

4.1 The Authority often receives a number of petitions on related matters. Should 2 or more petitions be received on the same or substantially the same matters, then where possible, the Department will attempt to treat the matter as one issue.

5 Procedure for Dealing with Petitions

COUNCILLORS' QUESTIONS

PART A - SUPPLEMENTARIES

1. Councillors E W Fitzgerald, D G Sullivan, L James, S M Jones, K M Marsh, I M Richard & G D Walker.

Could the Leader state the cost of producing the Budget agenda, including all the additional papers that were sent to each Councillor?

Response by The Leader

The Extraordinary Meeting of Council held on 24 February 2015 contained all of the reports and supplementary papers required for Councillors to make an informed decision relating to the Council's budget. This information ran to approximately 669 sides of A4 paper.

The Council Summons relating to the budget included:

Agenda Items 4, 5 and 6 (224 sides of A4 paper) Statement of Accounts 2012-2013 (222 sides of A4 paper); Statement of Accounts 2013-2014 (223 sides of A4 paper).

The DesignPrint printing charge is 3p per click. A click is the cost of printing per side of paper. This cost includes all overheads (machine rental, staff, building etc) related to the printing and binding of the document.

The cost of printing the budget element of the Council Summons was:

Per Councillor (669 sides x 3p) = £20.07.

For all 72 Councillors (£20.07 x 72) = £1,445.04.

Councillors will also be aware of the ongoing channel shift within this Authority whereby Councillors are encouraged to modernise the way in which they work. To this end the Councillors ICT Allowance allows flexibility for a Councillor to manage their ICT needs directly. Training is freely available to Councillors to assist them in this modernisation process. Costs are being reduced due to the greater use of web links within reports and the associated reduction in the needs for paper copies.

2. Councillors A M Day, C A Holley & L G Thomas

In the Council Budget meeting on 24 February, the Cabinet Member for education said that she was making a change to the policy on disposal of surplus school land. She said that priority will be given to disposing of 'easily accessible, high value assets'. Can the Cabinet Member tell Council what she means by this with reference to some examples of what she means by 'easily accessible, high value assets'?

Response by Cabinet Member for Education

In November 2011, the former Lib Dem led Administration informed the WG that the match funding for the 21st Century Schools Programme of £25m was anticipated from the capital receipts realised through the disposal of surplus educational assets. In addition, WG was informed that the process of marketing the sites to realise the capital receipts was underway.

To date, about 1.8% of the target receipts have been obtained. The estimated receipts from the present land sale list represents, at best 15% of what is required. One question which therefore arises is to what extent this represents a realistic method of match funding the contribution from the Welsh Government.

To enable the Council to deliver its priorities across all services, it has to take a strategic approach to asset management which reflects 'joined up thinking' rather than piecemeal sales that may prevent it from delivering the Schools Programme.

The review of the policy will consider all assets across the County, in addition to the limited land identified in the former Administration's desk top exercise. This Labour led Council is bringing to market high value sites with existing access arrangements.

In view of the revelations in Rochdale, Rotherham and Oxford is the Leader able to assure Council and the public that there is no evidence that grooming of young girls is taking place in Swansea?

Response of The Leader

At the moment, there is no evidence that there is widespread grooming of young girls or boys in Swansea but we probably need to acknowledge that sometimes, young people in Swansea are sexually exploited, sometimes they are sexually abused and that sometimes this may involve the grooming of children and young people.

The Western Bay Safeguarding Board and the City and County of Swansea have recognised tackling child sexual exploitation as a strategic priority in children's safeguarding since 2013. Swansea Children Services has had policies and procedures in place as part of compliance with the all Wales child protection procedures for a number of years prior to this. As part of our multi agency safeguarding practice we have identified a number of young people either at risk of or who have been sexually exploited and have worked with the police, other professionals and families to put in place safety plans for those children and taken steps to disrupt criminal activity and prosecute perpetrators.

Sadly, sexual exploitation does happen in Swansea as elsewhere, however to date there has been no evidence of organised sexual exploitation via criminal gangs or groups of individuals.

There is no room for complacency in this regard and the Council continues to play a full part in the multi-agency safeguarding arrangements that are in place to ensure that children and young people are protected from all forms of abuse.

We held a conference on Child Sexual Exploitation in the Liberty stadium last October. It was attended by nearly 300 people from a wide-range of organisations across Swansea. The public sector, third sector & private sector group were all represented.

Work in schools is also invaluable. Children and Young People need to feel that they are taken seriously, listened to & that something will be done if they tell a trusted adult about an abuser.

Councillors have an important role as 'eyes and ears' in communities. Our social workers have been keenly aware of this issue for some time in Swansea but we **all** must be ever-vigilant and work with partners to ensure that our children and young people are kept safe.

4. Councillors M H Jones, J W Jones & J Newbury

In the Report on the Budget to Council on 24 February, reference was made in the section on Staffing Implications to numbers of ER/VR, Posts at Risk, etc. However, the report stated that the figures excluded school based staff. Can the Cabinet Member for Education tell Council how many teaching and non-teaching posts are likely to be made redundant, and can she indicate how many of these will be voluntary and how many will be compulsory?

Response by the Cabinet Member for Education

It is difficult to give exact numbers of posts at risk at this point in time as schools are still awaiting their indicative budget. However, based on a 5% proposed cut and initial information from Head Teachers predictions equate to potentially 1 or 2 staff redundancies from each school.

The predictions above would give total staff redundancies between 92 and 184. It should be noted, however, to date, we have received a number of applications for ER, 38 in total which would potentially reduce the estimated number of potential redundancies between 54 and 146.

Recent conversations with Governing Bodies indicate that these figures may be reduced further depending on school reserves and the ability to release funds towards setting a balanced budget.

It again is difficult at this early stage to indicate how many would be voluntary or compulsory basis.

5. Councillors E W Fitzgerald, D G Sullivan, L James, S M Jones, K M Marsh, I M Richard & G D Walker.

The Leader has indicated that some of the Council's budget will be devolved to Councillors for them to determine best use within their wards. Will there also be an option for Members to employ local contractors to deliver a chosen project rather than Council staff?

Response of The Leader

The Council has an existing scheme entitled "Ward Members Environmental Improvement Budgets" whereby a total of £13,000 has been allocated to each Ward Member for the current 5 year term.

Consideration is being given to extend this scheme in terms of increasing the amounts delegated and potentially the range of things that the money can be spent on. A new proposed scheme is currently being developed and the options will be progressed via Cabinet and following the appropriate consultation.

6. Councillors M H Jones, C A Holley, P M Meara

Will the Leader tell Council the total cost of moving the Councillors and support staff from the Civic centre to the Guildhall?

Response by The Leader

Final costs for the relocation including works to the Guildhall Chamber are still being established but when compared with the costs for reconfiguring the Council Chamber at the Civic Centre, there is an overall estimated saving of circa £200,000.

The moves are also aligned to the future proposed disposal of the Civic Centre with further significant savings expected in line with the Council Accommodation Strategy.

7. | Councillors J W Jones, P M Black, L G Thomas

As the focus is on regenerating the City Centre will the Cabinet Member inform Council what he is intending to do to protect the viability of the City Centre considering the fact that there are a number of retail outlets closing at Parc Fforestfach?

Response by the Cabinet Member for Enterprise, Development and Regeneration

We are working on a new Local Development Plan which will reinforce the established clear policy framework set out in the Unitary Development Plan and Supplementary Planning Guidance which sets out the priority afforded to the City Centre Retail Core area and to resist any further development that would be prejudicial to the retail core.

We are also reviewing the City Centre Strategic Framework which is currently out for consultation and this will provide further policy supporting the City Centre.

In addition we have marketed the St Davids city centre regeneration opportunity, held launches in London and Swansea which attracted over 200 people which will end in the selection of a preferred developer to take forward the regeneration of the city centre.

8. Councillors E W Fitzgerald, D G Sullivan, L James, S M Jones, K M Marsh, I M Richard & G D Walker.

Could the Leader or Cabinet Member explain why the number of residential units allocated for the Vetch site fell from 120 in the Original Masterplan to only 50 in the Revised Masterplan?

Response of The Leader/ Cabinet Member for Enterprise, Development and Regeneration

The rationale for reviewing the Original Masterplan was set out in a report approved by Cabinet on 11th February 2014. In summary the aspirations of the original Masterplan were deemed by Officers to be undeliverable as evidenced by a previous marketing process that did not produce any acceptable bids. In addition the temporary green space created since the demolition including the 'Vetch Veg' has been welcomed by the local community in an area where it is acknowledged through an Open Space Assessment carried out to inform the LDP process that provision of Open Space in the Castle Ward is deficient. A community consultation process has since been carried out in respect of the reviewed Masterplan and the revised Masterplan proposals were broadly supported by respondents although there was an element of respondents who wanted no development at the site. Cabinet is to consider a report on 17th March 2015 recommending the endorsement of the Vetch Field Masterplan Review and in order that it can be referred to the Planning Committee for adoption as Supplementary Planning Guidance.

9. Councillors J W Jones, C A Holley & M H Jones

Considering the fact that Swansea has been one of the poorest areas of the UK what progress has the Cabinet Member made in attracting jobs to the area which in turn will increase the spending power of its residents?

Response by the Cabinet Member for Transformation and Performance

The economic downturn suppressed inward investment activity for a long while during which time we concentrated on creating employment through maximising the value of our procurement and regeneration activity and the capacity of our own business community. As the economic climate is now recovering we are reinvigorating our approach across all activity.

Before the closure of the Workways project in December 2014 nearly 3300 Swansea residents, many of whom were categorised as economically inactive had participated in the scheme that was designed to increase the employability and skills of those farthest away from the job market. Of those participants, over 1000 left the project to move into employment.

This year with Beyond Bricks & Mortar we are currently working with 15 regeneration projects with some 29 trainees (13 of who are apprentices) currently on placement, receiving training and work experience as a direct result of our intervention. The training that people are receiving has been in brickwork, plumbing, electrical, administration and even supervisory and technical roles. Beyond Bricks & Mortar is also working with other public sector organisations including our higher and further education establishments to ensure that community benefits are achieved in their projects including employment opportunities for the long term unemployed and the economically inactive.

We are working with the Swansea Bay City Region and have produced and adopted a regional strategy that will guide future investments. In particular, we will be seeking investment in knowledge and innovation sectors through close collaboration with our universities and Welsh Government. We will also be working closely with UKT&I to develop sector propositions that they can present to future foreign investors demonstrating the strengths of Swansea and the wider region.

In the light of the recent report stating that Council Tax is the most common source of debt problems, could the relevant Cabinet Member inform Council:

How many people in Swansea are in Council Tax arrears?

How many new debtors would the Council expect as a result of the 4.8% rise in Council tax announced in the Budget?

What steps does the Council take to resolve problems over Council Tax arrears?

What counselling services are available to people in arrears?

Response by The Leader

1. How many people in Swansea are in Council Tax arrears?

9578 people currently owe council tax and are subject to a liability order for non-payment. This figure includes outstanding council tax for all financial years.

2. How many new debtors would the Council expect as a result of the 4.8% rise in Council tax announced in the Budget?

It is impossible to predict whether or not the increase will affect the numbers of people having difficulties with their payments. The Council offers a variety of payment methods and dates to suit all needs and takes recovery action in a timely manner to try and prevent payment problems arising in the first place. The number of liability orders issued during the past three financial years has fallen whereas the collection rate has improved year on year. This reflects improved collection procedures implemented over the past four years.

Financial Year	Number of Liability Orders	In Year Collection Rate
2012/13	9696	96.7%
2013/14	9075	96.8%
2014/15	8436	On target (96.8%)

It must also be borne in mind that the Welsh Government has maintained a level of 100% Council Tax Support for those deemed most in need in Wales.

3. What steps does the Council take to resolve problems over Council Tax arrears?

The Council is obliged to follow the statutory recovery process when council tax is not paid in accordance with the demand notice. However, if a council tax payer contacts the council tax section a mutually acceptable payment arrangement is always sought. If this cannot be achieved advice is given as outlined in 4 below.

4. What counselling services are available to people in arrears?

People are referred to the free debt advice organisations such as National Debtline, Citizens Advice Bureau, Step Change Debt Charity or the Money Advice Service. This information is also available on our website and is included with information sent with all liability orders.

11. Councillors L G Thomas P M Black, P M Meara

How many new homes does the Council expect to be built in Swansea during 2015, and what proportion of these will be affordable?

Response by the Cabinet Member for Housing and Communities.

The Swansea Joint Housing Land Availability Study Group chaired by the Council as local planning authority monitors housing build rates and forecasts future completions. Welsh Government guidance requires that this data is collated by financial year. For the period 2015-16 it is forecasted that around 560 dwelling units will be built. Of these it is estimated that around 230 (41%) will be affordable housing units, due to a significant number of schemes being brought forward by Registered Spcial Landlords.

12. PART B – NO SUPPLEMENTRIES

Councillors A M Day, J Newbury, T H Rees

The approved budget agreed that £22,000 will be removed from the Council's contribution to the WJEC. Can the Cabinet Member for Education tell Council: a. how many other Welsh local authorities are reducing their contributions and by how much, and,

b. what will be the impact of this reduction on services offered by the WJEC to schools and pupils in Swansea?

Response of the Cabinet Member for Education

"The WJEC is funded nationally by Local Authorities. There has been national agreement via the WLGA and ADEW to reduce the contribution funding in 2015/16 to around 43%. Each Local Authority has reduced their contribution by the same percentage and will be affected in the same way for 2015/16. The WJEC contribution covers 3 areas - Team Cefnogi (funding contribution to be removed completely in 2015/16), Youth Arts (30% of funding to be removed) and Education Resources (30% of funding to be removed). Discussion will take place with the Welsh Government with a view to reduce and remove the remaining contributions over the next few years.

The £22k of saving includes the WJEC reduced contribution and also the removal of small voluntary group funding (Tan Dance, CEWC Cymru)".

Appendices: Appendix A (Questions & Responses)

Providing Council with Written Responses to Questions at Council – 3 March 2015

1. Councillor M H Jones

Question

The written response refers to an annual servicing programme for mechanical and electrical installations. What is in place for general maintenance i.e. wear and tear such as painting?

Response of the Leader

Further to the response provided at Council on the 3 March, I can confirm that for non-school assets, general building maintenance is undertaken on a prioritised basis in relation to statutory compliance, Health & Safety requirements and business continuity. There is no programme of non essential planned maintenance such as painting & decoration given the limited budgets available. In relation to schools, all maintenance monies are devolved, in line with legislation and therefore schools and their governing bodies make the decisions as to any works carried out.

2. Councillor E W Fitzgerald

I have been informed that it is unlawful to cycle on a pavement; why then is the Council spending money to drop the kerbs for the use of cyclists?

Response of the Cabinet Member for Environment & Transportation

The dropped kerbs Councillor Fitzgerald is referring are located adjacent to M4 Jn47. The Councillor is quite correct that these footways are not currently designated as shared use paths (which is what would be required to permit cycling on them. The route from Penllergaer to Morriston along the A48 is regularly used by a number of cyclists during the peak hours and it is therefore considered desirable for the route to be formalised with the necessary infrastructure in the long term as funding opportunities allow.

The recent installation of drop kerbs around Jn47 were funded from Council funds for cycle improvements, and complemented a signage scheme installed across the City & County of Swansea to improve wayfinding for cyclists.

The dropped kerbs are intended only to offer a means for cyclists to cross Jn47 by walking their bicycles, which was not previously possible.

The benefit of dropped kerbs are universal to both pedestrians and cyclists, and it was considered that due to the proximity of these junctions to Penllergaer Primary, this would be a worthwhile investment for the benefit of those using these footways, including mothers with pushchairs and those with mobility aids.
