Change of use from residential (Class C3) to seven bed HMO at 4, Rosehill Terrace, Swansea.

Recommendation of approval not accepted.

Application refused contrary to recommendation for the following reasons:

Reasons

1. The proposal fails to provide adequate off-street parking provision in accordance with adopted parking standards and would result in additional pressure for on-street parking, including existing residents only parking areas, within the vicinity of the site to the detriment of highway safety and the free flow of traffic, contrary to Policies EV1, HC5 and AS6 of the City and County of Swansea Unitary Development Plan.

2. The proposed development, by virtue of the number of bedrooms, represents an over intensive use of the building, and would have a detrimental impact upon the residential amenities of the occupiers of neighbouring properties by virtue of general noise and disturbance. The proposal is therefore contrary to Policies EV1 and HC5 of the Unitary Development Plan 2008.

- (4) the undermentioned planning application **BE REFERRED** to the **DEVELOPMENT MANAGEMENT AND CONTROL COMMITTEE** with a recommendation that the application be **APPROVED** for the reasons indicated below:

(Item 6) Application No. 2014/0765

7. The development hereby approved shall be constructed in conjunction with the adjoining units (units 2-4), as shown on Approved Plan SP311(G)- P106 and shall not be a stand alone structure.
