30 **DISCUSSION WITH TIER 1 OUTREACH WORKERS.**

Gavin Evans, Helen Gaht and Michelle Baker outlined to the CAC the background to the services provided by the Tier 1 Outreach Team.

They indicated the team's main function is to establish the whereabouts of unknown young people and those that have been lost to the system. The team works in close partnership with Careers Wales to contact and engage young people and encourage them to get back into education/training/employment where appropriate.

They detailed and outlined the following areas of the teams work:

- Which young people are in Tier 1
- Why it is important to find and support young people
- Methods of how young people are found and engaged by staff
- Wide ranging, complex and varied type of issues encountered when young people are located

- What we do to assist and encourage them when we've found them
- Numbers of Tier 1 young people in Swansea compared to All Wales average
- The fact that some young people don't want help and don't currently want to be in the system
- Information sharing with Careers Wales and other Local Authorities if required
- Movement between tiers once the young people have been found and their needs identified
- Impact on NEET figures from Tier 1 movement
- Ability to pick up and engage young people from their "destination" stated when they leave school

Members asked questions regarding the subject areas above to which Officers responded accordingly.
