#### FOR INFORMATION

## 1.0 Introduction

- 1.1 The Archive Service is jointly funded by both the City and County of Swansea (CCS) and Neath Port Talbot County Borough Council (NPTCBC). Each authority is responsible for agreeing their level of contribution as part of their respective budget processes, always in the ratio of 68% (CCS) and 32% (NPTCBC).
- 1.2 This report includes the detailed 2017/2018 budget, shows the required contributions agreed by each Authority and lists the expected balances on reserves.

## 2.0 Revenue Budget 2017/18

- 2.1 The budget for 2017/2018 is expected to be £272,300, compared with the 2016/2017 original budget of £313,400. In line with the City and County of Swansea's budget assumptions a 1% pay award for 2017/2018 has been included, but no other price increases have been assumed. The detailed budget is shown in Appendix A.
- 2.2 The decrease of £41,100 is mainly as a result of the savings of £24,000 (16/17) and savings of £16,000 (17/18) and other minor amendments for pay inflation and changes to postage and insurance budgets.
- 2.3 The required contributions from the two partners are:

## **2. Service outreach**

### ***Commercial digitisation of the collections***

Preparations have taken place during the quarter for the launch of a significant tranche of the Archive Service collections on the Ancestry website in the coming month, including the testing of a beta-version test site and the compilation of publicity material.

### ***Development of an online aggregated catalogue for Wales***

The Archive Service is participating in an all-Wales project to put all its catalogues on an aggregated catalogue called the Archives Hub, which is controlled by Jisc, the digital research arm of the HE and FE sectors in the UK.

### ***Exhibitions and talks***

An exhibition was prepared for the event '*Our Abertawe: Celebrating Swansea Together*' taking a historical perspective on diversity and multiculturalism in the city.

In February, the '*Visions of Steel*' portable exhibition referred to in previous reports and based on work by Sandfields School year 7 pupils, was transferred from Ysgol Bae Baglan to Port Talbot Library.

The following talks were given by Archives staff to external groups during the quarter:

Glamorgan Family History Society  
Welsh Historic Gardens Trust

### ***Education Service***

Members of staff have conducted one or several sessions with the following schools during the last quarter, delivered either on or off-site:

Blaenymaes  
Cefn Hengoed

YGG Ystalyfera

Additionally, one on-site learning session was held for Department of History students of Swansea University.

## **3. Staff**

The 'Sustainable Swansea: Fit for the Future' £24K savings target for the joint service in 2017/2018 has been met through a 3:2 split in the funding for the County Archivist post between the joint service budget and City and County of Swansea Business Support. This involves the incorporation of new responsibilities into the role relating to information governance.

Rebecca Shields, Archives Reception Assistant, was named Archives Marketing Champion of the Year at the Marketing Excellence Awards for Museums, Archives and Libraries in Wales at a ceremony in the National Library of Wales in February.

## ***Training***

Two members of staff attended the basic training course 'Cleaning and repackaging archive materials'.

## **4. Professional meetings and partnership working**

Members of staff have attended the following professional meetings during the last quarter:

ARCW Cynefin Project Board  
South Wales Record Society Committee

The County Archivist took part in the stakeholder consultation by the National Library of Wales on its new strategy.

The Archive Service helped launch the South Wales Record Society 2016 volume at the National Waterfront Museum.

## **5. Archive collections**

Conservation work has continued during the quarter on the Neath Abbey Ironworks collection. This work received a 100% grant of £16,600 from the National Manuscripts Conservation Trust at the beginning of the financial year. As part of the final stages of the project, two members of staff assisted the external conservator with interleaving acid-free sheets into the storage folders in a move designed to improve the handling of the collection.

A comprehensive list of archives received during the period December 2016 to February 2017 is attached for information at Appendix 1.
