7 **TERMS OF REFERENCE. (FOR INFORMATION)**

The Chair outlined the Terms of Reference for the Committee for information.

Sarah Caulkin, Interim Corporate Director of Resources, outlined to Members the background and rationale behind the introduction of the Policy Development & Delivery Committees (PDDC's).

She indicated that the intention is they will focus on policy development and assurance of delivery. The aim is that the Committees will become a conduit for Members and Officers to work collaboratively, in a co-productive way, with a clear Member led approach towards the delivery of the Corporate Priorities.

She detailed the distinct difference between the PDDC's (forward looking) and Scrutiny (reviewing what has been delivered in the past), and outlined how they are different to the previous CAC's as they will be led by the Corporate Priorities via the

Chair and not the Cabinet Member, although close links will of course remain with the Cabinet process and Cabinet Member.

The PDDC's should aim to provide clear outcomes following the submission of research, evidence and information, and should seek to avoid any duplication of workload with the other 4 PDDC's, although joint working could be necessary on some topic areas.

The Committee discussed the timings of the meetings. It was proposed that going forward the Committee take place on a Tuesday at 9.30am.

**RESOLVED** that: -

- 1) The terms of reference be noted.
- 2) The change of time and day proposed for the Committee be considered.
