41 Supported Living - Current Arrangements to Engage Community Including Ward Members. (Presentation)

The Principal Officer Mental Health and Learning Disabilities supported by the Principal Officer – Prevention, Wellbeing & Commissioning provided a presentation on “Supported Living – Current Arrangements to Engage Community Including Ward Members”.

The presentation outlined:

- Supported Living and current arrangements to engage community including ward members;
- The Supported Living development process;
- Funding;
- The minimum standards from care providers when dealing with neighbours and other members of the community;
- How to deal with complaints;
- Proposed future engagement.

The Committee asked various questions, which the officers responded to accordingly. Topics centred around the following:

- The current arrangements for engaging with the community (the arrangements for privately owned properties was unknown);
- Clients with learning disabilities form the highest proportion of clients in Supported Living;
- Whether risk assessments were undertaken;
- Ward Members required sufficient information in order to allay residents' fears at an early stage in order to manage the situation;
- Planning restrictions / permission requirements including the planning restrictions for HMO's;
- The level of information that Ward Members require, eg address or location of property/premises, number of clients/residents, name of provider and contact details of Manager, broad outline of clients personal needs;
- Members not to be involved in the initial process and no specific personal details of clients/residents would be divulged.

The Chair thanked the Officer for the presentation.

Resolved that:

- 1) The presentation be noted:
- 2) Final details for future engagement arrangements be presented at the next meeting.

42 Work Plan 2018-2019.

The Chair outlined the Work Plan for 2018-2019.

Resolved that the Work Plan be noted.

The meeting ended at 4.40 pm
