7. Policy Considerations

7.1 In considering this application Members should have regard to the Council's current statement of Licensing Policy adopted in July 2018. Specifically in relation to this application;

- (i) Control – Section 4
Paragraph 4.4 The Licensing Authority will primarily focus on the direct impact of the activities taking place at the licensed premises on members of the public, living, working or engaged in normal activities in the area concerned. It will be expected that any representation made by "Other Persons" will indicate how the application will directly affect them in relation to one or more of the licensing objectives.

Paragraph 4.5 Licensing law is not the primary mechanism for the general control of nuisance and anti-social behaviour by individuals once they are away from the licensed premises and beyond the direct control of the persons holding the relevant authorisation.

- (ii) Licensing Hours – Section 7
Paragraph 7.1 When determining individual licence applications for premises the licensing hours will be decided having regard to the individual merits of each application. The presumption will be to grant the hours as requested unless there are objections to those hours raised by responsible authorities or other persons on the basis of the licensing objectives.

Paragraph 7.4 The Licensing Authority will closely examine the hours of business for premises which are situated in predominantly residential areas and will impose strict conditions relating to noise control where representations are received and it is considered necessary.

Paragraph 7.5 The Licensing Authority will allow shops, stores and supermarkets to sell alcohol, for consumption off the premises, at any time when the retail outlet in question is open for business. Limitations will only be imposed restricting the times alcohol can be sold from such premises if representations are received and there is evidence that the extended hours cause the premises to be a focus of disorder and disturbance.

(iii) Applications for licences, certificates, authorisations and reviews – Section 15

Paragraph 15.1 The Licensing Authority will consider each application received on its merits in the context of the four licensing objectives.

Paragraph 15.4 The Licensing Authority also accepts that Other Persons or responsible authorities, as defined in the Act, have the right to make representations in respect of an application, or to seek a review of a licence or certificate within the provisions of the Act. Such representations will be considered on their merits and how they relate to the likely effect of the grant of the licence or certificate on the promotion of at least one or more of the licensing objectives. Also, how the representations are relevant to the promotion of one or more of the licensing objectives in the case of a review of a licence or certificate. When a petition is submitted as a representation it will only be considered if it relates to one or more of the four licensing objectives and it is demonstrated that the details of the representation have been made clear to each signatory i.e. that the heading is included on each page of the petition. A relevant representation may be positive or supportive in nature as opposed to being negative but it must still demonstrate that the licensing objectives are being promoted.

Paragraph 15.6 Other Persons may request a representative to make representations on their behalf including a legal representative, friend, Member of Parliament, Member of the National Assembly for Wales, local Ward Councillor, Parish or Community Councillor. Detailed guidance for Other Persons making a representation or an application for a review of a licence or certificate can be obtained from the Home Office website www.homeoffice.gov.uk

- (iv) Administration – Section 16
Paragraph 16.6 Any Councillor who is a member of the Statutory Licensing Committee and who is making a representation on behalf of other persons, or in their own right in relation to an application, shall disqualify him or herself from any involvement in the decision making process regarding that application.

7.2 A full copy of the Authority's Policy has previously been circulated to Members.

An up to date copy of the Policy may be found via the following link:

<https://www.swansea.gov.uk/article/4280/Statement-of-licensing-policy>

8. Guidance Issued By The Home Secretary

8.1 Members should also have regard to the relevant parts of the current guidance issued by the Home Secretary in April 2018, in particular;

- (i) Introduction – Chapter 1
- (ii) Licensing Objectives – Chapter 2
- (iii) Applications For Premises Licenses – Chapter 8
- (iv) Determining Applications – Chapter 9
- (v) Conditions attached to Premises Licenses – Chapter 10
- (vi) Promotion of Equality – Chapter 14 paragraphs 14.66 -14.67

Representations received include concerns regarding Crime and Disorder and Public Nuisance specifically in relation to the congregation of youths on the junction of Llanerch Road/Bonymaen Road.

Paragraphs 2.1 to 2.6 of the Guidance refer to Crime and Disorder and paragraphs 2.15 to 2.21 refer to Public Nuisance and in particular -

- (i) Crime and disorder
Paragraph 2.1 Licensing authorities should look to the police as the main source of advice on crime and disorder. They should also seek to involve the local Community Safety Partnership (CSP).
- (ii) Public Nuisance
Paragraph 2.15 The 2003 Act enables licensing authorities and responsible authorities, through representations, to consider what constitutes public nuisance and what is appropriate to prevent it in terms of conditions attached to specific premises licences and club premises certificates. It is therefore important that in considering the promotion of this licensing objective, licensing authorities and responsible authorities focus on the effect of the licensable activities at the specific premises on persons living and working (including those carrying on business) in the area around the premises which may be disproportionate and unreasonable. The issues will mainly concern noise nuisance, light pollution, noxious smells and litter.

Paragraph 2.21 Beyond the immediate area surrounding the premises, these are matters for the personal responsibility of individuals under the law. An individual who engages in anti-social behaviour is accountable in their own right. However, it would be perfectly reasonable for a licensing authority to impose a condition, following relevant representations, that requires the licence holder or club to place signs at the exits from the building encouraging patrons to be quiet until they leave the area, or that, if they wish to smoke, to do so at designated places on the premises instead of outside, and to respect the rights of people living nearby to a peaceful night.

Paragraph 14.19 There can be confusion about the difference between the “need” for premises and the “cumulative impact” of premises on the licensing objectives, for example, on crime and disorder. “Need” concerns the commercial demand for another pub or restaurant or hotel and is a matter for the planning authority and for the market. This is not a matter for a licensing authority in discharging its licensing functions or for its statement of licensing policy.

- 8.2 A copy of the Home Secretary’s Guidance has previously been circulated to Members.

An up to date copy of the Guidance may be found via the following link:
https://assets.publishing.service.gov.uk/government/uploads/system/uploads/attachment_data/file/705588/Revised_guidance_issued_under_section_182_of_the_Licensing_Act_2003_April_2018_.pdf

9. Determination Of The Application

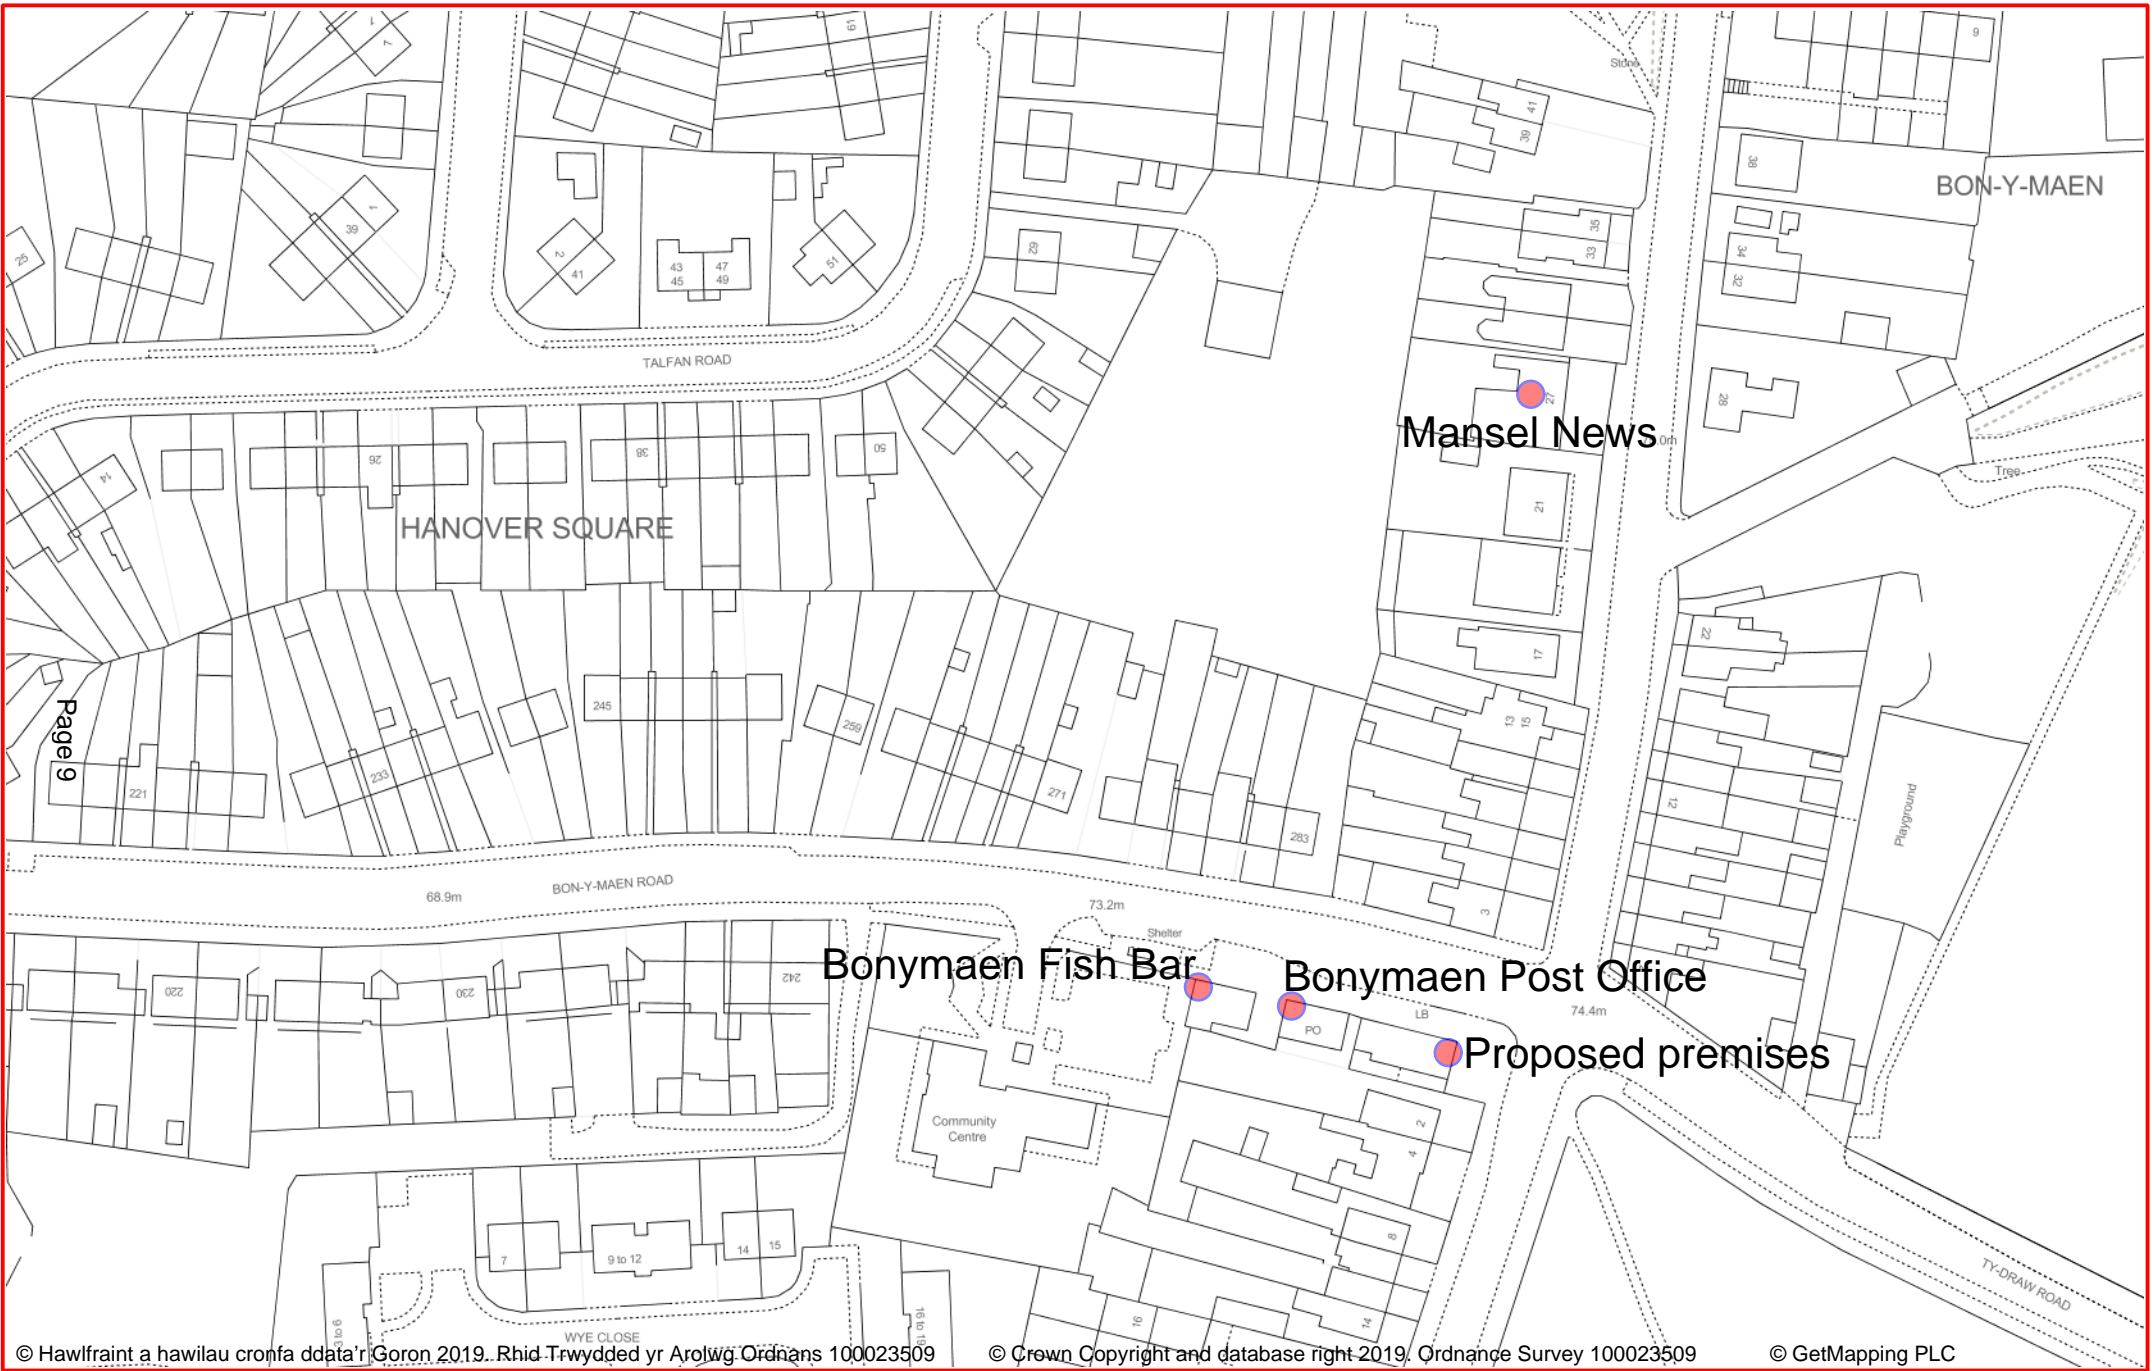

- 9.1 The decision must be based on the individual merits of the application and the representations received, with a view to promoting the licensing objectives outlined in paragraph 5 above.
- 9.2 In addition in arriving at the decision Members should have regard to the relevant provisions of the Council’s Statement of Licensing Policy and the Secretary of State’s Guidance as previously provided. Reasons must be provided for any departures from the Policy or Guidance.
- 9.3 In reaching the decision the Committee must, having regard to the representations, take such steps mentioned below (if any) as it considers appropriate for the promotion of the licensing objectives:-
- a. Grant the licence subject to:
 - i) conditions that reflect the operating schedule, modified to such extent as the authority considers appropriate for promotion of the licensing objectives. Certain regulated entertainment

under the Licensing Act 2003 (as amended) has been deregulated. Where entertainment is deregulated, but licensable activities continue to take place on any premises, any licence conditions imposed on a grant of a licence in respect of any deregulated entertainment will be suspended.

- ii) any mandatory conditions relevant to the licence
- b. Exclude any of the licensable activities to which the application relates.
- c. Refuse to specify a person in the licence as the premises supervisor.
- d. Reject the application

The Licensing Sub Committee's instructions are requested.

Subject: Re: Bonymaen Local, 1 Llanerch Road, Bonymaen, Swansea. SA1 7AY

Dear Becca. Just a note to say that I'd like to address the committee when Bonymaen Local, Llanerch Rd, Bonymaen is before the Licensing Committee. Thanks, Paul Lloyd.

Petition to Stop a Licence application to sell alcohol from 6am to 11pm in the old Bonymaen Stores

The old 'D&G' hairdressers on the cross in Bonymaen is going to reopen as a shop.

A new premises licence application has been made by 'Elangainathan Thamiselvan' for the premises Bonymaen Local, 1 Lanerch Road, Bonymaen, Swansea. SA1 7AY. The licensable activities are,

A) Supply of Alcohol - Monday to Sunday 06:00hrs to 23:00hrs of premises

This is absolute madness and as residents of Bonymaen we cannot allow this to happen. There are already 2 other shops selling alcohol and 2 local pubs we do not need to add to this. Also the risk of anti-social behaviour escalating is very high as this will become a focal point when the shop is reopened.

Please share and sign this to hopefully get it stopped or at least get the hours reduced. I believe the owners are from London so have no knowledge of the area or the people in it.

It's not a bad place to live let's keep it that way.

Signing this would be a great help as the relevant people in the council are linked or if you prefer to email or write, this has to be done by the 21st of march so we don't have long to object to this license.

Thanks for your support.

To Becca John,

Re ; New application Bon-y-maen Local, 1 Llanerch Road, Bonymaen, Swansea, SA1 7AY.
Applicant
Elangainathan Thamilselvan

Please accept my registration for objection for the permission to supply alcohol,
Monday/Sunday 0600 – 2300 hrs. This will bring many issues of ASB to the area.

Residents in the vicinity of the shop have experienced nuisance and ASB many hours
through the day and night, Our Community has strived to eliminate the ASB issues in the
area. The risk of this application being granted will raise noise levels, threats to Community
safety, ASB issues along with litter issues. If granted the shop will add to the element of
crime and disorder in the community which has decreased.

Thank you

Councillor Mandy Evans
Bonymaen Ward

Subject: RE: Premises licence Bonymaen Local

Hi becca.

I would like to formally register an objection to the application for a premise licence for Bonymaen stores, formally D&G hairdressers on the grounds of

· The prevention of crime and disorder;

· public safety;

· the prevention of public nuisance

As mentioned previously im not trying to stop the shop opening but would ask the hours be reduced due to inceasing 'anti social behaviour' in the area which has been and potentially could be worsened by the late opening of the shop.

Please see my online petition that you are linked too.

I will also be attending the meeting for the licence application.

Yours faithfully,

F.A.O. Because John

A new premises licence application has been made by
Elangainathan Thamilselvan

For the premises
Bonymaen Local, 1 Llanerch Road, Bonymaen, Swansea. SA1 7AY
The licensable activities are

- a) Supply of Alcohol - Monday to Sunday 06:00hrs to 23:00hrs off premises

As a resident of Bonymaen, I wish to object to the above application as over many years there has
been ASB in the vicinity of Llanerch Rd.

Over the past year the ASB has been disbursed, I feel that the supply of alcohol from these premises
will attract many ASB issues.

Thank you

Dear Sir or Madam,

I am writing with regard to the new premise licence application made by 'Elangainathan Thamilselvan' for the premises 'Bonymaen Local, 1 Llanerch RD, Bonymaen, Swansea. SA1 7AY.

The licence activities are-

- A) Supply of alcohol – Monday – Sunday 06.00hrs – 23.00hrs.

I would like to formally submit a representation against this application. The grounds for the objection are as follows.

1. The prevention of crime and disorder.
2. Public safety.
3. The prevention of public nuisance.

The objection is not to stop the shop reopening but to object regarding the opening times. 6am to 11pm is not suitable for a residential area. Especially in an area where 'anti-social behaviour' has been and could potentially be again a major issue.

The area where the shop is situated is a focal point for gathering youths and if the shop was allowed to be open until 11pm this could escalate the 'anti-social behaviour' that is mostly under control due to the hard work of the local PCSO'S.

I would ask that the hours applied for be significantly reduced in the hope it would prevent problems arising for the residents in the area.

Yours faithfully,
