## Report of the Cabinet Member for Homes, Energy and Service Transformation

Cabinet - 18 June 2020

### **Warm Homes Fund (WHF) Funding Application for First Time Central Heating in Swansea Private Sector Homes**

<b>Purpose:</b>	<p>To comply with Financial Procedure Rule No.7 (Capital Programming and Appraisals) - to commit and authorise the addition of new schemes to the Capital Programme.</p> <p>The Warm Homes Fund will be used to install appropriate first time gas heating to multiple properties that have been identified across Swansea that are within the Lower Super Output Areas (LSOA) areas for residents who are at risk of being or who are in fuel poverty and have electrical or solid fuel heating.</p>
<b>Policy Framework:</b>	Local Housing Strategy
<b>Consultation:</b>	Access to Services, Finance, Legal.
<b>Recommendations:</b>	<p>It is recommended that:</p> <ol style="list-style-type: none"><li>1) Approval is given to accept a funding offer for qualifying homes from the Warm Homes Fund for first time central heating for 2020 &amp; 2021 and this scheme is added to the capital programme.</li><li>2) Delegated authority is given to the Director of Place, the Chief Legal Officer, the Chief Finance Officer and the Cabinet Member for Homes, Energy and Service Transformation to approve the required funding and contractual documentation.</li></ol>
<b>Report Author:</b>	Patrick Holcroft
<b>Finance Officer:</b>	Ben Smith
<b>Legal Officer:</b>	Pamela Milford
<b>Access to Services Officer:</b>	Rhian Millar

## **1. Introduction**

- 1.1 National Grid and Community Interest Company, Affordable Warmth Solution (AWS) have established a £150m Warm Homes Fund (WHF) designed to support local authorities, registered social landlords and other organisations working in partnership with them, to address some of the issues affecting fuel poor households which links to Council commitment of tackling poverty. This round of the scheme will operate over 2020 and 2021.
- 1.2 Due to the current Covid-19 situation and the timescales to accept the funding this report is seeking retrospective approval.

## **2. Proposed Works**

- 2.1 To install appropriate first time gas heating to multiple private sector properties that have been identified across Swansea that are within the LSOA areas for residents who are at risk of being or who are in fuel poverty and have electrical or solid fuel heating.

## **3. Objectives of Scheme**

- 3.1 In 2014 the UK Government introduced a statutory target to ensure fuel poor homes in England achieve a minimum energy efficiency rating of Band C by 31 December 2030, with targets in Scotland and Wales also set by the Scottish Parliament and Welsh Assembly respectively. National Energy Action NEA's Annual Fuel Poverty Monitor reports that without additional investment and ambition the Government's target of reaching the desired EPC rating may not be realised.

## **4. Equality and Engagement Implications**

- 4.1 The Council is subject to the Public Sector Equality Duty (Wales) and must, in the exercise of their functions, have due regard to the need to:
  - Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act.
  - Advance equality of opportunity between people who share a protected characteristic and those who do not.
  - Foster good relations between people who share a protected characteristic and those who do not.
- 4.2 Our Equality Impact Assessment process ensures that we have paid due regard to the above.
- 4.3 An Equality Impact Assessment (EIA) screening tool confirms that a full EIA is not required at this stage. The WHF is a £150million fund administered by AWS across England, Wales and Scotland, to incentivise the installation of affordable heating solutions in fuel poor households who do not use mains gas as their primary heating fuel. It is

envisaged that the fund will be used to supplement local strategic plans and other funds available. The service will be available to eligible households regardless of whether they have a protected characteristic or not. The partner organisations will be made aware of the Council's Public Sector Equality Duty, and the work will be monitored by the Council

## **5. Financial Implications**

- 5.1 One of Swansea Council's procured energy partners, City Energy will undertake the work. There is no cost to the Council, the funding will be drawn down from the WHF by Swansea Council. When evidence of the completed work has been submitted and audit checks carried out funding will be released to City Energy. Funding draw down and payments will be made on a monthly or quarterly basis dependant on demand.
- 5.2 The total cost of the scheme amounts to £470,000 with an additional £380,000 being brought in via Energy Company Obligation ECO funding, The ECO element is not coming through the Council but via the Utility Company through City Energy. Details are set out in the table in Appendix A, including start and completion dates.

## **6. Legal Implications**

- 6.1 The Council will enter into a contract City Energy. This agreement will mirror the WHF grant agreement with Swansea Council to ensure that delivery and compliance risks and liabilities are passed on to the contractor. The planned commencement of the work has been delayed as a result of the Covid-19 situation. However, WHF have confirmed that they will re-distribute any unspent allocation. A sample check of applications, supporting paper work and installations will be carried out by the Council or a third party which will be paid for out of the scheme.

The WHF is a £150million fund administered by AWS across England, Wales and Scotland, to incentivise the installation of affordable heating solutions in fuel poor households who do not use mains gas as their primary heating fuel. It is envisaged that the fund will be used to supplement local strategic plans and other funds available. The service will be available to eligible households regardless of whether they have a protected characteristic or not. The partner organisations will be made aware of the Council's Public Sector Equality Duty, and the work will be monitored by the Council.

## Report of the Chief Finance Officer (Section 151 Officer)

Cabinet - 18 June 2020

### **Business Rates – Temporary Rate Relief Scheme (Wales) 2020/2021**

<b>Purpose:</b>	To provide information and to consider the adoption of a new temporary Retail, Leisure and Hospitality Rates Relief Scheme relating to Business Rates, which has been introduced by Welsh Government for the financial year 2020/21. This supplements the previously announced High Street and Retail Rates Relief Scheme.
<b>Policy Framework:</b>	None
<b>Consultation:</b>	Access to Services, Finance, Legal.
<b>Recommendation(s):</b>	It is recommended that:  1) The details of the scheme in this report are noted;  2) The rate relief scheme and the application process outlined in this report are adopted for 2020/21.
<b>Report Author:</b>	Julian Morgans
<b>Finance Officer:</b>	Ben Smith
<b>Legal Officer:</b>	Tracey Meredith
<b>Access to Services Officer:</b>	Catherine Window

#### 1. Introduction

- 1.1 In April 2017, the Welsh Government introduced a temporary High Street Rate Relief Scheme (HSRRS) to reduce Business Rates (BR) in certain circumstances. This scheme was amended and extended in 2018/19, 2019/20 and for 2020/21. However, due to the impact of the Covid 19 pandemic, Welsh Government determined to supplement that scheme with a more generous Retail, Leisure and Hospitality Rates Relief Scheme (RLHRRS) to further support businesses impacted by the pandemic.

- 1.2 Rate relief under the scheme is available for the financial year 2020/21. Welsh Government will reimburse each local authority in Wales for expenditure incurred, up to a defined limit, for the purpose of providing rates relief under this scheme in line with the guidance issued. This will be done via a grant under section 31 of the Local Government Act 2003 and Section 58A of the Government of Wales Act 2006. The funding is subject to local authorities formally accepting the grant offer.
- 1.3 It is a condition of the grant that the relief under this scheme is provided by way of discretionary rate relief under Section 47 of the Local Government finance Act 1988. The qualifying criteria for the RLHRRS have been set by Welsh Government and there are no powers to vary. The local discretionary rate relief policy currently used to grant relief to charities and other organisations does not require amendment.

## **2. The Retail, Leisure and Hospitality Rates Relief Scheme**

- 2.1 This relief is aimed at businesses in Wales in occupation of premises in the retail, leisure and hospitality sectors, for example shops, pubs and restaurants, gyms, performance venues and hotels.
- 2.2 Welsh Government has not specifically defined what it considers a 'retail, leisure or hospitality' premises and believes each local authority is best placed to judge which businesses should qualify in its area. However, it has provided examples and guidance as to the types of uses that it considers to be a retail, leisure or hospitality business (see Appendix 1 to this report) for this purpose. The guidance does not replace any existing non-domestic rates legislation or any other relief. RLHRR is to be applied to the net charge after mandatory reliefs and other discretionary reliefs funded by section 31 grants have been applied.
- 2.3 The examples provided are not intended to be an exhaustive list as it would be impossible to list all the many and varied retail, leisure and hospitality uses that exist. There will also be mixed uses of business premises. However, they are intended to be a guide for local authorities as to the types of uses that the Welsh Government considers eligible for this relief. Local authorities are advised that they should determine for themselves whether particular properties not listed are broadly similar in nature to the examples provided and, if so, to consider them eligible for the relief. Conversely, properties that are not broadly similar in nature to those given as examples should not be eligible for the relief.
- 2.4 Relief should be granted to each eligible business as a reduction to its rates bill based on occupation between 1 April 2020 and 31 March 2021. It is recognised that there may be some instances where a local authority is retrospectively notified of a change of occupier. In such cases, if it is clear that the ratepayer was in occupation on or after the 1 April 2020, the local authority may use its discretion in awarding relief.

- 2.5 The scheme aims to provide support for businesses by offering a discount of 100% on the non-domestic rates bill due for eligible premises for the period 1 April 2020 to 31 March 2021. The scheme will apply to all eligible premises with a rateable value of £500,000 or less.
- 2.6 Empty properties becoming occupied after 1 April 2020 will also qualify for this relief. Also, if there is a change in occupier part way through the financial year, after relief has already been provided to the previous occupant of the property, the new occupier will qualify for the relief on a pro-rata basis based on the remaining days of occupation to the end of the financial year.
- 2.7 It is expected that retailers with a rateable value of £6,000 and below will receive full Small Business Rate Relief (SBRR). However it is left to the discretion of authorities to determine if there are properties not in receipt of SBRR that should be eligible for this relief.
- 2.8 The Authority has estimated that provisional funding of up to £35.1M will be required from Welsh Government to fund this relief and the necessary return has been submitted to advise of this. Welsh Government will make an initial payment followed by a top-up payment at the end of 2020/21 if necessary and has confirmed that the award of this relief is not subject to state aid limits.
- 2.9 To qualify for the relief, the hereditament should be wholly or mainly used for the qualifying purposes. In a similar way to other reliefs, this is a test on use rather than occupation. Therefore, hereditaments which are occupied, but not wholly or mainly used for the qualifying purpose will not qualify for the relief. For the avoidance of doubt, hereditaments which closed temporarily due to the government's advice on Covid-19 should be treated as occupied for the purposes of this relief.
- 2.10 Any properties with a rateable value over £500,000 will not be eligible for this relief.
- 2.11 Welsh Government has set out the types of uses that it does **not** consider to be retail, leisure or hospitality use for the purpose of this relief and which would **not** be deemed eligible for the relief. However, it will again be for local authorities to determine if properties are similar in nature to those listed and if they would also not be eligible for relief under the scheme.
- (i) Properties used for the provision of financial, medical or professional services, post office sorting offices, children's play centres, day nurseries, kennels and catteries, casino and gambling clubs, show homes and marketing suites and employment agencies.
  - (ii) Properties that are not reasonably accessible to visiting members of the public even if there is ancillary use of the property that might be considered to fall within the scheme.

- (iii) Properties that are owned, rented or managed by a local authority
- (iv) Unoccupied properties.

2.12 This relief can be provided in addition to Small Business Rates Relief, Transitional Relief and High Street and Retail Rates Relief. Retail, Leisure and Hospitality rates Relief should be applied against the net bill after those other reliefs have been applied. Any requests that hardship or discretionary relief be awarded by the local authority should be considered once all other rates reliefs have been awarded.

### **3. Administration and Application of the Scheme**

3.1 Similar to other reliefs Welsh Government has again advised local authorities (LAs) that in order to maximise take-up and reduce the administrative burden for ratepayers and LA Revenues Services, LAs are able to determine the application process. Across Wales, a number of different award processes have historically been applied to such reliefs. Some authorities make automatic awards where they are satisfied the necessary criteria have been complied with. Others require all potential beneficiaries of the relief to formally apply in writing and the remainder follow an approach that is a combination of the two.

3.2 Swansea has previously successfully followed a combination award process in such circumstances as the most practical and beneficial option and it is recommended that the same process be followed for this scheme in 2020/21, using the following criteria:

- (i) RLHRR is applied without the need for a formal application where it is possible for the authority to identify, to its satisfaction, an eligible business premises.
- (ii) Where it is not possible for the authority to satisfy itself that a business premises complies with the necessary criteria, the ratepayer will be issued with a formal application to complete and return.

3.3 Welsh Government has confirmed that the Retail, Leisure and Hospitality Rates Relief Scheme 2020/21 is not state aid.

### **4. Implementation of the Scheme**

4.1 Welsh Government has provided the following to authorities:

- Guidance for the RLHRRS
- A certificate of acceptance form to confirm the estimated number of properties that will benefit from the scheme and the estimated cost.

4.2 The most recent estimates suggest approximately 2,000 business properties will be eligible and will have relief applied to their accounts if the scheme is adopted. This will involve significant extra workload for the

Business Rates team although using a combination award process will assist with this additional burden.

## **5. Financial Implications**

- 5.1 The Authority has estimated that provisional funding of up to £35.1M will be required from Welsh Government to fund this relief and the necessary certificate has been submitted to advise of this and the estimated number of eligible properties. Welsh Government will specify the amount of funding available for the scheme once the certificate of acceptance that has been submitted has been considered. Any award made in excess of the funding may have to be met by the Authority.
- 5.2 There is a small risk that the funding that has been requested from Welsh Government, based on the estimate, could be insufficient as the estimate was provided based on descriptions of properties contained in the Valuation List, which is maintained by the Valuation Office Agency and there may be instances where the description is not wholly accurate. It is not certain, but is likely, that any amount of relief applied in excess of the initial funding requested would be re-imbursed. This is because Welsh Government has recognised the funding request is only an estimate of the likely cost of the scheme. Whilst there is thus some risk of an element of non-reimbursement to the authority if the actual eligibility experience differs from the estimate, it is felt on balance that it is worth that residual risk to enable local businesses to benefit from the scale of overall relief offered.
- 5.3 In previous years Welsh Government have provided a grant to the authority to support the administration and marketing costs of the relief. No details of whether such a grant will again be provided this year have been received as of the date this report was written. However, given the level of financial benefits to the businesses in the Swansea area, it is considered that this should not prevent the authority adopting the scheme.

## **6. Legal Implications**

- 6.1 There are no further legal implications to those set out in the report.

## **7. Equality and Engagement Implications**

- 7.1 The Council is subject to the Public Sector Equality Duty (Wales) and must, in the exercise of their functions, have due regard to the need to:
- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Act.
  - Advance equality of opportunity between people who share a protected characteristic and those who do not.
  - Foster good relations between people who share a protected characteristic and those who do not.

- 7.2 Our Equality Impact Assessment process ensures that we have paid to regard to the above.
- 7.3 An EIA screening has been completed with the agreed outcome that a full EIA report is not required, as the qualifying criteria for the RLHRRS has been set by Welsh Government and there is no power to vary. Relief will be awarded to all eligible ratepayers as per the criteria set out in this report

# Non-Domestic Rates – Retail, Leisure and Hospitality Rates Relief

## Guidance

### About this guidance

1. This guidance is intended to support county and county borough councils (“local authorities”) in administering the Retail, Leisure and Hospitality Rates Relief scheme (“the relief”). On 18 March, the Minister for Finance and Trefnydd announced the expansion of the relief on a temporary basis for 2020-21. This guidance applies to Wales only.
2. This guidance sets out the criteria which the Welsh Government will use to determine the funding for local authorities for relief provided to retail, leisure and hospitality properties. The guidance does not replace any existing non-domestic rates legislation or any other relief.
3. Enquiries about the scheme should be sent to:  
[localtaxationpolicy@gov.wales](mailto:localtaxationpolicy@gov.wales)
4. The relief is being offered from 1 April 2020 and will be available until 31 March 2021.

### Introduction

5. This relief is aimed at businesses in Wales in the retail, leisure and hospitality sectors, for example shops, pubs and restaurants, gyms, performance venues and hotels.
6. The Welsh Government will provide grant funding to the 22 local authorities in Wales to provide the Retail, Leisure and Hospitality Rates Relief scheme to eligible ratepayers for 2020-21. The scheme aims to provide support for eligible occupied properties by offering a discount of 100% on the non-domestic rates bill for a property, to all eligible premises. The scheme will apply to all eligible ratepayers with a rateable value of £500,000 or less.
7. This document provides guidance on the operation and delivery of the scheme.

# Section 1

## Retail, Leisure and Hospitality Rates Relief

### How will the relief be provided?

8. As this is a temporary measure, we are providing the relief by reimbursing local authorities that use their discretionary relief powers under section 47 of the Local Government Finance Act 1988. It will be for individual local authorities to adopt a scheme and decide in each individual case when to grant relief under section 47. The Welsh Government will reimburse local authorities for the relief that is provided in line with this guidance via a grant under section 31 of the Local Government Act 2003 and 58A of the Government of Wales Act 2006.

### How will the scheme be administered?

9. It will be for local authorities to determine how they wish to administer the scheme to maximise take-up and minimise the administrative burden for ratepayers and for local authority staff.
10. Local authorities are responsible for providing ratepayers with clear and accessible information on the details and administration of the scheme. If, for any reason, an authority is unable to provide this relief to eligible ratepayers from 1 April 2020, consideration should be given to notifying eligible ratepayers that they qualify for the relief and that their bills will be recalculated.

### Which properties will benefit from relief?

11. Properties that will benefit from this relief will be occupied retail, leisure and hospitality properties – such as shops, pubs and restaurants, gyms, performance venues and hotels across Wales. More detailed eligibility criteria and exceptions to the relief are set out in paragraphs 13 to 20.
12. Relief should be granted to each eligible business as a reduction to its rates bill based on occupation between 1 April 2020 and 31 March 2021. It is recognised that there may be some instances where a local authority is retrospectively notified of a change of occupier. In such cases, if it is clear that the ratepayer was in occupation on or after the 1 April 2020, the local authority may use its discretion in awarding relief.
13. It is intended that, for the purposes of this scheme, retail properties such as, “shops, restaurants, cafes and drinking establishments” will mean the following (subject to the other criteria in this guidance).
  - i. Hereditaments that are being used for the sale of goods to visiting members of the public**
    - Shops (such as florists, bakers, butchers, grocers, greengrocers, jewellers, stationers, off-licences, newsagents, hardware stores, supermarkets, etc)
    - Charity shops

- Opticians
- Pharmacies
- Post offices
- Furnishing shops or display rooms (such as carpet shops, double glazing, garage doors)
- Car or caravan showrooms
- Second hand car lots
- Markets
- Petrol stations
- Garden centres
- Art galleries (where art is for sale or hire)

**ii. Hereditaments that are being used for the provision of the following services to visiting members of the public**

- Hair and beauty services
- Shoe repairs or key cutting
- Travel agents
- Ticket offices, eg. for theatre
- Dry cleaners
- Launderettes
- PC, TV or domestic appliance repair
- Funeral directors
- Photo processing
- DVD or video rentals
- Tool hire
- Car hire
- Cinemas
- Estate and letting agents

**iii. Hereditaments that are being used for the sale of food and / or drink to visiting members of the public**

- Restaurants
- Drive-through or drive-in restaurants
- Takeaways
- Sandwich shops
- Cafés
- Coffee shops
- Pubs
- Bars or Wine Bars

14. We consider assembly and leisure to mean:

**i. Hereditaments that are being used for the provision of sport, leisure and facilities to visiting members of the public (including for the viewing of such activities) and for the assembly of visiting members of the public.**

- Sports grounds and clubs,
- Sport and leisure facilities,
- Gyms

- Tourist attractions,
- Museums and art galleries,
- Stately homes and historic houses,
- Theatres,
- Live Music Venues
- Cinemas
- Nightclubs,

**ii. Hereditaments that are being used for the assembly of visiting members of the public.**

- Public halls,
- Clubhouses, clubs and institutions

15. We consider hotels, guest & boarding premises and self-catering accommodation to mean:

**i. Hereditaments where the non-domestic part is being used for the provision of living accommodation as a business:**

- Hotels, Guest and Boarding Houses,
- Holiday homes,
- Caravan parks and sites

**Other considerations**

16. To qualify for the relief, the hereditament should be wholly or mainly used for the qualifying purposes. In a similar way to other reliefs, this is a test on use rather than occupation. Therefore, hereditaments which are occupied but not wholly or mainly used for the qualifying purpose will not qualify for the relief. For the avoidance of doubt, hereditaments which closed temporarily due to the government's advice on Covid-19 should be treated as occupied for the purposes of this relief.

17. The above list is not intended to be exhaustive as it would be impossible to list all the many and varied retail, leisure and hospitality uses that exist. There will also be mixed uses. However, it is intended to be a guide for local authorities as to the types of uses that the Welsh Government considers for this purpose to be eligible for relief. Local authorities should determine for themselves whether particular properties not listed are broadly similar in nature to those above and, if so, to consider them eligible for the relief. Conversely, properties that are not broadly similar in nature to those listed above should not be eligible for the relief.

18. As the grant of the relief is discretionary, local authorities may choose not to grant the relief if they consider that appropriate, for example where granting the relief would go against the local authority's wider objectives for the local area.

**Types of hereditaments that are not considered to be eligible for Retail, Leisure and Hospitality Rates Relief**

19. Any hereditament with a rateable value over £500,000.

20. The following list sets out the types of uses that the Welsh Government does not consider to be retail, leisure or hospitality use for the purpose of this relief and which would not be deemed eligible for the relief. However, it will be for local authorities to determine if hereditaments are similar in nature to those listed and if they would not be eligible for relief under the scheme.

**i. Hereditaments that are being used wholly or mainly for the provision of the following services to visiting members of the public**

- Financial services (eg. banks, building societies, cash points, ATMs, bureaux de change, payday lenders, betting shops, pawn brokers),
- Medical services (eg. vets, dentists, doctors, osteopaths, chiropractors),
- Professional services (eg. solicitors, accountants, insurance agents, financial advisers, tutors),
- Post Office sorting offices
- Children's play centres
- Day nurseries
- Kennels and catteries
- Casino and gambling clubs
- Show homes and marketing suites
- Employment agencies

There are a number of further types of hereditament which the Welsh Government believes should not be eligible for the relief.

**ii. Hereditaments that are not reasonably accessible to visiting members of the public**

If a hereditament is not usually reasonably accessible to visiting members of the public, it will be ineligible for relief under the scheme even if there is ancillary use of the hereditament that might be considered to fall within the descriptions in paragraphs 13 to 15.

**iii. Hereditaments that are not occupied**

Properties that are not occupied on 1 April 2020 should be excluded from this relief. However, under the mandatory Empty Property Relief, empty properties will receive a 100% reduction in rates for the first three months (and in certain cases six) of being empty.

**iv. Hereditaments that are owned, rented or managed by a local authority**

Hereditaments owned, rented or managed by a local authority, such as visitor centres, tourist information shops and council-run coffee shops or gift shops attached to historic buildings, are exempt from this scheme.

**How much relief will be available?**

21. The total amount of government funded relief available for each property under this scheme for 2020-21 is 100% of the remaining bill, after mandatory reliefs and other discretionary reliefs funded by section 31 grants have been applied, excluding those where local authorities have used their wider discretionary relief

powers introduced by the Localism Act 2011 which are not funded by section 31 grants<sup>1</sup>. Retail, Leisure and Hospitality Rates Relief should be applied against the net bill after other reliefs have been applied.

22. The eligibility for the relief and the relief itself will be assessed and calculated on a daily basis. The following formula should be used to determine the amount of relief to be granted for a particular hereditament in the financial year.

Amount of relief to be granted =  $V$ , where

$V$  is the daily charge for the hereditament for the chargeable day after the application of any mandatory relief and any other discretionary reliefs, excluding those where local authorities have used their discretionary relief powers introduced by the Localism Act 2011 which are not funded by section 31 grants.

23. This should be calculated ignoring any prior-year adjustments in liabilities which fall to be liable on the day.
24. Ratepayers who occupy more than one property will be entitled to Retail, Leisure and Hospitality Rates Relief for each of their eligible properties.
25. Retail, leisure and hospitality properties which are excluded from Small Business Rates Relief due to the multiple occupation rule are eligible for this relief scheme.

### **Changes to existing hereditaments, including change in occupier**

26. Empty properties becoming occupied after 1 April 2020 will qualify for this relief.
27. If there is a change in occupier part way through the financial year, after relief has already been provided to the hereditament, the new occupier will qualify for the relief on a pro-rata basis based on the remaining days of occupation using the formula in paragraph 22 of this guidance.
28. The discount should be applied on a day-to-day basis using the formula set out above. A new hereditament created as a result of a split or merger during the financial year, or where there is a change of use, should be considered afresh for the discount on that day.

### **State Aid**

29. Whilst the UK left the EU on 31 January 2020, the Withdrawal Agreement negotiated by the UK Government and the EU provides that during a transition period State Aid rules will continue to apply as now and will be subject to control by the EU Commission as at present.
30. The UK Government has notified the EU of its intention to bring forward an immediate change to the UK's tax treatment of non-domestic property, in response to the ongoing Covid-19 emergency, and to seek clearance under Article 107(3)(b) of the Treaty on the Functioning of the European Union. Subject

---

<sup>1</sup> As required in the NDR3 guidance notes, the former categories of discretionary relief prior to the Localism Act 2011 (ie. charitable/CASC top-up) should be applied first in the sequence of discretionary reliefs and, therefore, before the retail, leisure and hospitality rates relief.

to this approval, the Expanded Retail Discount Scheme will become a notified state aid scheme. Once the notification has been approved by the European Commission, it will supersede the de minimis regulation as the appropriate cover for awarding the discount, meaning existing de Minimis limits will no longer restrict the provision of support.

# Agenda Item 10.

## Report of the Chief Legal Officer

Cabinet – 18 June 2020

### Exclusion of the Public

<b>Purpose:</b>	To consider whether the Public should be excluded from the following items of business.	
<b>Policy Framework:</b>	None.	
<b>Consultation:</b>	Legal.	
<b>Recommendation(s):</b>	It is recommended that:	
<b>1)</b>	The public be excluded from the meeting during consideration of the following item(s) of business on the grounds that it / they involve(s) the likely disclosure of exempt information as set out in the Paragraphs listed below of Schedule 12A of the Local Government Act 1972 as amended by the Local Government (Access to Information) (Variation) (Wales) Order 2007 subject to the Public Interest Test (where appropriate) being applied.	
	<b>Item No's</b>	<b>Relevant Paragraphs in Schedule 12A</b>
	11	14
<b>Report Author:</b>	Democratic Services	
<b>Finance Officer:</b>	Not Applicable	
<b>Legal Officer:</b>	Tracey Meredith – Chief Legal Officer (Monitoring Officer)	

#### 1. Introduction

- 1.1 Section 100A (4) of the Local Government Act 1972 as amended by the Local Government (Access to Information) (Variation) (Wales) Order 2007, allows a Principal Council to pass a resolution excluding the public from a meeting during an item of business.
- 1.2 Such a resolution is dependant on whether it is likely, in view of the nature of the business to be transacted or the nature of the proceedings that if members of the public were present during that item there would be disclosure to them of exempt information, as defined in section 100I of the Local Government Act 1972.

#### 2. Exclusion of the Public / Public Interest Test

- 2.1 In order to comply with the above mentioned legislation, Cabinet will be requested to exclude the public from the meeting during consideration of the item(s) of business identified in the recommendation(s) to the report on the

grounds that it / they involve(s) the likely disclosure of exempt information as set out in the Exclusion Paragraphs of Schedule 12A of the Local Government Act 1972 as amended by the Local Government (Access to Information) (Variation) (Wales) Order 2007.

- 2.2 Information which falls within paragraphs 12 to 15, 17 and 18 of Schedule 12A of the Local Government Act 1972 as amended is exempt information if and so long as in all the circumstances of the case, the public interest in maintaining the exemption outweighs the public interest in disclosing the information.
- 2.3 The specific Exclusion Paragraphs and the Public Interest Tests to be applied are listed in **Appendix A**.
- 2.4 Where paragraph 16 of the Schedule 12A applies there is no public interest test. Councillors are able to consider whether they wish to waive their legal privilege in the information, however, given that this may place the Council in a position of risk, it is not something that should be done as a matter of routine.

### **3. Financial Implications**

- 3.1 There are no financial implications associated with this report.

### **4. Legal Implications**

- 4.1 The legislative provisions are set out in the report.
- 4.2 Councillors must consider with regard to each item of business set out in paragraph 2 of this report the following matters:
  - 4.2.1 Whether in relation to that item of business the information is capable of being exempt information, because it falls into one of the paragraphs set out in Schedule 12A of the Local Government Act 1972 as amended and reproduced in Appendix A to this report.
  - 4.2.2 If the information does fall within one or more of paragraphs 12 to 15, 17 and 18 of Schedule 12A of the Local Government Act 1972 as amended, the public interest test as set out in paragraph 2.2 of this report.
  - 4.2.3 If the information falls within paragraph 16 of Schedule 12A of the Local Government Act 1972 in considering whether to exclude the public members are not required to apply the public interest test but must consider whether they wish to waive their privilege in relation to that item for any reason.

**Background Papers:** None.

**Appendices:** Appendix A – Public Interest Test.

## Public Interest Test

No.	Relevant Paragraphs in Schedule 12A
<b>12</b>	<b>Information relating to a particular individual.</b>
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 12 should apply. Their view on the public interest test was that to make this information public would disclose personal data relating to an individual in contravention of the principles of the Data Protection Act. Because of this and since there did not appear to be an overwhelming public interest in requiring the disclosure of personal data they felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>
<b>13</b>	<b>Information which is likely to reveal the identity of an individual.</b>
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 13 should apply. Their view on the public interest test was that the individual involved was entitled to privacy and that there was no overriding public interest which required the disclosure of the individual's identity. On that basis they felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>
<b>14</b>	<b>Information relating to the financial or business affairs of any particular person (including the authority holding that information).</b>
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 14 should apply. Their view on the public interest test was that:</p> <ul style="list-style-type: none"> <li>a) Whilst they were mindful of the need to ensure the transparency and accountability of public authority for decisions taken by them in relation to the spending of public money, the right of a third party to the privacy of their financial / business affairs outweighed the need for that information to be made public; or</li> <li>b) Disclosure of the information would give an unfair advantage to tenderers for commercial contracts.</li> </ul> <p>This information is not affected by any other statutory provision which requires the information to be publicly registered.</p> <p>On that basis they felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>

No.	Relevant Paragraphs in Schedule 12A
15	<p><b>Information relating to any consultations or negotiations, or contemplated consultations or negotiations, in connection with any labour relations matter arising between the authority or a Minister of the Crown and employees of, or office holders under, the authority.</b></p>
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 15 should apply. Their view on the public interest test was that whilst they are mindful of the need to ensure that transparency and accountability of public authority for decisions taken by them they were satisfied that in this case disclosure of the information would prejudice the discussion in relation to labour relations to the disadvantage of the authority and inhabitants of its area. On that basis they felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>
16	<p><b>Information in respect of which a claim to legal professional privilege could be maintained in legal proceedings.</b></p>
	<p>No public interest test.</p>
17	<p><b>Information which reveals that the authority proposes:</b></p> <p><b>(a) To give under any enactment a notice under or by virtue of which requirements are imposed on a person; or</b></p> <p><b>(b) To make an order or direction under any enactment.</b></p>
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 17 should apply. Their view on the public interest test was that the authority's statutory powers could be rendered ineffective or less effective were there to be advanced knowledge of its intention/the proper exercise of the Council's statutory power could be prejudiced by the public discussion or speculation on the matter to the detriment of the authority and the inhabitants of its area. On that basis they felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>
18	<p><b>Information relating to any action taken or to be taken in connection with the prevention, investigation or prosecution of crime</b></p>
	<p>The Proper Officer (Monitoring Officer) has determined in preparing this report that paragraph 18 should apply. Their view on the public interest test was that the authority's statutory powers could be rendered ineffective or less effective were there to be advanced knowledge of its intention/the proper exercise of the Council's statutory power could be prejudiced by public discussion or speculation on the matter to the detriment of the authority and the inhabitants of its area. On that basis they felt that the public interest in maintaining the exemption outweighs the public interest in disclosing the information. Members are asked to consider this factor when determining the public interest test, which they must decide when considering excluding the public from this part of the meeting.</p>
