Labour Group Amendment

Minutes of the Council (04.03.2021)
Cont'd

“We said we would continue to monitor changes in funding allocations and announcements by Welsh Government and U.K. Government budgets as we came to set the final Council Tax rate for Swansea.

Given recent announcements and to recognise the struggle many families and residents will face coming out of the pandemic we intend to act to support our communities. Therefore, we can announce we intend to reduce the stated rise in Council Tax by a further 1% over the previous 3.99%, which in itself was reduced from the 5% planning assumption.

This will be funded by reallocating monies available as part of a reduction in our capital charges costs of £1.166m and a consequential reduction in council tax reduction scheme costs of £0.154m. Therefore we can utilise £1.320m in total to reduce Council Tax for the coming year to 2.99%.”

In accordance with Council Procedure Rule 30 “Voting” a recorded vote was requested. The voting on the amendment was recorded as follows:

The amendment was supported and becomes part of the substantive recommendation.

The Liberal Democrats / Independent Opposition Group amendment was proposed by Councillor C A Holley and seconded by Councillor M H Jones.

Liberal Democrats / Independent Opposition Group Amendment

“It goes without saying that the global pandemic has had a huge financial impact on the lives of Swansea Council tax payers. We call on the Labour Council to reduce the proposed council tax rise of 3.99% to a more affordable 1.99%.

We propose funding the reduction with a one off drawdown from the capital equalisation reserve of £2.200m, to be shown as a contribution from earmarked reserves in the revenue budget of the same sum, and a consequential £0.440m reduction to the budgeted anticipated costs of Council Tax Reduction Scheme as a result of that proposed overall lower council tax increase.

We ask for the above amendments to the approved Cabinet report of 18th February 2021 be reflected in the final revenue budget to be agreed at Council.

Our proposed amendment would undoubtedly help the household budgets of All Swansea citizens on the road to recovery from the pandemic.”

The Liberal Democrats / Independent Opposition Group amendment was put to the vote and lost. The Labour Group amendment therefore remained as the substantive motion.

In accordance with Council Procedure Rule 30 “Voting” a recorded vote was requested on the substantive motion. The voting on the amendment was recorded as follows:
