Impact Report: Scrutiny Inquiry into Equalities

Purpose:	To help the Scrutiny Panel to assess the impact of the scrutiny inquiry report into Equalities

Councillors are being asked to:	<ul style="list-style-type: none">• Consider the contents of the report• Reach conclusions about the impact of the inquiry

1. Introduction

- 1.1 The Equalities Scrutiny Inquiry Panel undertook an in-depth inquiry during 2018/19 and presented its final report with conclusions and recommendation to Cabinet on 19 September 2019. The inquiry looked at *How can the Council improve how it is meeting and embedding the requirements under the Equality Act 2010 (Public Sector Equality Duty for Wales 2011)*. This final report can be viewed using this [link](#).
- 1.2 Cabinet made a decision on the scrutiny recommendations at its meeting on 21 November 2019. The Cabinet Member response and action plan were agreed by Cabinet can be viewed using this [link](#).
- 1.4 The final stage of the scrutiny inquiry process is the follow up. It is at this point that usually the original Panel reconvenes in order to assess the impact of the work. A Scrutiny Performance Panel for Equalities has

therefore been reconvened by the Scrutiny Programme Committee and it has been tasked with following up on the impact of this inquiry.

1.5 The purpose of this report is to assist the Panel as it seeks to answer the following three questions, each of which will be dealt with as follows:

- What has changed since the report was presented to Cabinet?
- Have the agreed recommendations been implemented?
- What has been the impact of the scrutiny inquiry?

2. What has changed since the report was presented to Cabinet?

2.1 Since the inquiry concluded the following changes have taken place

- A new Strategic Equality Plan for 2020/24 was developed and published in April 2020. The plan was developed in line with EHRC guidance and incorporates the key recommendations from the Scrutiny Inquiry
- A new Strategic Equality and Future Generation Board has been established. The board will have a key responsibility for the actions and recommendations within the Strategic Equality Plan and Scrutiny Inquiry. The board will also have responsibility for the Future Generations (especially the seven areas of change identified by the Act). This a key change in the structure to the delivery of Equalities and Future Generations across the Council. A post to support the board has also been approved and we are due to make an appointment in the coming months.

2.2 Covid-19

- The Covid-19 pandemic has brought significant challenges to the Council. During the past 10 months officers have had to shift focus to ensure that Council services were maintained and those most vulnerable were supported during the crisis. This switch in focus has resulted in some areas of work being put on hold or suspended which may affect how some of the actions have been progressed to date.
- Here are some examples of the work that has been done to support communities and vulnerable group in Swansea:
 - 4,500 Council staff moved to work from home using digital technology
 - 221 redeployed and over 300 repurposed Council staff into essential / support services
 - Non-essential services hibernated
 - Emergency child care hubs created in 60 school locations
 - Free school meals services established
 - Social care packages of care reviewed to limit unnecessary contact
 - Over 140 extra social care workers available

- Two additional emergency care centres opened
- PPE supply chains bolstered and new suppliers identified
- PPE supply arrangements established to support all Swansea bay social care locations
- Risk assessments undertaken on essential roles
- 1,000-bed surge hospital designed, approved and constructed at bay studios
- Emergency homeless support established
- Food supply and distribution networks established
- Over 1,400 local volunteers recruited
- Shielding support services established including dedicated helpline, food and medicine delivery, local area workers

3. Have the agreed recommendations been implemented?

3.1 In responding to the inquiry an action plan was drawn up showing what steps would be taken to implement all of the scrutiny recommendations agreed by Cabinet (see report [here](#)).

3.2 The table at **Appendix A** shows an updated action plan showing progress against each recommendation and specifically:

- the Cabinet decision in respect of each recommendation
- the action taken since the Cabinet response on 21 November 2019 together with any relevant explanatory statements
- the responsible officer(s)
- timescales involved

The table shows that a significant number of actions have been implemented although some have been delayed due to the ongoing pandemic and the need to switch resources and focus to other areas as set out in 2.2 above. However, those areas will be progressed as soon as is practical.

4. What has been the impact of the scrutiny inquiry?

4.1 As a result of the inquiry, the internal focus on how we deliver Equalities across the Council increased. The direct impact is the development of the Strategic Equality and Future Generation Board.

The board is a significant development and will help embed equalities across the organisation. It has provided us with the infrastructures to monitor, review and deliver on the Councils agreed objectives and actions around equalities.

5. Legal Implications

5.1 There are no specific legal implications raised by this report.

6. Financial Implications

6.1 There are no specific financial implications raised by this report.

7. Equality & Engagement Implications

7.1 There are no specific equality and engagement implications raised by this report.

1	Implement a high-level cross council Strategic Equality Group.	Equalities Policy Development Committee (PDC) established and work plan for the remainder of the year agreed.		Aug 2019	Head of Democratic Services
<p>COMPLETE</p> <p>Progress: Equalities Policy Development Committee (PDC) established and work plan for the remainder of the year agreed. Through the course of the year it become clear that an internal strategic group was also needed to support, monitor and champion Equalities across the Council. A paper outlining the scope and role of a new Strategic Equality and Future Generations Board was agreed by the Cabinet Member and CMT. It was identified that a resource was needed to help coordinate and deliver the action plan of the board. We are currently in the process of seeking to appoint a Strategic equality and human rights Co-ordinator to deliver the strategic Equality and human rights strategy and action plans working with departments across the council, as well as supporting the Equality & Future Generations Board by gathering, co-ordinating and monitoring information for the Board on the delivery of the council’s Strategic Equality Plan and, where relevant, Well-being of Future Generations Act. The focus of this post is to help embed equalities across the organisation by supporting the Board to enable the delivery of excellent and accessible services to all residents and contribute to the goal of Swansea becoming a Human Rights City. The Equalities and Future Generations Policy Development Committee has now changed to become the Recovery and Transformation PDC but will continue to work with the Strategic Equality and Future Generations Board where policy gaps are identified.</p>					
2	Develop a new Equality Plan co-productively. Ensure it is more streamlined and outcome and impact focused. The Council should take up		New Equality Plan in development drawing on: <ul style="list-style-type: none"> ▪ Recommendations from the Scrutiny inquiry ▪ This Cabinet response ▪ Consultation activity ▪ The ‘Is Wales Fairer’ report. 	the offer from the Equality and Human Rights Commission (EHRC) Wales to work with us on our Plan.		Due to the timing of activity this year A full co-productive approach is not possible in order to meet the statutory deadline. However, this will form part of the plan from 2020 onwards. The Council will also proactively engage the EHRC on this and future equality plans.		
<p>COMPLETE</p> <p>Progress: A new Strategic Equality Plan for 2020/24 was developed and published in April 2020. The plan was developed in line with EHRC guidance and incorporates the key recommendations from the Scrutiny Inquiry and the key issues identified within the EHRC 'Is Wales Fairer' report. Although, as previously reported, the timing of the development of the plan meant that a fully co-productive approach to its development was not possible, significant consultation was undertaken before and after the development of the new Equality Objectives, which included face-to-face consultation as well as surveys; different languages and formats were also used where possible to help maximise involvement.</p>					
3	Promote "SMART" working with our Equality Forums, ensuring they all have clear terms of reference, work plans and schedules. Ensure better engagement with Council departments and Councillor Champions. Facilitate the establishing of	Leadership Team discussion with Heads of Service to determine and agree areas of consultation, engagement and co-production that can inform the future work plans across all equality forums	<ul style="list-style-type: none"> • Work plans and schedules to be planned across equality forums • Development of the Equality Champions 	Mar 2020	Chief Transformation Officer

<p>INCOMPLETE</p> <p>Progress: Leadership held a discussion about the Equality forums and were encouraged to engage with the forums more in the future. An initial list of proposed areas that would be subject to engagement with the forum was produced, however the Covid pandemic means that this list now needs to be reviewed. Covid has posed a significant challenge in the continuation of our equality forums, however we have adapted and our forums have begun meeting again. Ensuring we have good engagement mechanisms in place for priority groups has been highlighted as a key priority for the new Strategic Board and going forward we can address this action with the support of the board.</p>				
4 Clarify and further promote the role of Councillor Champions, ensure better engagement with Equality Groups/Forums and establish links with the Strategic Equality Group.		<ul style="list-style-type: none"> • Review of Councillor Champion involvement in light of the work plans and schedules across Equality Forums • Develop a role description for Councillor Champions so responsibilities are clear • Communicate work of the Strategic Equality Group so Councillor Champions can easily engage with the group 	Mar 2020	Policy and Strategy Officer

Board as part of its action plan. Cabinet Member for Supporting Communities has now taken on “Champions Liaison” as part of the portfolio and meets with Champions regularly to discuss the role, collaborative working and promotion.					
5	Clarify expectations of those acting in the Equality Staff Representative role. We would expect those nominated to be able to take part in co-ordinating meetings and training and that they are linked to a wider knowledge base/support network for advice, guidance and support.	<ul style="list-style-type: none"> • Equality Champions network already identified • Training underway 	<ul style="list-style-type: none"> • Equality Champions involved in work planning and scheduling so they can lead and co-ordinate at relevant Equality Forums • Further and ongoing training to be delivered • Role description articulated and reviewed annually. <p>INCOMPLETE</p> <p>Progress: Equality Staff Representative have been given presentations and information on easy read/plain English. They have also had presentations regarding coproduction. Work had begun in Feb 2020 to directly involve the champions in the co-ordination of our disability forum. The covid pandemic means that work in this area has halted as resources have been directed to other areas of work. However, the creation of Strategic Board will mean that the role and work plan of the staff equality champions will have more clarity going forward.</p>					
6	Complete the Carers Strategy as a matter of urgency.	<ul style="list-style-type: none"> • West Glamorgan Regional Partners Board are progressing the development of Regional Carers Strategy 	<ul style="list-style-type: none"> • Continue to work with carers to develop the strategy • Continue to ensure a co-productive approach working with 	Dec 2020	Director of Social Services

During the launch there was the opportunity for people to find out about and influence the forum's work priorities and meet a number of organisations who work locally with disabled people and their families 			

Recommendation	Action already being undertaken	New Action Proposed	Time scale	Responsible Officer	
<p>INCOMPLETE</p> <p>Progress: The Regional Carers Strategy has been co-produced and submitted for approval through the Carers Partnership Board and the Recovery Board. Carers have been fully involved in the Regional Strategy Development Group to develop the draft strategy, which should be in place by March 2021. This will inform the local strategy so we add value and not duplicate work.</p> <p>The new Regional Carers Forum is scheduled to start meeting from 21 January 2021 with a series of visioning workshops supported by Dynamix. Work is being planned to integrate the regional and local strategy development work as well as feed into a single regional Action Plan for Carers which will cover initiatives for 2021/22.</p> <p>The Co-production Strategy for Social Care will go to cabinet at the end of January 2021, this has been co-produced with many carers who are part of the Co-production Network and outlines a journey on how we work together to achieve the expectations of the Social Services and Wellbeing Act around how Local Authorities adheres to the principles of co-production when planning, designing and delivery care and support. This puts people who receive care and support on equal footing with those organising care and support, ensuring voice, choice and control, doing with rather than to, leading to better outcomes.</p> <p>Good progress has been made in this area, however the speed of progress has been impacted by the pandemic.</p>

Use the Swansea 50th Year as a City Anniversary to launch what will be an ongoing process.</p>	<p>Throughout the 50th year a number of activities have been undertaken to promote diversity, see the list at recommendation 15.</p>	<p>We will create an external communication programme to promote significant dates relating to equality and diversity issues, e.g.</p> <ul style="list-style-type: none"> • Holocaust Memorial Day • LGBT history month • International Women's Day • Deaf Awareness Day • Mental Health Awareness Week 	Mar 2021	Head of Communication & Marketing

<p>INCOMPLETE</p> <p>Progress: The Covid-19 pandemic has transformed the range of activity done by departments and the communications team to ensure the council's response to the pandemic is properly promoted to staff and to the wider public. Within the response it was recognised that many activities celebrating Swansea's diversity and zero tolerance for discrimination could not be commemorated as originally intended or would have to be cancelled.</p> <p>However, we are continuing to provide support to significant dates relating to equality and diversity issues, despite major events relating to some of them being cancelled – such as Swansea Pride - due to the Covid-19 pandemic. We provided active support for the online Holocaust Memorial Day event in January.</p> <p>In addition to this we have provided communications support to those council initiatives which have taken place relating to promoting diversity and zero tolerance of discrimination. We have also provided support to on-going activity by the council to support those affected by domestic abuse during the pandemic.</p> <p>Our communications activity has also focussed on highlighting to staff new council services which have made a real difference in ensuring that the most vulnerable in our communities have access to the support they need during the pandemic.</p>

10	Support the continued development of community hubs across the Council area and ensuring that all staff involved have full equalities training.	The strategy and business case around community hubs has been reviewed with digital at the heart of the hub model.		Mar 2022	Head of Property Services

INCOMPLETE					
<p>Progress:</p> <ul style="list-style-type: none"> ▪ Prior to the pandemic two community hub pilots were undertaken in order to co-locate services, e.g. Housing and Library staff. These provided valuable learning alongside new community models which emerged as a result of the pandemic. ▪ In light of this learning the Council is therefore revisiting its strategy for Community Hubs following the Welsh Government's ambition (as a result of the pandemic) to move towards 30% of Welsh workers working from home or close to home. The Council is already working with other public sector partners and other businesses to deliver a new hub model. The model will have a 'digital first' approach at its heart so that staff and Councillors can work remotely from these hubs, whilst delivering joined-up public sector services to residents ▪ The Council has been working with Welsh Government on the Workplace Hub initiative and have proposed Swansea Civic Centre as a pilot. 					
11	Address the significant issues with the Council website as identified in this report. Key aspects should be developed co-productively. Consider use of more 'hover over' facilities for key words where pictures are shown. Be mindful of problems with PDFs/tables for screen readers.	<ul style="list-style-type: none"> • To produce a new Council website with improved accessibility to meet AA standard using W3C 2.1 guidance • Alt tags are present on all images already for screen readers, or when images are not loaded • Web editors are already advised to use tables only when absolutely necessary to display information and to keep tables as small and simple as possible • Guidance for web editors has 	<ul style="list-style-type: none"> • To meet with the Disability Liaison Group to discuss any current difficulties using the site • To co-produce the new site utilising their experiences to improve accessibility for a wide range of user needs • To ask web editors to add Word versions of smaller pdf documents to improve accessibility for users, especially those using screen readers 	Jun 2020	Web Development Manager

<p>INCOMPLETE</p> <p>Progress: The Web Manager met with the Disability Liaison Group in January 2020 to discuss the new council site and co-production opportunities. This was a very productive meeting, but unfortunately then COVID-19 workload impacted the Web Team's timescales around the new site and curtailed further meetings. However, the Disability Liaison Group meetings will be resuming online this year and the Web Manager will be attending to progress the co-production of the site. More guidance has been produced on Staffnet and existing content updated so it's suitable for all users. A series of news articles is being promoted in January 2021 to raise awareness of accessibility across the council, not just confined to the web contributors. Accessibility tests have been carried out on various new apps during November – January, including the new Civica payment functionality. This will provide a mobile responsive payment facility which will be going online by early February.</p>

These activities are promoted and supported at a corporate level by the Communications Team through a range of platforms including Staffnet, social media and the Chief Executive's blog.</p> <p>The Covid-19 pandemic has transformed the range of activity done by departments and the communications team to ensure the council's response to the pandemic is properly promoted to staff and to the wider public. We are continuing to provide support to significant dates relating to equality and diversity issues, despite major events relating to some of them being cancelled – such as Swansea Pride - due to the Covid-19 pandemic. We provided active support for the online HMD event in January.</p> <p>In addition to this we have provided communication support to those council initiatives which have taken place relating to promoting diversity and zero tolerance of discrimination. This includes supporting Black History Month, White Ribbon Day, the Change-Makers' Festival and Interfaith Week. We have also provided support on-going activity by the council to support those affected by domestic abuse during the pandemic.</p>
