He referred to the links recently developed with Llandovery College and Coleg Sir-Gar and the engagement undertaken with the Muslim Council for Wales.

He indicated that unfortunately again due to the Covid pandemic, participation with events to commemorate Armistice Day and Remembrance Sunday were much reduced, but outlined that cadets from Swansea and Neath would be taking part in a parade in Port Talbot on Sunday.

He outlined that cadets are back in face to face training, but detailed some issues relating to Covid that are impacting on training and development.

Katie Ruddock outlined that the ‘In the Squad’ scheme was up and running in its second venue at Meadowview now, as well as the one in Briton Ferry.

She outlined that participation levels weren’t great, but discussion took place around the impact of PIPS and veterans taking part in the activities. It was outlined that the local veterans DWP contact had indicated in another forum that that participation in such activities wouldn’t affect benefits. Clarity would be sought from the DWP and information reported back to the next meeting.
