Application of the new Naming Policy to request Council approval for naming the Coastal Park after Amy Dillwyn. Any proposals to name spaces after individuals should be based on a significant contribution to public life and have a connection to Swansea clearly evidenced. Correspondence with the surviving family member has confirmed he is happy with the proposal and has requested only that some interpretation is available nearby, describing his Great Great Grandmother which is entirely possible. The proposal was put forward by Councillors and ratified by CMT after which the Head of Cultural Services was asked to lead on securing a plaque and announcement to be followed by an event. The proposal is in line with a review of monuments, collections and place names in considering 'overlooked' notable persons, as part of the Council's commitment to greater representation of individuals with protected characteristics following its Black Lives Matter Motion in 2020.

In 2018, Amy Dillwyn was chosen as one of the top 100 Welsh Women by Women's Equality Network Wales, in their project to mark the centenary of women's suffrage.

Q3 What involvement has taken place/will you undertake e.g. engagement/consultation/co-productive approaches?

Please provide details below – either of your activities or your reasons for not undertaking involvement

Correspondence with the surviving family member has confirmed he is happy with the proposal and has requested only that some interpretation is available nearby, describing his Great Great Grandmother which is entirely possible. The background to the naming policy is the work undertaken by Cultural Services following the Council’s adoption of the Black Lives Matter Motion in 2020. A list of ‘overlooked’ notable characters was compiled for consideration in applying names/ titles or other classifications to rooms, buildings, highways, open space etc. Recently a new ‘Naming Policy’ has been created which sets out a process for nomination. This Screening relates to the nomination of Amy Dillwyn as the individual for whom the new park at Copr Bay should be named. The nomination is from Cabinet Members named on the attached and follows the agreed process subject to ratification by CWG and Council.

Q4 Have you considered the Well-being of Future Generations Act (Wales) 2015 in the development of this initiative:

- a) Overall does the initiative support our Corporate Plan’s Well-being Objectives when considered together?
 Yes No
- b) Does the initiative consider maximising contribution to each of the seven national well-being goals?
 Yes No
- c) Does the initiative apply each of the five ways of working?
 Yes No
- d) Does the initiative meet the needs of the present without compromising the ability of future generations to meet their own needs?
 Yes No

Q5 What is the potential risk of the initiative? (Consider the following impacts – equality, socio-economic, environmental, cultural, legal, financial, political, media, public perception etc...)

High risk

Medium risk

Low risk

Q6 Will this initiative have an impact (however minor) on any other Council service?

Yes

No

If yes, please provide details below

Likely need to include the name on future maps/street guides/ website

Q7 Will this initiative result in any changes needed to the external or internal website?

Yes

No

If yes, please provide details below

Likely name change needed online from Coastal Park to Amy Dillwyn Park

Q8 Does the initiative involve changes to the way you process the personal data of Council staff or service users, for example the purchase of new customer management software?

Yes

No

If your answer is yes, you should also screen the initiative for any implications regarding privacy and other GDPR rights and consider whether you need to amend your entry in the Council's Information Asset Register. Please use the following link to the online screening form for a Data Protection Impact Assessment <https://staffnet.swansea.gov.uk/dpiascreeing>
For more about the Information Asset Register, please see <https://staffnet.swansea.gov.uk/informationassetregister>

Q9 What is the cumulative impact of this proposal on people and/or communities when considering all the impacts identified within the screening and any other key decisions affecting similar groups/ service users made by the organisation?

(You may need to discuss this with your Service Head or Cabinet Member to consider more widely if this proposal will affect certain groups/ communities more adversely because of other decisions the organisation is making. For example, financial impact/poverty, withdrawal of multiple services and whether this is disadvantaging the same groups, e.g., disabled people, older people, single parents (who are mainly women), etc.)

This is raising the profile of a high-profile local female, and such woman are deserving of and generally underrepresented in being celebrated.

Outcome of Screening

Q9 Please describe the outcome of your screening using the headings below:

- **Summary of impacts identified and mitigation needed (Q2)**
- **Summary of involvement (Q3)**
- **WFG considerations (Q4)**
- **Any risks identified (Q5)**
- **Cumulative impact (Q9)**

Positive impacts have been identified and no mitigation is required. Clear communications and signage will be required, and information provided to the public and other Council departments on the name and location / coordinates etc. The screening is undertaken by the Head of Cultural Services, in that it is the service's role in collating historic material and records on notable individuals that has informed this nomination. The Cabinet Member is identified as being the portfolio holder for parks and regeneration initiatives, 'Investment, Regeneration, Events & Tourism'.
