#### 1. Introduction

- 1.1 In accordance with Council report 18 October 2012, when current Scrutiny arrangements were agreed, the Scrutiny Programme Committee is responsible for appointing members and conveners to the various Scrutiny Panels / Working Groups that are established.

#### 2. Revision to Existing Scrutiny Panel / Working Group Membership

- 2.1 None.

#### 3. Guiding Principles

- 3.1 When determining membership / conveners or agreeing any changes there are some key considerations for the Committee:

- It is necessary for more than one political group to be represented on each Panel / Working Group.
- These bodies also need to be of a manageable size in terms of team working and effective questioning.
- To ensure that all political groups have opportunities and are engaged.
- Good scrutiny practice places emphasis on respect for minority party wishes around both chairing of such bodies and the work programme.
- Being fair and balanced in the appointment of conveners, when there is interest from more than one councillor, e.g., giving opportunity to those who have not acted as convener previously.
- The Committee should reflect on the existing 'balance' of conveners to help inform future appointments.
- A minimum of three members should be present at all Panel / Working Group meetings.
