- Summary of impacts identified and mitigation needed (Q2)
- Summary of involvement (Q3)

- Cumulative impact (Q7)

We have identified high impact on children and young people because it is in school environment and Governors are appointed to those school. Race, Religion and Welsh language have been also identified as high impact because we have some religious and welsh language schools. There is no need for mitigation as impacts that have been identified are positive. The panel choose governors and no public consultation is required. In order for schools to run effectively they need to have effective governing bodies, this appointment process supports this.
