

Report of the Chief Auditor

Governance & Audit Committee – 10 April 2024

Internal Audit Charter 2024/25

Purpose:	This report outlines the background to the Public Sector Internal Auditing Standards (PSIAS) which were introduced with effect from 1 st April 2013 and presents the Internal Audit Charter to the Governance and Audit Committee for approval following CMT approval on the 31 st January 2024.
Policy Framework:	None
Consultation:	Legal, Finance, Access to Services
Recommendation:	It is recommended that the Governance and Audit Committee approve the Internal Audit Charter for 2024/25.
Report Author:	Simon Cockings
Finance Officer:	Ben Smith
Legal Officer:	Stephen Holland
Access to Services Officer:	Rhian Millar

1. Introduction

- 1.1 The Public Sector Internal Audit Standards (PSIAS) came into force on 1st April 2013 and replaced the CIPFA Code of Practice for Internal Audit in Local Government.
- 1.2 The PSIAS were developed by CIPFA and the Chartered Institute of Internal Auditors (CIIA) and are mandatory for all providers of internal audit services in the public sector.
- 1.3 The standards are based on the mandatory elements of the global CIIA's International Professional Performance Framework with additional requirements to reflect the UK public sector.

- 1.4 The objectives of the PSIAS are to:
- Define the nature of internal auditing within the UK public sector.
 - Set basic principles for carrying out internal audit in the UK public sector.
 - Establish a framework for providing internal audit services, which add value to the organisation, leading to improved organisational processes and operations.
 - Establish the basis for the evaluation of internal audit performance and to drive improvement planning.
- 1.5 The PSIAS were last updated in 2017 and consist of the following:
- Mission of Internal Audit
 - Definition of Internal Audit
 - Core Principles for the Professional Practice of Internal Auditing
 - Code of Ethics
 - International Standards for the Professional Practice of Internal Auditing
- 1.6 The PSIAS also require an external assessment of the internal audit function at least once every 5 years. The external assessment may either be a full assessment by a suitably qualified external assessor or a self-assessment with independent external validation.
- 1.7 The City and County of Swansea, along with the majority of all other Local Authorities in Wales, chose to undertake a self-assessment with the results being independently validated by peer authority. Our validation visit was completed in January 2018 which concluded that the City and County of Swansea's Internal Audit Section is broadly compliant with the PSIAS and Cipfa Application Note, with no significant deviations from the Standards being noted. The results of the peer review were reported to Audit Committee in April 2018.
- 1.8 The external assessment must be undertaken at least every 5 years. The second assessment completed by Blaenau Gwent County Borough Council was undertaken between December 2022 and August 2023.
- 1.9 In summary, there are 304 best practice lines within the PSIAS. The Internal Audit Service of Swansea Council was assessed as fully conforming with 303 of the requirements (includes those not applicable). One area of partial compliance was noted in relation to a dedicated Information Technology audit resource within the team. Therefore, the Internal Audit Service of Swansea Council was assessed as generally conforming with the standards in all significant areas and operating independently and objectively.
- 1.10 The Local Government and Elections (Wales) Act 2021 stipulates that remit of the Committee would be extended and the name of the

Committee changed to the Governance and Audit Committee from the 1st April 2021. Additional changes around membership came into effect from May 2022. The updated terms of reference of the Governance and Audit Committee are attached at Appendix C to the Audit Charter for information.

- 1.11 The Act requires that from May 2022, one-third of the membership of the Governance and Audit Committee must lay persons. A lay person is a person who is not a member or an officer of any local authority, has not at any time in the period of 12 months ending with the date of the person's appointment been a member or an officer of any local authority and is not a spouse or civil partner of a member or an officer of any local authority.
- 1.12 The Governance and Audit committee has four lay members. The Committee has seen a reduction in total membership from 15 to 12 in 2023/24. The committee therefore meets the requirements of the Act.
- 1.13 The Act also provides that a lay person must be appointed as Chair of the Committee and the deputy Chair must not be a member of the Cabinet.

2. Internal Audit Charter

- 2.1 One of the requirements of the PSIAS is that every internal audit provider in the UK public sector whether in-house, shared service or outsourced must have an Internal Audit Charter.
- 2.2 The Internal Audit Charter is a formal document that defines the internal audit activity's purpose, authority and responsibility. The guidance produced by CIPFA on implementing the PSIAS states that the Charter should:
 - Recognise the mandatory nature of the PSIAS (the Core Principles for the Professional Practice of Internal Auditing, the Code of Ethics, the Standards and the Definition of Internal Auditing).
 - Define the scope of internal audit activities.
 - Establish the responsibilities and objectives of internal audit.
 - Recognise that internal audit's remit extends to the entire control environment of the organisation and not just financial controls.
 - Define the terms 'board' and 'senior management' for the purposes of the internal audit activity.
 - Establish the organisational independence of internal audit.
 - Establish the accountability, reporting lines and relationships between the chief audit executive (Chief Auditor) and:
 - The board (Governance and Audit Committee).
 - Those to whom the Chief Auditor must report functionally.
 - Those to whom the Chief Auditor may report administratively.

- Set out the responsibility of the board and also the role of the statutory officers with regards to internal audit.
- Define the role of internal audit in any fraud-related work.
- Set out the arrangements that exist within the organisation's anti-fraud and anti-corruption policies, requiring the Chief Auditor to be notified of all suspected or detected fraud, corruption or impropriety, to inform his or her annual internal audit opinion and the risk-based plan.
- Establish internal audit's right of access to all records, assets, personnel and premises, including those of partner organisations where appropriate, and its authority to obtain such information and explanations as it considers necessary to fulfil its responsibilities.
- Cover the arrangements for appropriate resourcing.
- Include arrangement for avoiding conflicts of interest if internal audit undertakes non-audit activities.

2.3 The Chief Auditor is required to review the Internal Audit Charter periodically and present it to the Corporate Management Team and the Governance and Audit Committee for approval. The PSIAS state that final approval of the Internal Audit Charter resides with the Governance and Audit Committee.

2.4 The Internal Audit Charter 2024/25 for the City and County of Swansea's Internal Audit Section can be found in Appendix 1.

2.5 The Charter was approved by the Corporate Management Team on the 31st January 2024 and is presented to the Governance & Audit Committee for final approval.

3 Integrated Assessment Implications

3.1 The Council is subject to the Equality Act (Public Sector Equality Duty and the socio-economic duty), the Well-being of Future Generations (Wales) Act 2015 and the Welsh Language (Wales) Measure, and must in the exercise of their functions, have due regard to the need to:

- Eliminate unlawful discrimination, harassment and victimisation and other conduct prohibited by the Acts.
- Advance equality of opportunity between people who share a protected characteristic and those who do not.
- Foster good relations between people who share a protected characteristic and those who do not.
- Deliver better outcomes for those people who experience socio-economic disadvantage
- Consider opportunities for people to use the Welsh language
- Treat the Welsh language no less favourably than English.
- Ensure that the needs of the present are met without compromising the ability of future generations to meet their own needs.

- 3.2 The Well-being of Future Generations (Wales) Act 2015 mandates that public bodies in Wales must carry out sustainable development. Sustainable development means the process of improving the economic, social, environmental and cultural well-being of Wales by taking action, in accordance with the sustainable development principle, aimed at achieving the 'well-being goals'.
- 3.3 Our Integrated Impact Assessment (IIA) process ensures we have paid due regard to the above. It also takes into account other key issues and priorities, such as poverty and social exclusion, community cohesion, carers, the United Nations Convention on the Rights of the Child (UNCRC) and Welsh language.
- 3.4 The completion of the Integrated Impact Assessment Screening revealed that:
- The Internal Audit Charter has a low positive impact across all groups.
 - It has been subject to consultation with the Director of Finance & S151 Officer, Legal, Access to Services and the Corporate Management Team.
 - All Well-being of Future Generations Act considerations are positive and any risks identified are low.
 - The overall impact of the Internal Audit Charter is positive as it will support the Authority in its requirement to protect public funds.

4. Financial Implications

- 4.1 There are no financial implications associated with this report.

5. Legal Implications

- 5.1 Provision of an adequate and effective internal audit function is a legal requirement under the Accounts and Audit (Wales) Regulations 2005 as amended. For local government in Wales, the PSIAS is mandatory for all principal local authorities. An effective internal audit service also ensures that the Well-being Goals within the Well-being of Future Generations Act Wales (2015) are being met.

City and County of Swansea

Internal Audit Charter 2024/25

1. Introduction

- 1.1 The Public Sector Internal Audit Standards (PSIAS) came into force on 1st April 2013 and replaced the CIPFA Code of Practice for Internal Audit in Local Government.
- 1.2 The PSIAS were adopted by the Relevant Internal Audit Standard Setters which is made up of 7 organisations including CIPFA and the Welsh Government.
- 1.3 The PSIAS were developed by CIPFA and the Chartered Institute of Internal Auditors (CIIA) and are mandatory for all providers of internal audit services in the public sector.
- 1.4 The PSIAS consist of the following:
 - Mission of Internal Audit.
 - Definition of Internal Audit.
 - Core Principles for the Professional Practice of Internal Audit
 - Code of Ethics.
 - International Standards for the Professional Practice of Internal Auditing.
- 1.5 One of the requirements of the PSIAS is that each internal audit provider must have an Internal Audit Charter which is a formal document that:
 - Defines the purpose, authority and responsibility for internal audit.
 - Establishes the internal audit activity's position within the organisation.
 - Authorises access to records, personnel and physical assets.
 - Defines the scope of internal audit activities.
 - Defines the nature of assurance and consulting activities.
- 1.6 The Internal Audit Charter must be reviewed periodically by the Chief Auditor and presented to the Corporate Management Team and the Governance and Audit Committee for approval. Responsibility for the final approval of the Internal Audit Charter resides with the Governance and Audit Committee.

2. Definition of Internal Audit

2.1 The statutory nature of Internal Audit is established by the following legislation:

- Section 151 of the Local Government Act 1972 which states that local authorities are required to make arrangements for the proper administration of its financial affairs and shall ensure that one of its officers has responsibility for the administration of those affairs. In the City and County of Swansea, this is the responsibility of the Section 151 & Chief Finance Officer.
- The Accounts and Audit (Wales) Regulations 2014 state that '*a larger relevant body shall maintain an adequate and effective system of internal audit of its accounting records and of its system of internal control*'. The 2014 Regulations also say that '*a larger relevant body must, at least once a year, conduct a review of the effectiveness of its internal audit*'.

2.2 Against this statutory background, the PSIAS provides the following definition of internal audit:

- '*Internal auditing is an independent, objective assurance and consulting activity designed to add value and improve an organisation's operations.*
- '*It helps an organisation accomplish its objectives by bringing a systematic, disciplined approach to evaluate and improve the effectiveness of risk management, control and governance processes*'.

2.3 The Mission of Internal Audit articulates what internal audit aspires to accomplish within an organisation. This Mission, as outlined in the latest version of the Standards is as follows:

'To enhance and protect organisational value by providing risk-based and objective assurance, advice and insight'.

2.4 The Core Principles for the Professional Practice of Internal Auditing articulate internal audit effectiveness. For an internal audit function to be considered effective, all of the Principles should be present and operating effectively. The Standards state that failure to achieve any of the Principles would imply that an internal audit activity was not as effective as it could be in achieving internal audit's mission. The Core Principles are listed in Appendix A.

2.5 The PSIAS also includes a Code of Ethics which all internal audit staff are required to comply with. The principles which underpin the Code of Ethics are integrity, objectivity, confidentiality and competency. All audit staff are required to complete annual declarations to confirm that they

comply with the Code of Ethics. Further details on the Code of Ethics can be found in Appendix B.

- 2.6 Internal auditors are also expected to adhere to the requirements of any professional body that they are members of as well as the Council's Officers' Code of Conduct.
- 2.7 A number of generic terms are used throughout the PSIAS which must be defined in the Internal Audit Charter. The terms and how they are interpreted in the City and County of Swansea are shown in the following table:

PSIAS	City & County Swansea
Chief Audit Executive	Chief Auditor
Senior Management	Corporate Management Team
Board	Governance and Audit Committee

3. Role and Function of Internal Audit

- 3.1 A professional, independent and objective internal audit service is one of the key elements of good governance in local government with the foundation of an effective internal audit service being evidenced by compliance with the required standards and proper practices.
- 3.2 Internal Audit is an assurance function that primarily provides an independent and objective opinion to the Council on the control environment comprising risk management, internal control and governance by evaluating its effectiveness in achieving the Council's objectives.
- 3.3 Internal Audit objectively examines, evaluates and reports on the adequacy of the control environment as a contribution to the proper, economic, efficient and effective use of resources.
- 3.4 It is management's responsibility to establish and maintain a sound control environment including risk management, internal control processes, accounting records and governance arrangements.
- 3.5 It is Internal Audit's role to review the established systems and advise management whether suitable arrangements are in place and are operating effectively. It is particularly important that the work of Internal Audit adds value to the services under review.
- 3.6 Internal Audit will work with management to improve the control environment and assist the Council in achieving its objectives.
- 3.7 The role undertaken by Internal Audit and the annual opinion on the control environment provided by the Chief Auditor which also informs the Council's Annual Governance Statement provides a vital assurance

function over the Council's activities. This also assists in ensuring the Council's Governance and Audit Committee discharges its responsibilities in line with the Committee's Statement of Purpose which can be found in Appendix C.

4. Scope of Internal Audit

4.1 The definition of Internal Audit established by the PSIAS covers the control environment of the Council as a whole.

4.2 This means that the scope of Internal Audit similarly covers the Council's operations as a whole and is not limited to the review of financial systems.

4.3 Financial Procedure Rule 12 – Internal Audit states that the Chief Auditor will maintain an adequate and effective internal audit service and provides authority to:

- Enter at all reasonable times on any Council premises or land.
- Have access to, and removal if necessary into custody of, all records, documents and correspondence relating to any financial or other transaction of the Council.
- Require and receive such explanations as are necessary concerning any matter under examination.
- Require any employee of the Council to produce on demand cash, stores or any other Council property under his/her control.

5 Independence of Internal Audit

5.1 It is essential that Internal Audit is independent of the services it reviews and reports upon. Internal Audit must be seen to be independent and all staff must be free of any restrictions which prevent them acting in an independent and objective manner.

5.2 The Internal Audit Section is part of the Finance Directorate reporting to the Director of Finance & Section 151 Officer.

5.3 The Chief Auditor has no other management responsibilities which restrict the independence of Internal Audit.

5.4 The Chief Auditor also has unrestricted access to the Chief Executive, Directors, Chief Officers and Heads of Service and may report to any level of management as considered necessary. Regular meetings are also held with the Council's external auditor.

5.5 The Chief Auditor reports functionally to the Governance and Audit Committee in his own name and has unrestricted access to the Chair of the Audit Committee and elected members. The Chief Auditor or a senior representative from the Internal Audit team attends all Governance and Audit Committee meetings and contributes to the agenda.

- 5.6 All Internal Audit staff are required to declare any possible conflicts of interest, of whatever kind, which may impair their ability to demonstrate an impartial, unbiased and objective approach to their work on an annual basis. Staff are also required to declare any potential conflicts of interest as they arise during the year. The declarations are considered by the Chief Auditor and the Principal Auditor when allocating work to individual Auditors and Senior Auditors to ensure any potential conflicts of interest are appropriately managed.

6 Consultancy Role of Internal Audit

- 6.1 In addition to the assurance function provided by Internal Audit, there are also occasions where it may also provide a consultancy or advisory role e.g. providing training or advice on controls for systems under development.
- 6.2 On such occasions, Internal Audit is providing advice and guidance and is not giving assurance. Where this occurs, Internal Audit always retains the right to review the service at a later date and make further recommendations.
- 6.3 Should a request be received for consultancy work of a significant nature which is not included in the annual plan, the work will not be accepted if it will restrict the ability to complete the required assurance work and deliver the annual internal audit opinion. The Chief Auditor will also ensure that the Governance and Audit Committee is notified of any requests for significant consultancy work prior to accepting them.

7 Fraud, Bribery and Corruption Role of Internal Audit

- 7.1 The establishment of systems and controls to prevent fraud, bribery and corruption is the responsibility of management.
- 7.2 Internal Audit will be aware of the risk of loss by fraud, bribery or corruption in all audit reviews undertaken and will report any exposure to the risk of loss.
- 7.3 Financial Procedure Rule 12 – Internal Audit requires any responsible officer who suspects financial irregularity to inform the Director of Finance immediately and to provide facilities for investigation in accordance with the Council's Anti-Fraud and Corruption Policy.
- 7.4 The details of any suspected or detected frauds will be considered when preparing the risk based Internal Audit Plan and will also inform the Chief Auditor's annual internal audit opinion.
- 7.5 The Council established a Corporate Fraud function with effect from 1st June 2015 based in the Internal Audit Section.
- 7.6 The Corporate Fraud function is responsible for raising the profile of fraud awareness and promoting an anti-fraud and corruption culture

across the Council. Where appropriate the Corporate Fraud Investigators undertake or assist management in the investigation of suspected cases of fraud, corruption or bribery.

8 Internal Audit Resources

- 8.1 Internal Audit should be appropriately resourced to meet its objectives in terms of the number of staff, grades, qualifications, personal attributes and experience.
- 8.2 The PSIAS require the Chief Auditor to be professionally qualified and suitably experienced. The Chief Auditor must be a full member of a CCAB accounting body or a member of the Institute of Internal Auditors.
- 8.3 Risk assessment methodology is used to identify the level of audit coverage required to provide the annual internal audit opinion on the control environment.
- 8.4 A risk based annual Internal Audit Plan is produced which matches the required audit coverage to the available resources. The plan is approved by the Corporate Management Team and the Governance and Audit Committee. The Chief Auditor is required to bring to the attention of the Committee the potential consequences of any shortfall in resources which may impact on the provision of the annual opinion.
- 8.5 The annual plan will be constantly reviewed during the year in response to any changes e.g. vacancies, new risks, frauds and special investigations.
- 8.6 Quarterly reports showing progress made against the annual plan will be presented to the Director of Finance & Section 151 Officer and the Governance and Audit Committee.

9 Quality Assurance and Improvement Programme

- 9.1 To ensure compliance with the PSIAS, the Chief Auditor must put in place a Quality Assurance and Improvement Programme (QAIP).
- 9.2 The QAIP must include both internal and external assessments of Internal Audit.
- 9.3 The internal assessment includes the ongoing supervision and review of work produced by Internal Audit staff as well as performance against targets and client feedback for each audit completed.
- 9.4 A periodic, internal self-assessment must also be undertaken to confirm compliance with the PSIAS. The results of the internal self-assessment are reported to the Director of Finance & Section 151 Officer and the Governance and Audit Committee as part of the Internal Audit Annual Report.

- 9.5 The PSIAS also require an external assessment at least once every 5 years. The external assessment may either be a full assessment by a suitably qualified external assessor or a self-assessment with independent external validation.
- 9.6 The results of the QAIP must be included in the Chief Auditor's annual report to the Governance and Audit Committee. The report must highlight any areas of non-conformance with any significant areas of non-conformance being included in the Annual Governance Statement.
- 9.7 Further details of the QAIP can be found in Appendix D.

Appendices: Appendix A – Core Principles of Internal Audit
Appendix B – Code of Ethics
Appendix C – Audit Committee Terms of Reference
Appendix D – QAIP

Core Principles for the Professional Practice of Internal Auditing

The Core Principles, taken as a whole, articulate internal audit effectiveness. For an internal audit function to be considered effective, all Principles should be present and operating effectively. How an internal auditor, as well as an internal audit activity, demonstrates achievement of the Core Principles may be quite different from organisation to organisation, but failure to achieve any of the Principles would imply that an internal audit activity was not as effective as it could be in achieving internal audit's mission *'to enhance and protect organisational value by providing risk-based and objective assurance, advice and insight'*.

The Core Principles are:

1. Demonstrates integrity.
2. Demonstrates competence and due professional care.
3. Is objective and free from undue influence (independent).
4. Aligns with the strategies, objectives, and risks of the organisation.
5. Is appropriately positioned and adequately resourced.
6. Demonstrates quality and continuous improvement.
7. Communicates effectively.
8. Provides risk-based assurance.
9. Is insightful, proactive, and future-focused.
10. Promotes organisational improvement.

Code of Ethics

Public sector requirement

Internal auditors in UK public sector organisations (as set out in the Applicability section) must conform to the Code of Ethics as set out below. If individual internal auditors have membership of another professional body then he or she must also comply with the relevant requirements of that organisation

The purpose of the Institute's Code of ethics is to promote an ethical culture in the profession of internal auditing. A code of ethics is necessary and appropriate for the profession of internal auditing, founded as it is on the trust placed in its objective assurance about risk management, control and governance.

The Institute's code of ethics extends beyond the definition of internal auditing to include two essential components:

Components

1. Principles that are relevant to the profession and practice of internal auditing
2. Rules of Conduct that describe behaviour norms expected of internal auditors. These rules are an aid to interpreting the Principles into practical applications and are intended to guide the ethical conduct of internal auditors

The Code of Ethics provides guidance to internal auditors serving others. 'Internal auditors' refers to Institute members and those who provide internal auditing services within the definition of internal auditing.

Applicability and Enforcement

This Code of Ethics applies to both individuals and entities that provide internal auditing services. For Institute members, breaches of the Code of Ethics will be evaluated and administered according to The Institute's Disciplinary Procedures. The fact that a particular conduct is not mentioned in the Rules of Conduct does not prevent it from being unacceptable or discreditable and therefore, the member liable for disciplinary action.

Public sector interpretation

The 'Institute' here refers to the IIA. Disciplinary procedures of other professional bodies and employing organisations may apply to breaches of this Code of Ethics

1. Integrity

Principle

The integrity of internal auditors establishes trust and thus provides the basis for reliance on their judgement

Rules of Conduct

Internal auditors:

- 1.1 Shall perform their work with honesty, diligence and responsibility
- 1.2 Shall observe the law and make disclosures expected by the law and the profession
- 1.3 Shall not knowingly be a party to any illegal activity, or engage in acts that are discreditable to the profession of internal auditing or to the organisation
- 1.4 Shall respect and contribute to the legitimate and ethical objectives of the organisation.

2. Objectivity

Principle

Internal auditors exhibit the highest level of professional objectivity in gathering, evaluating and communicating information about the activity or process being examined

Internal auditors make a balanced assessment of all the relevant circumstances and are not unduly influenced by their own interests or by others in forming judgements.

Rules of Conduct

Internal auditors:

- 2.1 Shall not participate in any activity or relationship that may impair or be presumed to impair their unbiased assessment. This participation includes those activities or relationships that may be in conflict with the interests of the organisation.
- 2.2 Shall not accept anything that may impair or be presumed to impair their professional judgement.
- 2.3 Shall disclose all material facts known to them that, if not disclosed, may distort the reporting of activities under review

3. Confidentiality

Principle

Internal auditors respect the value and ownership of information they receive and do not disclose information without appropriate authority unless there is a legal or professional obligation to do so

Rules of Conduct

Internal auditors:

- 3.1 Shall be prudent in the use and protection of information acquired in the course of their duties
- 3.2 Shall not use information for any personal gain or in any manner that would be contrary to the law or detrimental to the legitimate and ethical objectives of the organisation.

4. Competency

Principle

Internal auditors apply the knowledge, skills and experience needed in the performance of internal auditing services.

Rules of Conduct

Internal auditors:

- 4.1 Shall engage only in those services for which they have the necessary knowledge, skills and experience.
- 4.2 Shall perform internal auditing services in accordance with the International Standards for the Professional Practice of Internal Auditing
- 4.3 Shall continually improve their proficiency and effectiveness and quality of their services

Public sector requirement

Internal auditors who work in the public sector must also have regard to the Committee on Standards of Public Life's *Seven Principles of Public Life*, further information on which can be found at www.public-standards.gov.uk

The 7 Principles of Public Life (10 Principles in Wales)

1. Selflessness

Holders of public office should act solely in terms of the public interest. They must never use their position to improperly confer an advantage on, or to avoid a disadvantage for, themselves or to improperly confer an advantage or disadvantage on others.

2. Integrity and propriety

Holders of public office must avoid placing themselves under any obligation to people or organisations that might try inappropriately to influence them in their work. They should not act or take decisions in order to gain financial or other material benefits for themselves, their family, or their friends. They must declare and resolve any interests and relationships.

Holders of public office must not put themselves in a position where their integrity is called into question by any financial or other obligation to individuals or organisations that might seek to influence them in the performance of their duties. Members must on all occasions avoid the appearance of such behaviour.

3. Objectivity

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

4. Accountability

Holders of public office are accountable to the public for their decisions and actions and must submit themselves to the scrutiny necessary to ensure this.

5. Openness

Holders of public office should act and take decisions in an open and transparent manner. Information should not be withheld from the public unless there are clear and lawful reasons for so doing.

6. Honesty

Holders of public office should be truthful. They must declare any private interests relevant to their public duties and take steps to resolve any conflict in a way that protects the public interest.

7. Leadership

Holders of public office should exhibit these principles in their own behaviour. They should actively promote and robustly support the principles and be willing to challenge poor behaviour wherever it occurs.

In Wales the seven 'Nolan Principles' are supplemented with three additional principles, which are:

8. Duty to uphold the Law

Holders of public office must act to uphold the law and act on all occasions in accordance with the trust that the public has placed in them.

9. Stewardship

In discharging their duties and responsibilities holders of public office must ensure that their Authority's resources are used both lawfully and prudently.

10. Equality and respect

Holders of public office must carry out their duties and responsibilities with due regard to the need to promote equality of opportunity for all people, regardless of their gender, race, disability, sexual orientation, age or religion, and show respect and consideration for others
