The report seeks to provide an opportunity for Cabinet to discuss and approve the draft Guildhall Illumination Policy.

The draft policy has been developed in response to a general increase in the number of requests to illuminate the external façade of Swansea's Guildhall to promote awareness of a charity, highlight a socially important topic or mark an event / anniversary of significance.

The draft policy aims to ensure that an effective procedure will be put in place for managing requests to light up the Guildhall and to ensure that they are considered in a consistent and transparent manner. This policy relates specifically to the LED illumination of the external façade of The Guildhall. For the purpose of this policy, The Guildhall is seen as the main vehicle for this type of communication.

The policy aims:

- To outline a transparent procedure for managing requests to illuminate the external façade of The Guildhall, or to accommodate any other applicable requests for charitable promotion or support of socially important topics.
- To outline the specific criteria that must be met for such requests to be considered.
- To put in place measures that will enable effective management of an illumination programme.
- To put in place a clear timeframe to enable the relevant approvals to be sought in line with this policy.

Q3 What involvement has taken place/will you undertake e.g. engagement/consultation/co-productive approaches? Please provide details below – either of your activities or your reasons for not undertaking involvement

This report provides the opportunity for Cabinet input regarding development of an Illumination policy to address socially important topics, national days of celebration and other public events that Swansea Council will publicly support. Officers have been contacted regarding existing process and to help inform areas of the policy that need development. Although the process remains much the same, the policy aims to formalise current principles.

The Corporate Management Team have received a copy of the draft policy for comment, as has the Head of Communications and Marketing. Wider consultation has also taken place through the Strategic Equalities & Future Generations Board.

There is (potentially) a wider piece of work to be done by the sub-group around a possible Diversity & Inclusion Calendar. This will be a separate piece of work and will need further consultation through various channels.
