

REPORT OF THE DIVISIONAL OFFICER
LICENSING, FOOD & SAFETY
TO THE SPECIAL GENERAL LICENSING COMMITTEE
20TH JUNE 2014

REQUEST FOR AUTHORISATION TO GRANT VEHICLE APPLICATIONS
OUTSIDE OF CURRENT AGE CRITERIA

1.0 Background

- 1.1 As Members will be aware, increasing numbers of applications are being reported to the General Licensing Committee for decision as they do not comply with the Council's current licensing criteria relating to the type and age of vehicles.

2.0 Current Position

- 2.1 Existing vehicle licence criteria dictate the standards of vehicle required by the local authority before consideration of a licence. Such documents ensure that a proprietor has clear guidance prior to making an informed choice of the type of vehicle to purchase. It is important however, that local authorities do not strictly apply these criteria and that all applications for a licence are dealt with on their individual merit.
- 2.2 Currently, hackney carriage vehicles must be brand new before a licence is granted or replaced.
- 2.3 Current criteria for licensing private hire and restricted private hire vehicles state that vehicles will not be accepted for licensing on the first occasion more than two years after the first date of registration. Those vehicles purchased from new will be re-licensed on merit but if a vehicle when first licensed is of any age up to two years old from date of first registration it will be re-licensed on merit until it is six years old.
- 2.4 During the period June 2013 to May 2014, 27 vehicle applications were presented for consideration by the General Licensing Committee due to the type and age of the vehicle not complying with current conditions.
- 2.5 All of the 27 vehicles were granted a licence on their individual merit following inspection by Members of the Committee.

3.0 Proposal

- 3.1 An increasing number of applications to licence and to replace existing vehicles that do not comply with the Council's current age criteria are being received by the Licensing Section with many more expected over the next few weeks. In view of this and as all applications to licence an older vehicle reported to Licensing Committee in the previous 12 months have been granted, it is proposed that officers of

the Licensing Section be authorised to grant such applications. This authorisation only to apply in circumstances where the application complies with all licensing criteria with the exception of the age of the vehicle. The vehicle must also pass the Council's inspection.

- 3.2 Vehicle applications received that do not comply with other current licensing criteria will be reported to the General Licensing Committee for inspection and consideration.

4.0 RECOMMENDATIONS

- 4.1 It is recommended that Members authorise officers of the Licensing Section to grant vehicle licences in respect of vehicle applications that do not comply with the current age criteria for licensing vehicles, subject to the vehicle passing the Council's inspection and meeting all other application criteria.

The Licensing Committee's instructions are requested.
