1. Introduction

- 1.1 The Wellbeing Scrutiny Performance Panel is one of four Performance Panels that have been established by the committee. Whilst the work of Inquiry Panels leads to the production of a final report with conclusions and recommendations for cabinet based on evidence gathered on a specific issue, the work of Performance Panels represent regular monitoring of particular services.
- 1.2 Performance panels are expected to have on-going correspondence with relevant cabinet members in order to share views and recommendations, arising from monitoring activities, about services. This correspondence is published within committee agendas to ensure awareness of Panel activities and enable the committee to comment on the matters raised and cabinet member responses, as well as to ensure visibility across the council and public.

- 1.3 The committee is responsible for managing the overall work of scrutiny and its effectiveness. Performance Panels Conveners will therefore attend the committee throughout the year to provide a progress report to enable a more detailed discussion on the work of each Panel, achievements, effectiveness and impact. The committee may also need to consider any issues arising from Panel activities which may have an impact on the overall scrutiny work programme.
- 1.4 This report focuses on the Wellbeing Scrutiny Performance Panel. Councillor Paxton Hood-Williams, convener of the Panel, will be present to provide a progress report. To focus the discussion, a short written report is attached as **Appendix 1**.
