| Procurement of a<br>Waste Partner<br>Contract Award | The negotiations with the<br>incumbent gas contractor<br>have progressed and a<br>decision is required<br>regarding the proposed<br>short-term capital<br>purchase of the<br>generating station to<br>increase long-term<br>revenue income. Not<br>withstanding the decision<br>relating to landfill gas<br>revenue, the primary<br>reason for the contract is<br>the medium-term<br>handling of the Authority's<br>residual waste and<br>development/closure of<br>Tir John.
