Community Covenant

At the event today you have heard how important it is to recognise and remember the sacrifices made by members of our Armed Forces Community, particularly those who have given the most. This includes in-Service and ex-Service personnel whether Regular or Reserve, their partners, families and widows or widowers

The City & County of Swansea Community Covenant is a voluntary statement of mutual support between the civilian community and its local Armed Forces Community, building upon the existing good work and partnership that exists whilst offering support, help and advice to members of the Armed Forces Community. It is hoped that such practical and emotional community support, will encourage the integration of service life into civilian life and encourage the armed forces community to help and get involved in their local community.

Those organisations that have already signed the Community covenant include
!!
!!!!!!!!!!!!!!!!!!!! amongst others. They invite all businesses and voluntary
organisations, whatever the size or type of service offered, to join them in pledging
support for this Covenant and the members of the armed forces family in your
community.

Information about your organisation or service, including any particular support you are able to offer, such as specific activities or discounted rates of entry for the Armed Forces Community, will then be included on our Armed Forces Community Covenant Web Site at www.armedforcescommunitycovenant.org where we could also provide a link to your organisation.
