1. Introduction

- 1.1 The production of scrutiny letters has become an established part of the way scrutiny operates in Swansea. Letters from the chair (or conveners) allow scrutiny to communicate directly and quickly with relevant cabinet members.
- 1.2 These letters are used to convey views and conclusions about particular issues discussed and provide the opportunity to raise concerns, ask for further information, and make recommendations. This enables scrutiny to engage with Cabinet Members on a regular and structured basis.
- 1.3 Scrutiny letters, whether they are written by the Programme Committee or conveners of panels / working groups, are published in the committee agenda to ensure awareness and enable the committee to comment on the response to the matters raised, as well as to ensure visibility across the council and public.
- 1.4 As the current municipal year progresses this report will contain a log of scrutiny letters produced to enable the committee to maintain an overview of this activity over the year – see **Appendix 1**. It also provides for discussion a copy of full correspondence of recent letters
