1. Introduction

- 1.1 One of the most important roles that scrutiny carries out is holding the council's cabinet to account. The cabinet is made up of the Leader and 9 additional councillors appointed by the Leader, who are allocated specific responsibilities.
- 1.2 By acting as a 'critical friend' scrutiny has the opportunity to challenge the cabinet and individual cabinet members on their actions and monitor performance in relation to their areas of responsibilities.
- 1.3 Cabinet Member Question Sessions have become a feature of committee meetings over the past 2 years. At least one cabinet member is scheduled to appear at each committee meeting, ensuring all 10 Cabinet Members appear before the committee over the course of a year, in order to ask questions on their work. Questions will focus on their priorities, actions, achievements and impact.

2. Cabinet Member Question Session – 14 September

2.1 The following Cabinet Member will appear before the committee:

- a) Councillor Mark Child – Cabinet Member for Wellbeing & Healthy City

Within this Cabinet portfolio, Councillor Child is responsible for:

- a. Early Intervention & Prevention
- b. Equalities (Access to Services)
- c. Diversity
- d. Public Protection
- e. Culture: Sports & Arts
- f. Parks
- g. Healthy Cities / Greener Cities
- h. Community Safety / Safer Swansea Partnership
- i. Drugs / Alcohol
- j. Anti-Social Behaviour
- k. Well-being
- l. Healthy Night Life / Purple Flag
- m. Healthy City Partnership
- n. Lead elements of Sustainable Swansea

2.2 The Cabinet Member has provided some 'headlines' in relation to his portfolio objectives to help the committee focus on priorities, actions, achievements and impact (see **Appendix 1**).

3. Approach to Questions

3.1 At the Cabinet Member Question Sessions the committee will generally ask cabinet members about:

- priorities / objectives
- specific activities and achievements, progress against policy commitments, key decisions taken, and impact / difference made
- headlines on the performance of services and the key targets monitored to measure improvement and success
- their engagement with service users / public and what influence this has had
- what they hope to achieve over the next 12 months and challenges (e.g. resources / budget)
- key decisions they are expecting to take to Cabinet over the next year
- interactions with scrutiny over the last year, and whether there is any specific scrutiny activity they would welcome

3.2 Cabinet Members will be invited to make introductory remarks before taking questions from the committee. Following the session the chair will write to the Cabinet Member in order to capture the main issues discussed, views expressed by the committee, and any actions for the Cabinet Member to consider.

3.3 If the committee wishes to conduct more detailed scrutiny of any of the issues raised during this item then this should be agreed through the normal work planning process and planned for a future meeting. This will also allow proper time for preparation.

4. Previous Correspondence with Councillor Child

4.1 The committee last met with Councillor Child in January 2015.

Amongst the issues discussed with him over the last year included:

- Local Area Co-ordinators
- Parks
- Community Safety
- Giving Every Child the Best Start in Life

The letter to / from Cllr Child from this meeting is **attached**. The committee may wish to follow up on these issues, as necessary.

5. Other Questions

5.1 For each Cabinet Member Q & A Sessions the committee invites members of the public and other scrutiny councillors (not on the committee) to suggest questions. The following have been received:

- Why was it decided to close Info-Nation on Saturdays when this means that young people from across Swansea no longer have access to free sexual health advice on the most popular day for this? Have you considered the long term effect on the sexual and emotional health of the young people who access this service? (from Cllr Fiona Gordon)
