

**REPORT OF THE DIVISIONAL OFFICER**  
**LICENSING, FOOD & SAFETY**  
**TO THE GENERAL LICENSING COMMITTEE**  
**9<sup>th</sup> OCTOBER 2015**

**LOCAL GOVERNMENT (MISCELLANEOUS PROVISIONS) ACT 1976**  
**APPLICATION TO LICENCE A RESTRICTED PRIVATE HIRE VEHICLE,**  
**FORD GALAXY, REGISTRATION MARK AA02 MOL**  
**MR PETER EGLITIS**

**1. INTRODUCTION**

- 1.1 An application for a restricted private hire vehicle licence has been received from Mr Peter Eglitis. The vehicle does not comply with the current licensing criteria set by City & County of Swansea due to its age. Mr Eglitis wishes to use the restricted private hire vehicle, if licensed, for the purposes of school transport, airport travel and or executive hire only.
- 1.2 At the General Licensing Committee of 17<sup>th</sup> December 2014, Members agreed that any vehicle that does not comply with the current licensing criteria and/or is over 5 years continue to be considered by Committee. However, in future Members of the General Licensing Committee would not inspect the vehicle. The vehicle would be inspected by Licensing Officers prior to the Licensing Committee and Members would consider a written report.

**2. RELEVANT CONSIDERATIONS**

**The Vehicle**

- 2.1 Mr Eglitis wishes to apply for a restricted private hire vehicle licence for a black Ford Galaxy. The vehicle was first registered on 16<sup>th</sup> September 2003 and is therefore 12 years and 1 month old. The registration of the vehicle is AA02 MOL and is capable of carrying 6 passengers.

**The Purpose**

- 2.2 It is proposed that the vehicle will be used for School Transport, Airport Travel and or Executive Hire Only.

**Inspections and Documents**

- 2.3 The vehicle passed the Council's inspection at CTU on 15<sup>th</sup> September 2015 and the mileage recorded at this time was 218, 516 miles.
- 2.4 Mr Eglitis has supplied dates of service checks carried out together with the recorded mileage on these dates from December 2003 to November 2008 and Service History up to 213, 219 miles. He has also provided an up to date vehicle history check.

2.5 MOT history check for vehicle registration AA02 MOL:

<b>Date of MOT</b>	<b>RECORDED MILEAGE</b>
20/02/2006	81,409
10/02/2007	114,848
21/02/2008	142,963
16/02/2009	159,514
26/02/2010	167,853
22/02/2011	177,597
21/03/2012	183,927
01/05/2013	206,374
05/11/2014	216,322

2.6 On the 18<sup>th</sup> September 2015 a Licensing Officer also inspected the vehicle where the following issues were raised :

- \* vehicle interior including headlining required a full valet ;
- \* Spare wheel not secured in the rear boot of the vehicle;
- \* Vehicle bonnet required works due to visible stone chips down to the metal.

2.7 In addition to the above information this vehicle was registered as a spare car with the City & County of Swansea from October 2003 to March 2006 during which time it received an annual inspection. Mr Eglitis has also confirmed that this vehicle was licensed as a hackney carriage with Carmarthenshire Council between July 2007 and September 2013.

2.8 Members are therefore asked to determine the suitability of the black Ford Galaxy vehicle registration mark AA02 MOL for licensing as a restricted private hire vehicle in Swansea.

2.9 Due to the issues raised by the Licensing Officer on 18<sup>th</sup> September 2015 and in order to assist Members in reaching their decision the vehicle will be available for inspection at the Guildhall on Friday, 9<sup>th</sup> October 2015.

3. **CURRENT LICENSING CRITERIA**

3.1 The Council's current age criteria states:

*"5. Vehicles will not be accepted for licensing on the first occasion after 5 years from the date of first registration. Vehicles will be relicensed on merit."*

3.2 Members are therefore being asked to consider whether the Ford Galaxy, Registration Number, AA02 MOL is suitable for licensing as a restricted private hire vehicle.

4. **RESTRICTED PRIVATE HIRE VEHICLES**

4.1 In 2008 the creation of the 'restricted private hire licence' came about as a result of a change in legislation that removed the 'contract exemption' contained in section 75 of the Local Government (Miscellaneous Provisions) Act 1976.

4.2 The contract exemption previously permitted the use of a vehicle, under a contract for hire of more than seven days, to operate legally without the need for the operator or the driver of the vehicle to be licensed.

4.3 The restricted vehicle licence has since been issued for a number of vehicles for the purposes of school contract, airport travel and executive hire. Restricted vehicle licences were introduced in response to the change in legislation to allow those vehicles that were affected by the removal of the contract exemption, to carry on their existing business and not be adversely affected. These vehicles did not comply with this Council's policy for private hire vehicles in design or age and therefore could not be licensed as such.

4.4 The conditions attached to restricted vehicle licences issued ensured existing businesses could be licensed and continue with their normal operations without affecting their livelihood or creating undue expense. In particular restrictions were not applied in relation to the age or colour of the vehicles to be licensed.

5. **THE DEPARTMENT FOR TRANSPORT TAXI AND PRIVATE HIRE  
VEHICLE LICENSING: BEST PRACTICE GUIDANCE: MARCH  
2010**

- 5.1 The Department of Transport published its Best Practice Guidance in March 2010. This states:

*“It is perfectly possible for an older vehicle to be in good condition. So the setting of an age limit beyond which a local authority will not license vehicles may be arbitrary and inappropriate. But a greater frequency of testing may be appropriate for older vehicles - for example, twice-yearly tests for vehicles more than five years old.”*

6. **LEGISLATION RELATING TO THE LICENSING OF PRIVATE HIRE  
VEHICLES**

- 6.1 The powers relating to the licensing of private hire vehicles are contained in Section 48 of the Local Government (Miscellaneous Provisions) Act 1976 which states:

**“Licensing of private hire vehicles”**

48 (1) Subject to the provisions of this part of this Act, a district council may on the receipt of an application from the proprietor of any vehicle for the grant in respect of such vehicle of a licence to use the vehicles as a private hire vehicle, grant in respect thereof a vehicle licence:

Provided that a district council shall not grant such a licence unless they are satisfied –

- (a) that the vehicle is –
  - (i) suitable in type, size and design for use as a private hire vehicle;
  - (ii) not of such design and appearance as to lead any person to believe that the vehicle is a hackney carriage;
  - (iii) in a suitable mechanical condition;
  - (iv) safe; and
  - (v) comfortable

that there is in force in relation to the use of the vehicle a policy of insurance or such security as complies with the requirements of Part VI of the Road Traffic Act 1988, and shall not refuse such a licence for the purpose of limiting the number of vehicles in respect of which such licences are granted by the council.

- (2) A district council may attach to the grant of a licence under this section such conditions as they may consider reasonably necessary including, without prejudice to the generality of the foregoing provisions of this sub-section, conditions requiring or prohibiting the display of signs on or from the vehicle to which the licence relates’.
- (3) In every vehicle licence granted under this section there shall be specified—
- (a) the name and address of—
- (i) the applicant; and
- (ii) every other person who is a proprietor of the private hire vehicle in respect of which the licence is granted, or who is concerned, either solely or in partnership with any other person, in the keeping, employing or letting on hire of the private hire vehicle;
- (b) the number of the licence which shall correspond with the number to be painted or marked on the plate or disc to be exhibited on the private hire vehicle in accordance with subsection (6) of this section;
- (c) the conditions attached to the grant of the licence; and
- (d) Such other particulars as the district council consider reasonably necessary.
- (4) Every licence granted under this section shall -
- (a) be signed by an authorised officer of the council which granted it;
- (b) relate to not more than one private hire vehicle; and
- (c) remain in force for such period not being longer than one year as the district council may specify in the licence.
- (5) Where a district council grant under this section a vehicle licence in respect of a private hire vehicle they shall issue a plate or disc identifying that vehicle as a private hire vehicle in respect of which a vehicle licence has been granted.
- (6) (a) Subject to the provisions of this Part of this

Act, no person shall use or permit to be used in a controlled district as a private hire vehicle in respect of which a licence has been granted under this section unless the plate or disc issued in accordance with subsection (5) of this section is exhibited on the vehicle in such manner as the district council shall prescribe by condition attached to the grant of the licence.

(b) If any person without reasonable excuse contravenes the provisions of this subsection he shall be guilty of an offence.

(7) Any person aggrieved by the refusal of a district council to grant a vehicle licence under this section, or by any conditions specified in such a licence, may appeal to a magistrates' court.

6.2 It is evident from section 48 above that the Council are not under a duty to issue a licence once an application has been made, they have discretion. Section 48(1)(a) and (b) also includes specific situations where a council must not grant a licence.

## 7. RECOMMENDATION

7.1 It is recommended that after careful consideration of the detail of this report and hearing from Mr Eglitis, Members determine whether to:

- a. Grant Mr Eglitis a restricted Private Hire Vehicle licence in respect of the Ford Galaxy, registration mark AA02 MOL and that this licence is renewed on merit. OR
- b. Refuse Mr Eglitis a restricted Private Hire Vehicle licence in respect of the Ford Galaxy, registration mark AA02 MOL giving reasons why it is not considered suitable under Section 48 of the Local Government (Miscellaneous Provisions) Act 1976.
