1. Introduction

- 1.1 The Child & Family Services Scrutiny Performance Panel is one of four Performance Panels that have been established by the committee. Whilst the work of Inquiry Panels leads to the production of a final report with conclusions and recommendations for cabinet based on evidence gathered on a specific issue, the work of Performance Panels represent regular monitoring of particular services.
- 1.2 Performance Panels are expected to have on-going correspondence with relevant cabinet members in order to share views and recommendations, arising from monitoring activities, about services.
- 1.3 The committee is responsible for managing the overall work of scrutiny and its effectiveness. Performance Panels Conveners will therefore attend the committee throughout the year to provide a progress report to enable a more detailed discussion on the work of each Panel, achievements, effectiveness and impact. The committee may also need to consider any issues arising from Panel activities which may

have an impact on the overall scrutiny work programme. These regular reports ensure awareness amongst the committee as well as visibility across the council and public.
