1. Introduction

- 1.1 The Scrutiny Programme Committee is responsible for developing the Council's scrutiny work programme, and managing the overall work of scrutiny to ensure that it is as effective as possible.
- 1.2 A report is provided to each meeting to enable the committee to maintain an overview of agreed scrutiny activities, monitor progress, and coordinate work as necessary.
- 1.3 The broad aim of the scrutiny function is to:
 - help improve services
 - provide an effective challenge to the executive
 - engage members in the development of policies, strategies and plans
 - engage the public
- 1.4 The Scrutiny Work Programme is guided by the overriding principle that the work of scrutiny should be strategic and significant, focussed on issues of concern, and represent a good use of scrutiny time and resources.

It also needs to be:

- manageable, realistic and achievable given resources available
- relevant to council priorities

- adding value and having maximum impact
 - coordinated and avoid duplication
- 1.5 The work of scrutiny is undertaken primarily in three ways – through the committee itself, by establishing informal panels or via one-off working groups. Panels and Working Groups would be open to all non-executive councillors - the Committee will agree membership and conveners following expressions of interest.
- 1.6 Scrutiny will regularly send letters to Cabinet Members communicating findings, views and recommendations for improvement and, where appropriate, by producing reports. Inquiry panels will produce a final report at the end of the inquiry with conclusions and recommendations for Cabinet (and other decision-makers), informed by the evidence gathered. Inquiry panels will reconvene to follow up on the implementation of agreed recommendations and the impact of their work – usually 6-12 months following cabinet decision.
- 1.7 Although much of the work of scrutiny is carried out by informal panels and working groups these meetings are accessible to the public. Agendas, reports and letters relating to all scrutiny activities are published on-line: <http://swansea.gov.uk/scrutinypublications>.

2. Scrutiny Work Programme 2016/17

2.1 Scrutiny Programme Committee:

- 2.1.1 The committee's work plan for the year ahead is attached as **Appendix 1**. This includes a schedule of future Cabinet Member Question & Answer Sessions. This should be kept under review to ensure it represents a robust and effective plan.
- 2.1.2 Committee members should review and confirm items for the next and future meetings giving specific consideration to who should attend so that meetings are always well planned and prepared for, e.g. information required and key questions that the committee wishes to ask. The committee will have the opportunity to review priorities and introduce issues of concern as and when they arise, e.g. pre-decision scrutiny which may require extra meetings.
- 2.1.3 Pre-decision scrutiny – this is carried out by the committee unless delegated elsewhere. The committee is invited to consider the available information on future cabinet business (see Forward Look attached as **Appendix 2**) and any opportunities for pre-decision scrutiny, taking into account strategic impact, public interest, and financial implications. Any requests will require discussion with relevant Cabinet Member(s) to confirm timescales and window of opportunity for scrutiny involvement. Pre-decision scrutiny enables scrutiny to develop understanding about and ask questions on proposed Cabinet reports to provide 'critical friend' challenge and influence decision-making.

The Swansea Scrutiny Team is providing support for this group as the Council's contribution to ERW. Swansea is represented by the chair of the Scrutiny Programme Committee and convener of the Schools Performance Panel. The next meeting taking place on 27 September 2016 will be hosted by Pembrokeshire Council.
