22 September 2016**

1.	<p><b>Tony Beddow</b> What is the current value of the Liberty Stadium, Swansea.</p> <p><b>Response of the Leader</b> The carrying value as at 31 March 2016 in the Council's accounts is £370,250 which reflects a valuation based on the current lease arrangement and rental expectations.</p> <p>Any actual commercial valuation for sale would clearly be in excess of that and would relate to a number of issues such as the potential buyer, existence of existing leases/covenants and the purpose envisaged by the prospective purchasers.</p>
2.	<p><b>Councillor J W Jones</b> Referred to Appendix 1 on Page 79 of the report and asked what the original figure of the Authorised Limit for External Debt was prior to it being revised to "606,216,000".</p> <p><b>Response of the Section 151 Officer</b> The original estimate for the Authorised limit 2015/16 presented to Council in Feb 2015 was £601,314,000 which was subsequently revised at Council in February 2016 to £606,216,000.</p>
