Dear Chris,

Mayhill Integrated Primary Care and Family Centre

I write further to the proposal submitted by the City and County of Swansea ("the Council") on 15th August 2016 detailing a request to increase the amount of funding from the Welsh Ministers for the delivery of the Primary Care and Family Centre in Mayhill.

The award of funding of £400,000 provided by the Welsh Ministers for the Mayhill Primary Care and Family Centre was contained within a funding award letter dated 27th June 2012.

Having considered the Council's request, I can confirm the Welsh Ministers are agreeable to increasing the award from £400,000 to £567,000. Please be aware however, this is the last occasion on which Welsh Government Officials will seek approval from Welsh Ministers to consider extending this award of funding.

All other terms and conditions provided in the funding award letter dated 27th June 2012 will remain in full force, subject to this agreed variation.

Yours sincerely

A handwritten signature in blue ink that reads "K. Palmer".

Signed by Kath Palmer

Deputy Director, Homes and Places

Under authority of the Cabinet Secretary for Communities and Children

One of the Welsh Ministers.
