Explainer of what each tab contains.

These quarterly reports are laid out per HLF programme, one per tab.
Programme A = Green 'GNH & GBH' tab
Programme B = Blue 'CP' tab
Programme C = Purple 'AL' tab
Programme D = Red 'HT' tab

In each spreadsheet there are hidden columns for reports from previous quarters; if you w

Greyed out rows indicate that a project has been delivered and is closed.
The lighter grey column is next quarter's report underway, but not complete.
to view these, highlight columns A and F together, right click, and select 'Unhide'.
The final orange tab entitled 'HLF Outputs' contains tables summarising progress against HLF outputs and targets.
A RAG (red, amber, green) coding system has been applied, where:
Red = underachieving, less than 50% of target
Amber = more than 50% of target achieved
Green = target achieved or exceeded
