1. Introduction

- 1.1 The Regulation of Investigatory Powers Act (RIPA) 2000 allows local authorities to conduct covert surveillance activity in circumstances where it is for the purpose of preventing or detecting crime or of preventing disorder. It also allows local authorities to acquire communication data from Communication Providers.
- 1.2 The process must be in accordance with the Home Office's Code of Practice for Covert Surveillance and Code of Practice on Acquisition of Communication data and this report has been prepared in line with best practice.
- 1.3 This report will provide an overview to the Cabinet of the Authority's practices and activity regulated by RIPA.

2.3 Directed Surveillance

- 2.3.1 Directed surveillance is covert surveillance which is carried out in relation to a specific investigation which is likely to result in the obtaining of private information about a person. Since 1 November 2012, pursuant to the Protection of Freedoms Act 2012 and amendments made to RIPA legislation, such techniques may only be used where the offence under investigation either:
 - (a) attracts a maximum penalty of at least 6 months imprisonment; or
 - (b) is contrary to either Section 146 or 147 or 147A Licensing Act 2003; or
 - (c) is contrary to Section 7 Children and Young Person Act 1993.

No authorisations were granted during 2016-17 as shown in Table 2 below. This reflects officer's commitment to explore the least intrusive method of gaining information to carry out the Local Authority's responsibilities.

2.4 Acquisition and Disclosure of Communications Data

2.4.1 Since 8 February 2012, the City & County of Swansea (CCS) has subscribed to the National Anti-Fraud Network (NAFN)'s Single Point of Contact Services to acquire this information. Annual Returns are provided to the Interception of Communications Commissioner's Office on a calendar year basis.

2.5 Covert Human Intelligence Source (CHIS)

2.5.1 No CHIS activity took place during this year.

- 2.6.2 CCS operates an extensive Closed Circuit Television (CCTV) system to provide a safer environment for the community. The system is managed and developed in partnership with the South Wales Police. The use of CCTV is not covered by the same regulations as the surveillance reported on above as it is an overt not covert method of observation. A separate code of practice and annual report apply to the CCTV system and are public documents.
- 2.6.3 If requested the system can also be used for directed surveillance by the police for law enforcement purposes or for a specific exercise. If this does occur, the use changes from overt to covert surveillance and will be regulated by RIPA. The Police have responsibility to comply with the legislation in these cases. As a matter of transparency and good practice we will include in this report the use of our equipment for this purpose. Any specific use for local authority purposes would be reported under service usage.
- 2.6.4 During 2016-17, no directed surveillance requests were made by the police to utilise the authority's CCTV equipment which were conducted under Police RIPA authorisations.

3. Progress & Development

- 3.1 Since 1st November 2012, all local authority surveillance and access to communication data authorised under the Regulation of Investigatory Powers Act 2000 (RIPA) have required the approval of a Magistrate.
- 3.4 The list of Authorised Officers reflects those services most likely to conduct criminal investigations which satisfy the serious crime test set out in the legislation above. This would include Trading Standards and Housing Benefit officers.
- 3.5 It should be noted that from 1 June 2015 Housing Benefit fraud investigations have been conducted solely by the Department for Works and Pensions.

4. Freedom of Information (FOI)

- 4.1 Media coverage of incidents in other parts of the country brought to the public attention local authorities ability to use surveillance under RIPA. This was reflected in the receipt of related media enquiries.
- 4.2 There have been 2 FOI requests related to RIPA activities during the year. In both cases the requester was provided with details of past annual reports which provided the information requested.

5. Equality and Engagement Implications

5.1 There are no equality and engagement implications

6. Financial Implications

6.1 All costs incurred in dealing with RIPA have to be covered within existing budgets.
