1. Introduction

1.1 It has been agreed that all commissioning review final reports to Cabinet should undergo pre-decision scrutiny. The Scrutiny Programme Committee will carry out pre-decision scrutiny or delegate reports to be considered to relevant Scrutiny Panels.

1.2 The Cabinet Member for Health & Wellbeing and the Cabinet

Member for Children, Education and Lifelong Learning are presenting a joint report on 'Family Support Services Commissioning Review – Focusing on Children with Additional Needs and Disabilities' to Cabinet on 16 November 2017. This Cabinet report is **appended**.

2. Role of the Panel

2.1 The purpose of pre-decision scrutiny:

- It entitles scrutiny to discuss proposed Cabinet reports, where a clear recommendation(s) exists, before decisions are taken by the Executive.
- Acting as a 'critical friend', it enables scrutiny to ask questions about a report to develop understanding and inform and influence decision-making, for example asking about:
 - the rationale for the report
 - robustness of the proposed decision and decision-making process
 - potential impact and implications (including policy/budget issues) and risks
 - how different options have been considered
 - the extent of consultation undertaken etc.
- It enables scrutiny to report its views and any issues to Cabinet. The convener, on behalf of the Panel, can attend the Cabinet meeting to share the views of scrutiny on the report prior to Cabinet decision. This may include giving support, providing other suggestions on the way forward, or flagging up any concerns.
- The views of scrutiny are required to be formally considered by Cabinet before it makes the decision and feedback should be given including explanation for any rejection of views expressed.

2.2 Councillor Mark Child, Cabinet Member for Health and Wellbeing will attend the meeting to respond to questions and issues raised. Also invited is Councillor Jennifer Raynor, Cabinet Member for Children, Education and Lifelong Learning. Relevant officer(s) involved in the development of the report will also be present to assist the Panel and provide appropriate advice.

2.3 The Panel (through the convener) will write to the relevant Cabinet Members with its views following pre-decision scrutiny. The convener will have the opportunity to attend the cabinet meeting on 16 November to verbally feedback the Panel's views, conclusions and recommendations about the report.

3. Cabinet Response

3.1 Cabinet must formally consider scrutiny views at its meeting. It may decide that any issues raised by scrutiny can be dealt with at the meeting and decision taken. It may decide that more time is needed to consider the views of scrutiny and defer decision to the next (or a special) meeting of Cabinet.

3.2 The relevant Cabinet Members are expected to write back to the Panel with feedback from Cabinet, and should include explanation of any rejection of scrutiny views.

4. Legal Implications

4.1 In accordance with the Council's Constitution "pre-decision scrutiny gives scrutiny the opportunity to influence Cabinet decision making as a critical friend". "The views of the scrutiny panel are formally presented (either in a written report or verbally by the scrutiny convener) to the Cabinet meeting for the Cabinet to consider and inform its decision making".

5. Financial Implications

5.1 There are no specific financial implications raised by this report. Financial implications of the actual cabinet report(s) are contained within that report which is appended.
