

Work Plan 2017/18

- The Development and Regeneration Performance Panel work plan has been developed from topic suggestions based on discussion at the Scrutiny Work Planning Conference. It provides a basic framework that allows for items to be added or removed allowing for flexibility throughout the year for any key issues that may arise.
- All meetings will be at 10.00am with a preparation meeting at 9.30am **if required** and will be held in the Guildhall unless otherwise stated.
- The role of this report is to provide an outline of planned work. It can be altered to accommodate for issues which arise throughout the year.
