# Q4 WHAT ENGAGEMENT / CONSULTATION / CO-PRODUCTIVE APPROACHES WILL YOU UNDERTAKE?

Please provide details below – either of your planned activities or your reasons for not undertaking engagement

This project has been several years in the planning. Through this process there have been several engagements with the Oracle Superuser group (who represent the business process owners) to discuss the impacts of the project.

Furthermore, key business users were heavily involved in a four-week due diligence process through a series of 39 workshops to assess the readiness of the organisation for change, and to map the gaps between our existing processes and the cloud platform.
