Q6 Will this initiative have an impact (however minor) on any other Council service?

Yes No **If yes, please provide details below**

This investment is having a big economic impact locally and makes a significant contribution to the Corporate priorities. The Housing service works in partnership and supports other services such as parks, highways etc to invest in estates across Swansea.

Q7 HOW DID YOU SCORE? Please tick the relevant box

MOSTLY H and/or M → **HIGH PRIORITY** → **EIA to be completed**
Please go to Section 2

MOSTLY L → **LOW PRIORITY / NOT RELEVANT** → **Do not complete EIA**
Please go to Q8 followed by Section 2

Q8 If you determine that this initiative is not relevant for an EIA report, you must provide a full explanation here. Please ensure that you cover all of the relevant protected groups.

The project has been in place since early 2001 and is delivering significant benefits to all council tenants/leaseholders and residents on housing estates. Investment is being targeted at all council housing properties and where needed work is being undertaken which meets the specific needs of the household, e.g. bathroom and kitchen improvements are designed/amended to assist those with a disability, etc. Specific equality issues are met at the point of delivery of WHQS improvement programmes.

There are no equality implications as the report to Council considers a recent WAO audit and the current level of WHQS compliance. Project will not impact on service delivery and the interests of children have been taken into account. No Welsh language implications.
