Notice of Motion – Sunday Trading

Notice of Motion from Councillors C A Holley, S M Jones, M H Jones, E W Fitzgerald, P M Black, J W Jones, D G Sullivan, A M Day, L James, C L Philpott, K M Griffiths, L G Thomas, G D Walker, P N May & I E Mann

The Government are currently looking at a further deregulation of Sunday Trading Laws to allow larger stores to open longer on a Sunday. We call on this council to support the retail sector workers in their opposition to this move as it will affect their available free time and impact on their Health and Wellbeing.
