

**Council – 10 September 2020**

## **Notice of Motion – New Curriculum**

**Notice of Motion from Councillors R C Stewart, D H Hopkins, J A Raynor, C A Holley, L R Jones & P N May**

The New Curriculum and 'Communities, contributions and cynefin: BAME experiences and the new working curriculum working group.

This council welcomes the new Curriculum for Wales and is committed to its successful implementation and the improvement in teaching and learning it will bring.

We recognise that embedding the new curriculum requires appropriate resources to ensure that our rich diversity is reflected across all elements of the curriculum and in all our schools.

This council supports the Welsh Government appointment of Professor Charlotte Williams to chair the new curriculum working group, to work with Estyn, reviewing and developing the learning resources to support the teaching of themes relating to BAME communities

The Council resolves to:

1. Request the Leader to write to Professor Williams to pledge this council's support to the working group.
2. Instruct the Education department to work with schools, colleges and the local community to contribute to the research and development of resources with the working group.
3. Utilise the West Glamorgan Archive Service to share its fantastic resource of documents and recordings to support the working group.
