

We, the Signatories to Swansea Council Charter on Climate Action, affirm our commitment on behalf of our company/organisation to work towards becoming net carbon neutral by 2030 and in doing so commit to the following:

WHAT WE AIM TO DO

- Within 1 year of signing, review our organisations current strategies and action plans for addressing climate change and Identify any further policy changes or actions which we could undertake, within the scope of our powers and resources, to meet the challenge of climate emergency.
- Fully align our actions with our wellbeing and biodiversity obligations to ensure our actions and commitments meet the requirements of our future generations and the need to halt and reverse the decline in biodiversity.
- Provide constructive challenge and proposals to Welsh and UK Governments and seek the relevant powers and resources to deliver against our action plan and Commitments
- Facilitate and partner with experts, businesses, investors, environmental advocates and other stakeholders to develop and implement a decarbonisation strategy for the region, including by developing a work programme, tools and resources necessary to achieve the agreed emission reduction targets;
- Maximise the use of renewals, and the reduction of energy use and loss both within our own energy consumption and in relation to utilising our assets for renewable energy generation
- Review our procurement methodologies and criteria to align with our emerging principle of what constitutes “value for money” to ensure appropriate inclusion of climate change and biodiversity is an appropriate part of any award criteria

HOW WE AIM TO DO IT

- Working collaboratively with others through seeking the help of local partners including public, private and voluntary sectors to, produce our own response to share with the community, explaining work already underway and achievements already made, as well as targets for the future.

MONITORING PROGRESS & KEEPING ALL PARTIES INFORMED

- Utilise our formal reporting mechanisms to place in the public domain how we are performing against our committed actions
- Fully engage with children and young people in line with the core principles of the UNCRC
- Quantify, track and publicly report our carbon emissions, consistent with standards and best practices of measurement and transparency

GETTING MESSAGE ACROSS

- Above all communicate a shared vision and understanding through the development of a common strategy and messaging, including by championing climate action within our sectors through an enhanced and trust-building dialogue with relevant stakeholders.
