Climate Emergency Declaration Policy Review and Proposed Action

The programme of **activity** be divided into two work streams:

- i. Swansea Council strives for net zero carbon by 2030 through the development and delivery of robust targets and action plans, pending Welsh Government guidance.
- ii. The Council develops an overarching Climate Change Strategy, striving towards net zero carbon by 2050 for the whole county – citizens, businesses etc.

The mission across the eight priority areas will be long-term in scope and ambition, considering the drivers of change, the opportunities, the risks and resources required to deliver. The journey will take time and will be challenging. The proposal to align Council carbon emission related strategies, policies and governance structures, is believed to be the best approach to ensuring Swansea Council achieves net carbon zero by 2030. Once the method of recording emissions guidance has been released by Welsh Government then the new action plan can be implemented.
