#### 1. Introduction

1.1 In accordance with Council report 18 October 2012, when current scrutiny arrangements were agreed, the Scrutiny Programme Committee is responsible for appointing members and conveners to the various Scrutiny Panels / Working Groups that are established.

#### 2. Proposed Revision to Current Scrutiny Panel / Working Group Membership

2.1 None.

### **3. Performance Panel Conveners**

3.1 In accordance with the Committee's wishes Performance Panels are confirming / appointing conveners at the first meeting of the municipal year, and then reporting to the Committee. The only Panel yet to meet in this municipal year is the Natural Environment Performance Panel. The Panel will confirm its convener for the 2020/21 municipal year at meeting planned for 22 March, and the outcome reported to the Committee.

### **4. Guiding Principles**

4.1 When determining membership / conveners or agreeing any changes there are some key considerations for the Committee:

- It is necessary for more than one political group to be represented on each Panel / Working Group.
- These bodies also need to be of a manageable size in terms of team working and effective questioning.
- To ensure that all political groups have opportunities and are engaged.
- Good scrutiny practice places emphasis on respect for minority party wishes around both chairing of such bodies and the work programme.
- Being fair and balanced in the appointment of conveners, when there is interest from more than one councillor, e.g. giving opportunity to those who have not acted as convener previously.
- The Committee should reflect on the existing 'balance' of conveners to help inform future appointments.
- A minimum of three members should be present at all Panel / Working Group meetings.
