Q7 What is the cumulative impact of this proposal on people and/or communities when considering all the impacts identified within the screening and any other key decisions affecting similar groups/ service users made by the organisation?

(You may need to discuss this with your Service Head or Cabinet Member to consider more widely if this proposal will affect certain groups/ communities more adversely because of other decisions the organisation is making. For example, financial impact/poverty, withdrawal of multiple services and whether this is disadvantaging the same groups, e.g., disabled people, older people, single parents (who are mainly women), etc.)

The Cabinet report provides an overview of the Economic Recovery Action Plan, which outlines current and planned activities that are supporting economic recovery from the covid pandemic in Swansea. In line with the Equality Act 2010 and Public Sector Equality Duty, due regard is being given to the impact on protected groups in delivery of all the actions within the plan.

The South West Workways, Swansea Short Term Unemployed and Kickstart projects have all been subject to their own equalities impact assessments. In addition, the Transforming Towns/ Target Regeneration Investment Programme Property Enhancement Development Grant, Sustainable Living Grants and Green Infrastructure grants (which are providing the funding for actions within the plan) have all been subject to their own equalities impact assessments and grant recipients are required to adhere to equal opportunities policy as a condition of their grant funding when delivering these activities.

For other actions within the plan, the impact on protected groups will be considered as the proposals develop, and all will be screened and full IIAs will be undertaken if appropriate in the future as the action plan progresses.
