

## Progress Report – Current Scrutiny Panels and Working Groups

### 1. Inquiry Panels:

These will undertake in-depth inquiries into specific and significant areas of concern on a task and finish basis, and will be expected to take around six months to complete to enable wide-ranging evidence gathering, and production of a final report with conclusions and recommendations for Cabinet (and other decision-makers).

#### a) **Procurement** (convener: Cllr Chris Holley)

Key Question: What is the Council doing to ensure it procures locally, ethically, and greenly while being cost effective and transparent in its practices?

Progress Bar:

Planning				Evidence Gathering				Draft Final Report			

The Procurement Pre-Inquiry Working Group originally met on 24 October 2019 for an overview / briefing on the subject matter. This helped Councillors to be informed about how scrutiny can contribute to improvement and the focus, scale and direction of any inquiry. The Panel agreed to undertake an inquiry and the Terms of Reference were agreed. The inquiry work was then placed on hold pending recruitment of Scrutiny Officer / available resources.

The Inquiry Panel will now resume and, given the passage of time and impact of the pandemic, will initially meet to review the key question and terms of reference and amend as necessary. A meeting on 24 June is planned.

The inquiry may take up to six months to complete, as it will call for wide ranging evidence, and will lead to a report with conclusions and recommendations that will be presented to Cabinet.

### 2. Follow Up on Completed Inquiries:

Follow-ups of inquiries will consider both the implementation of scrutiny recommendations and wider impact / difference made. Inquiry Panels are reconvened between 6-12 months after cabinet decision on Inquiry reports.
