1. Introduction

1.1 The Scrutiny Programme Committee is designated as the Council's Crime & Disorder Committee under the Police & Justice Act 2006. The Committee must meet at least once a year. The scrutiny of the local Community Safety Partnership forms a significant part of this role.

1.2 The Community Safety Partnership for Swansea is the Safer Swansea Partnership. It works to reduce crime and disorder, fear of crime and anti-social behaviour in Swansea. Community Safety Partnerships are responsible for working with other local agencies and organisations to produce annual strategic assessments, identifying the crime and community safety priorities in the area, and an annual 3-year rolling plan, laying out the approach for addressing those priorities.

1.3 Strategic Priorities

1.3.1 With reference to the current Safer Swansea Community Safety Strategy 2018-2021, the Partnership is focussed on working together to make Swansea a safer, more cohesive and confident place to live, work and to visit.

1.3.2 The agreed strategic priorities for the Safer Swansea Partnership are:

- Violence against women, domestic abuse and sexual violence (VAWDASV)
- Substance Misuse
- Stronger Communities
- Evening and Night Time Economy
- Hate Crime and Community Tension Monitoring

These priorities are complemented by two over-arching themes:

- Reassurance Communication - effective reassurance provided at every available opportunity to help change perceptions of crime, reduce fear of crime, and promote positive outcomes of Safer Swansea.
- Community Engagement - improving the way partners engage with members of the public to build relationships based on trust and respect.

1.4 Although it plays a critical role, community safety is not just about the police. It involves a wide range of people and organisations, contributing to address crime and its causes. Many of the factors that can affect levels of crime, anti-social behaviour and offending are the responsibility of the local authority, such as housing, education, social services, child safeguarding / welfare, planning, and alcohol licensing. The role of scrutiny is to scrutinise the partnership as a whole.

- 1.5 The Safer Swansea Steering Group is the management and leadership group for the Safer Swansea Partnership where all key decisions are made on behalf of the Partnership. It provides leadership on the Safer Swansea strategy and liaison with the Police and Crime Commissioner on funding and strategy, and monitors overall progress against Partnership objectives. There is a joint chairing arrangement for the Steering Group, between South Wales Police and Swansea Council.
- 1.6 The Police, Council, Fire, Health and Probation Service, along with many other organisations and charities, work together to address community safety issues, and make the City a safer place with less crime. It is recognised that making communities safer and stronger cannot be achieved by one agency alone and success at partnership working will lie in significant reductions in crime.
- 1.7 The membership of the Steering Group consists of key representatives from statutory partners and other organisations with an interest and influence in community safety issues.

Statutory Members include:	Other Members include:

2. Questions on Safer Swansea Partnership Performance

- 2.1 The focus of crime and disorder scrutiny is on the examining the work and performance of the Safer Swansea Partnership, and not any single organisation.
- 2.2. Following the presentation of information by Safer Swansea Partnership representatives about the work of the Partnership, the Committee will have the opportunity to ask questions. Broadly speaking the Committee will want to explore what has been done, how well it has been done and what impact that has made, e.g.

- what are the headlines
- key activities and achievements / progress against strategic priorities
- effectiveness of the partnership working
- relevant performance and crime statistics (including trends / comparisons elsewhere)
- evidence of improvement and impact made
- key challenges ahead and plans to tackle these

2.3 The following representatives will attend in support of Partnership activities:

- Chief Superintendent Trudi Meyrick, South Wales Police
- Adam Hill, Deputy Chief Executive, Swansea Council
- Superintendent Mark Brier, South Wales Police
- Paul Thomas, Community Integration & Partnership Manager, Swansea Council

2.4 The Committee will also invite the Cabinet Member(s) with community safety responsibilities to contribute to the session. The Safer Swansea Partnership is relevant to the work of Councillor Alyson Pugh (Cabinet Member for Supporting Communities) and Councillor Andrea Lewis (Cabinet Member for Homes, Energy & Service Transformation, and Joint Chair of Swansea Public Services Board).

2.5 This session follows from the Committee's previous meeting on crime and disorder in April 2019 (see extract of minutes at **Appendix 1**). The annual session planned for April 2020 was cancelled due to the pandemic.

2.6 The following written material has been provided by the Safer Swansea Partnership to support the discussion:

- Safer Swansea Community Safety Strategy 2018-2021 (**see Appendix 2**)
- Presentation Slides (see **Appendix 3**)

2.7 It is up to the Committee to determine future engagement in crime and disorder scrutiny and how best to incorporate the scrutiny of the Safer Swansea Partnership into the overall scrutiny work programme.
