The Revenue budget of the Council was approved following the application of the corporate Equality Impact Assessment (EIA) process throughout the Budget setting process. This process has since been replaced with IIA's. It is essential where service levels are affected by changes to the Revenue budgets (including savings options) that the IIA process (alongside consultation and engagement as appropriate) is applied to ensure due regard is paid to the potential equality impacts of any proposals prior to decision making. There are no implications in relation to this report.
