Welsh in Education Strategic Plan 2022-2032

Section 84 of The School Standards and Organisation (Wales) Act 2013 requires a local authority to prepare a Welsh in Education Strategic Plan (WESP). Swansea Council must submit the first ten year Plan to the Welsh Ministers for approval no later than 31 January 2022.

The WESP must contain the local authority's proposals on how it will carry out its education functions to improve the planning of the provision of education through the medium of Welsh, improve the standards of Welsh-medium education and of the teaching of Welsh, our targets for improving the planning of the provision of Welsh-medium education and for improving the standards of that education and of the teaching of Welsh in.

Swansea's vision for the next ten years is as follows:

1. Providing equal opportunities for all learners to learn Welsh and speak the language confidently and to promote the benefits of bilingualism
2. To increase the percentage of pupils opting for Welsh-medium education and to ensure that it is available and accessible to all learners, within reasonable travelling distance from their homes
3. That learners who have attended a Welsh-medium setting in the primary phase will be encouraged and expected to continue with this when transferring to subsequent key stages in the secondary phase
4. To ensure significant growth in Welsh-medium education, to increase the number of people of all ages who become fluent in Welsh, English and other languages and who can use their languages confidently with their families, friends, neighbours and in the workplace
5. To aspire that, through this plan, Swansea contributes significantly to the national goal of a million Welsh speakers by 2050

Integrated Impact Assessment Screening Form – Appendix B

The Welsh in Education Strategic Plans (Wales) Regulations 2019 requires us to set a ten year target outlining the expected increase in Year 1 children who are taught through the medium of Welsh in the Swansea area during the lifespan of the Plan. This is the overarching ten year target for the 2022 - 2032 WESP.

The Council aspires to significantly increase the number of pupils and families who choose Welsh medium provision in Swansea. On the basis of the target % increases prescribed by Welsh Government, and our forecast of the pupil population over the next 10 years, we will need to:

- Increase the number of Year 1 pupils being taught through the medium of Welsh by between 200 to 400 pupils (based on the current cohort figures). In view of the location and linguistic make-up of our schools currently, we have the following complementary strategies to achieve the target increase in Year 1 children taught through the medium of Welsh:
 - Increase the Welsh-medium pre-school offer as part of a wider marketing strategy to promote the benefits of being bilingual. This could include at least one Cylch Meithrin linked to every Welsh-medium primary school and/or areas within their catchment and looking at opportunities to increase the Flying Start Welsh offer within our current settings
 - Fill the approx. 120 additional Year 1 Welsh-medium places already available in our schools
 - Monitor the increase in demand and map future provision required during the life of the Strategy
 - Establish new Welsh medium school(s)/increase capacity in areas where there is high demand and/or identifying areas where Welsh-medium education is currently less easily accessible. In such cases, it may be necessary to include projects in a future capital programme.
 - Monitor and review the transport offer based on any future changes to the Travel Measure and the requirements of Swansea's Climate Change agenda

To support the planning process, we are required to arrange our Plan around the outcomes below. The outcomes reflect a learner's education journey and are consistent with the policy areas of Cymraeg 2050 and Education in Wales: Our National Mission.

- Outcome 1: More nursery children/three year olds receive their education through the medium of Welsh
- Outcome 2: More reception class children/five year olds receive their education through the medium of Welsh
- Outcome 3: More children continue to improve their Welsh language skills when transferring from one stage of their statutory education to another
- Outcome 4: More learners study for assessed qualifications in Welsh (as a subject) and subjects through the medium of Welsh
- Outcome 5: More opportunities for learners to use Welsh in different contexts in school
- Outcome 6: An increase in the provision of Welsh-medium education for pupils with additional learning needs (ALN) in accordance with the duties imposed by the Additional Learning Needs and Education Tribunal (Wales) Act 2018
- Outcome 7: Increase the number of teaching staff able to teach Welsh (as a subject) and teach through the medium of Welsh

Q3 What involvement has taken place/will you undertake e.g. engagement/consultation/co-productive approaches? Please provide details below – either of your activities or your reasons for not undertaking involvement

In drafting the Swansea WESP we have worked with our representative partnership group; Partneriaeth Addysg Gymraeg Abertawe (PAGA). This group has representation from the local authority, schools, colleges, universities, Welsh Government, Mudiad Ysgolion Meithrin, Menter Iaith Abertawe and Yr Urdd.

Subject to Cabinet approval we will now embark on a full statutory consultation with all interested parties.

Q5 What is the potential risk of the initiative? (*Consider the following impacts – equality, socio-economic, environmental, cultural, legal, financial, political, media, public perception etc...*)

High risk

Medium risk

Low risk

Q6 Will this initiative have an impact (however minor) on any other Council service?

Yes

No

If yes, please provide details below

Q7 What is the cumulative impact of this proposal on people and/or communities when considering all the impacts identified within the screening and any other key decisions affecting similar groups/ service users made by the organisation?

(You may need to discuss this with your Service Head or Cabinet Member to consider more widely if this proposal will affect certain groups/ communities more adversely because of other decisions the organisation is making. For example, financial impact/poverty, withdrawal of multiple services and whether this is disadvantaging the same groups, e.g., disabled people, older people, single parents (who are mainly women), etc.)

The Plan, once approved, will have a positive impact on all pupils and schools in Swansea not only in looking to increase the number of pupils and families who choose Welsh-medium education but also on the language journey of all pupils in all our schools as they become bilingual citizens.

Outcome of Screening

Q8 Please describe the outcome of your screening below:

- Summary of impacts identified and mitigation needed (Q2)
- Summary of involvement (Q3)
- WFG considerations (Q4)
- Any risks identified (Q5)
- Cumulative impact (Q7)

This Plan will have a positive impact on children and young people and on all Swansea citizens as the benefits of being bilingual/multilingual citizens are realised.

All schools will be kept engaged to ensure that the benefits are realised across all our schools. All the recommendations fit within the expectations and considerations of the WFG with no risk in their implementation. The cumulative impact is seen as very positive.

Once the final Plan is approved by Cabinet, and subsequently the Minister, a full IIA will be completed to support our annual action plan to ensure that the impact of all actions are fully assessed and that the WESP has a positive impact on ALL children and young people in Swansea.

(NB: This summary paragraph should be used in the relevant section of corporate report)
