1. Introduction

- 1.1 The production of scrutiny letters has become an established part of the way scrutiny operates in Swansea. Letters from the chair (or conveners) allow scrutiny to communicate directly and quickly with relevant cabinet members.
- 1.2 These letters are used to convey views and conclusions about particular issues discussed, and provide the opportunity to raise concerns, ask for further information, and make recommendations. This enables scrutiny to engage with Cabinet Members on a regular and structured basis.

2. Reporting of Letters

- 2.1 All scrutiny letters, whether they are written by the Scrutiny Programme Committee or conveners of Panels / Working Groups, are published to ensure visibility, of the outcomes from meetings, across the council and public.
- 2.2 The Scrutiny Programme Committee agenda also includes a copy of letters to/from Cabinet Members where specific discussion is required, e.g. letters relating to the Committee, Working Groups, and Inquiry Panel follow ups. Letters are included when cabinet member responses that were awaited are received or where a scrutiny letter did not require a response.
- 2.3 Where requested Cabinet Members are expected to respond in writing to scrutiny letters within 21 calendar days. The response should indicate what action (if any) they intend to take as a result of the views and recommendations made.
- 2.4 Letters relating to the work of Performance Panels are part of an ongoing dialogue with Cabinet Members and are therefore reported back and monitored by each Panel. However all Performance Panel conveners will provide a progress report to the Committee, including summary of correspondence with Cabinet Members and outcomes.

3. Letters Log

- 3.1 This report contains a log of scrutiny letters produced to enable the Committee to maintain an overview of letters activity over the current municipal year – see **Appendix 1**. The letters log will show the average time taken by Cabinet Members to respond to scrutiny letters, and the percentage of letters responded to within timescale.
- 3.2 The following letter(s), not already reported to the Committee, are **attached** for discussion:

3.3 Scrutiny Working Group – Bus Services (convener: Cllr Lyndon Jones)

3.3.1 A summary of the main outcome from the meeting and agreed action follows:

The Bus Services Working Group met to look at bus network coverage and levels of service, community transport provision and integration with other forms of transport. Representatives of First Cymru and Cardiff Bus were invited to participate.

The Working Group felt there needs to be a regular bus services to all areas of Swansea to reduce isolation and start a shift away from car use to using public transport. It emphasised the importance of bus companies and public transport more generally contributing to carbon emission reduction.

The Working Group recommended that regular meetings are held between Members and First Cymru to raise and discuss issues and felt it was very important for the Authority and bus companies to listen to people who currently do not use buses in Swansea, as well as people who do, to help shape current and future bus services.

The importance of joining up bus and rail times so services are more coordinated and the introduction of cross ticketing between bus and rail were also issues emphasised by the Working Group.

The Committee should note that the Working Group recommends to the Scrutiny Programme Committee that a follow up meeting is held in six months, to see what changes / improvements have been made, as it is vitally important that to see positive changes taking place to benefit Swansea residents. **The Committee's agreement is sought.**
