- Q7 What is the cumulative impact of this proposal on people and/or communities when considering all the impacts identified within the screening and any other key decisions affecting similar groups/ service users made by the organisation?**

(You may need to discuss this with your Service Head or Cabinet Member to consider more widely if this proposal will affect certain groups/ communities more adversely because of other decisions the organisation is making. For example, financial impact/poverty, withdrawal of multiple services and whether this is disadvantaging the same groups, e.g., disabled people, older people, single parents (who are mainly women), etc.)

The Mumbles Coastal Protection project will provide a much lower risk of future flooding to properties in Mumbles, but will also seek to improve public amenity, connectivity and access and will be the subject of consultation as appropriate. Consultation with local disability and access groups will be undertaken to ensure accessibility for all.
