(b) Please name and fully describe initiative here:

Revised consultation draft Placemaking Guidance for the Gower AONB Supplementary Planning Guidance (SPG) (previously known as the Gower AONB Design Guide SPG).

The SPG provides supplementary planning guidance to support the implementation of policies in the adopted Swansea Local Development Plan (LDP) on development within the Gower AONB and development outside the AONB boundary which may impact upon the setting of the AONB.

It should be noted that the SPG does not introduce new policy, it provides worked examples and detailed clarification on the relevant policies set out in the LDP, which have been subject to EIA and Examination by the Planning Inspectorate.

Q3 What involvement has taken place/will you undertake e.g. engagement/consultation/co-productive approaches? Please provide details below – either of your activities or your reasons for not undertaking involvement

A draft version of the SPG document was subject to a minimum 6 week period of public consultation and engagement between 4th September and 66th October 2020. Comments received in response to the consultation were collated and evaluated, and reported in a Consultation Report, together with the Council’s response. Having regard to the comments received, a number of modifications to the draft SPG were considered to be appropriate. The Report was published on the website alongside the amended SPG.

The majority of amendments were relatively minor improvements to accuracy and clarity of the Guidance, or updates in response to the publication of Future Wales: the National Plan 2040, and associated amendments to Planning Policy Wales. There were however some amendments, which were considered substantive enough to benefit from a second consultation, in order to ensure consultees had sufficient opportunity to consider them. The document was also re-named as ‘Placemaking Guidance for the Gower AONB’ in order to reflect consistency with other SPG and in recognition of the placemaking agenda that forms the central them of national planning guidance and the development plan. As per the initial consultation, this ran for the minimum of six weeks, which began on 14th June and ended on 5th September 2021.

Face to face public engagement events were unable to occur due to constraints associated with Covid-19 restrictions. Nevertheless, the consultation involved a wide range of awareness raising and engagement activities, including:

- Print media articles and social media notices before and during the consultation.
- A specific web page created for the SPG that described the consultation, provided a weblink to the document, and a link to the comment form.
- Notification emails posted to a range of stakeholders, including Councillors.
- Remote briefings to stakeholder groups, briefly outlining the changes between the two versions of the SPG, via Microsoft Teams presentations.
- Publication of recorded video presentations on the Council’s website.
- Hard copies of the document were made available on request.

Comments received in response to the second consultation have been collated and evaluated, and are reported in a Consultation Report, providing the Council’s response and amendments to this revised version of the SPG. The Report will be published on the website alongside the adopted SPG.

Q4 Have you considered the Well-being of Future Generations Act (Wales) 2015 in the development of this initiative:

Integrated Impact Assessment Screening Form

- a) Overall does the initiative support our Corporate Plan's Well-being Objectives when considered together?
Yes No
- b) Does the initiative consider maximising contribution to each of the seven national well-being goals?
Yes No
- c) Does the initiative apply each of the five ways of working?
Yes No
- d) Does the initiative meet the needs of the present without compromising the ability of future generations to meet their own needs?
Yes No

Q5 What is the potential risk of the initiative? (*Consider the following impacts – equality, socio-economic, environmental, cultural, legal, financial, political, media, public perception etc...*)

High risk

Medium risk

Low risk

Q6 Will this initiative have an impact (however minor) on any other Council service?

Yes No If yes, please provide details below

Q7 What is the cumulative impact of this proposal on people and/or communities when considering all the impacts identified within the screening and any other key decisions affecting similar groups/ service users made by the organisation?

The impacts are medium, low or non-existent. The document will result in positive impacts in terms of ensuring development on Gower enhances the designated landscape, protects and enhances biodiversity and fully embraces the Placemaking agenda, ensuring health and wellbeing is central to all development, for the benefit of all sectors/ages/profiles of the community for the benefit of current and future generations.

Outcome of Screening

Q8 Please describe the outcome of your screening below:

- **Summary of impacts identified and mitigation needed (Q2)**
- **Summary of involvement (Q3)**
- **WFG considerations (Q4)**
- **Any risks identified (Q5)**
- **Cumulative impact (Q7)**

An Equality Impact Assessment Screening was undertaken on the previous version of the document for consultation. That EIA Screening identified mostly low impacts. This IIA is an update of that EIA to reflect the consultation process undertaken and amendments that have been made to the document as a result.

The SPG seeks to facilitate community cohesion by assisting the implementation of the relevant LDP policies. The LDP policies have already been subject to EIA and are based on a comprehensive, and up to date evidence base, which has been found sound by the Planning Inspectorate. The SPG seeks support LDP policies by providing detailed information for planning officers and developers on the assessment of planning applications located, and on the edge of, the Gower AONB. This will ensure clear, consistent and transparent decision making.

A minimum 6 week consultation was undertaken in October 2020. The document was reviewed and amended where appropriate, as a result of the responses received (in-line with Welsh Government planning guidance). A second consultation was undertaken for a minimum of six weeks from July 2021 on the amended draft document. Further changes have been made as a result of comments received. The final version is now proposed for adoption by the Council for use as a material consideration in the determination of planning applications. Public consultation and engagement is a central element of producing planning guidance. No equalities issues were raised during the consultation.
